## Legal Notice

AN INVESTIGATION INTO  
THE REASONABLENESS OF  
THE GAS COST RECOVERY  
PLAN OF GASCO DISTRIBUTION  
SYSTEM, INC. CASE NO.  
2008-00096

On February 25, 2008, Gasco Distribution Systems, Inc. ("Gasco") submitted to the Kentucky Public Service Commission a quarterly report, pursuant to its Gas Cost Recovery ("GCR") Rate Schedule, to update its GCR rate for the calendar quarter beginning April 1, 2008. In this report, Gasco's calculation of the updated GCR rate includes the Actual Cost Adjustment ("ACA") component the difference between actual gas costs and recovered gas costs for the 2-year period ending June 30, 2007. The inclusion of these costs will increase Gasco's GCR rate by \$4.5686 per Mcf of natural gas purchased.

The Kentucky Public Service Commission has initiated an investigation to determine the reasonableness of the proposed updated GCR Rate, the lawfulness and reasonableness of recovering the unrecovered gas costs through Gasco's GCR Rate Schedule, and the appropriateness of using another rate mechanism, such as a surcharge, to recover such costs.

Any corporation, association, or person with a substantial interest in the matter may, by written request to the Kentucky Public Service Commission, within thirty (30) days after publication of this notice request to intervene in this proceeding. Intervention may be granted beyond the thirty (30) day period for good cause shown.

Any corporation, association, or person who wishes to submit comments on the proposed updated GCR rate should submit such comments to Ms. Stephanie Stumbo, Executive Director, Kentucky Public Service Commission, Post Office Box 615, Frankfort, Kentucky 40602.

Any person may examine the application and any other filings made by the utility at the Commission's office at 211 Sower Boulevard, Frankfort, Kentucky between 8:30 a.m. and 4:30 p.m. on weekdays or by visiting the Public Service Commission's website at <http://>
