

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

RECEIVED

JUL 28 2011

PUBLIC SERVICE
COMMISSION

In the matter of:

THE APPLICATION OF EAST KENTUCKY NETWORK)
LIMITED LIABILITY COMPANY FOR THE ISSUANCE)
OF A CERTIFICATE OF PUBLIC CONVENIENCE AND) CASE No 2011-00174
NECESSITY TO CONSTRUCT A TOWER IN KNOTT)
COUNTY, KENTUCKY).

East Kentucky Network, LLC, d/b/a Appalachian Wireless, was granted authorization to provide cellular service in the KY-10 Cellular Market Area (CMA452) by the Federal Communications Commission (FCC). FCC license is included as Exhibit 1. East Kentucky Network, LLC merger documents were filed with the Commission on February 2, 2001 in Case # 2001-022.

In an effort to improve service in Knott County, East Kentucky Network, LLC pursuant to KRS 278.020 Subsection 1 and 807 KAR 5:001 Section 9 is seeking the Commission's approval to construct a 300 foot self-supporting tower on a tract of land approximately 2000' East of the Junction of Hwy 160 and Apple Yard Road in Knott County, Kentucky (37°17'24.05"N 82°55'47.56"W). A map and detailed directions to the site can be found in Exhibit 8.

Exhibit 2 is a list of all Property owners or residents according to the property valuation administrator's record who reside or own property within 500 feet of the proposed tower in accordance with the Public Valuation Administrator. No other properties are contiguous with East Kentucky Network's property.

Pursuant to 807 KAR 5:063 Section 1 (1)(L) and Section 1(1)(n)(1) all affected property owners according to the property valuation administrator's record who reside or own property within 500 feet of the proposed Tower were notified by certified mail return receipt requested of East Kentucky Network, LLC's proposed construction and informed of their right to intervene.

They were given the docket number under which this application is filed. Enclosed in Exhibit 2 is a copy of that notification.

Knott County has no formal local planning unit. In absence of this unit the Knott County Judge Executive's office was notified by certified mail, return receipt requested of East Kentucky Network Limited Liability Company's proposal and informed of their right to intervene. They were given the docket number under which this application is filed. Enclosed in Exhibit 3 is a copy of that notification.

Notice of the location of the proposed construction was published in the Troublesome Creek Times' July 28th and August 4th weekly editions. Enclosed is a copy of that notice in Exhibit 3. The Troublesome Creek Times is the newspaper with the largest circulation in Knott County.

A geologist was employed to determine soil and rock types and to ascertain the distance to solid bedrock. The geotechnical report is enclosed as Exhibit 4.

A copy of the tower design information is enclosed as Exhibit 5. The proposed tower has been designed by engineers at Allstate Tower, Inc. and will be constructed under their supervision. Their qualifications are evidenced in Exhibit 5 by the seal and signature of the registered professional engineer responsible for this project.

The tower will be erected by S & S Tower Services of St. Albans, West Virginia. S & S Tower Services has vast experience in the erection of communications towers.

FAA and Kentucky Airport Zoning Commission applications are included as Exhibit 6.

No Federal Communications Commission approval is required prior to construction of this facility. Once service is established from this tower we must immediately notify the Federal Communications Commission of its operation. Prior approval is needed only if the proposed facility increases the size of the cellular geographic service area. This cell site will not expand the cellular geographic service area.

East Kentucky Network, LLC will finance the subject Construction with earned surplus in its General Fund.

Estimated Cost of Construction	\$ 350,000.00
Annual Operation Expense of Tower	\$ 12,500.00

Two notice signs meeting the requirements prescribed by 807 KAR 5:063, Section 1(2), measuring at least two (2) feet in height and four (4) feet in width and containing all required language in letters of required height, have been posted, one at a visible location on the proposed site and one on the nearest public road. The two signs were posted on June 28, 2011 and will remain posted for at least two weeks after filing of this application as specified.

Enclosed in Exhibit 9 is a copy of East Kentucky Network LLC's lease agreement with deed description to the site.

The proposed construction site is on a very rugged mountaintop some feet from the nearest structure. Prior to construction the site was wooded.

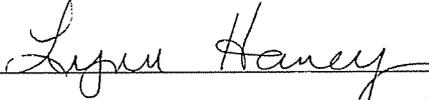

Due to the steep hillside surrounding the proposed site, the property in close proximity is unsuitable for any type of development. East Kentucky Network LLC's operation will not affect the use of nearby land nor its value. No more suitable site exists in the area. A copy of the search area map is enclosed in Exhibit 8. No other tower capable of supporting East Kentucky Network LLC's load exists in the general area; therefore, there is no opportunity for co-location of our facilities with anyone else.

Enclosed, and filed as Exhibit 10 is a survey of the proposed tower site signed by a Kentucky registered professional engineer.

Exhibit 12 contains a vertical sketch of the tower supplied by Coleman Engineering.

WHEREFORE, Applicant respectfully requests that the PSC accept the foregoing Application for filing, and having met the requirements of KRS [278.020(1), 278.650, and 278.665] and all applicable rules and regulations of the PSC, grant a Certificate of Public Convenience and Necessity to construct and operate the proposed tower.

The foregoing document was prepared by Lynn Haney, Compliance Coordinator for East Kentucky Network, LLC d/b/a Appalachian Wireless. All related questions or correspondence concerning this filing should be mailed to the attention of Lynn Haney, East Kentucky Network, LLC d/b/a/ Appalachian Wireless, 101 Technology Trail, Ivel, KY 41642.

RE: Public Notice-Public Service Commission of Kentucky (Case No. 2011-00174)

East Kentucky Network, LLC d/b/a Appalachian Wireless is applying to the Public Service Commission of Kentucky for a Certificate of Public Convenience and Necessity to construct and operate a new facility to provide cellular telecommunications service in Knott County. The facility will include a 300 foot self supporting tower with attached antennas extending upwards, and an equipment shelter located on a tract of land approximately 2000' East of the Junction of Hwy 160 and Apple Yard Road in Litt Carr, Knott County, Kentucky. A map showing the location of the proposed new facility is enclosed. This notice is being sent to you because you may own property or reside within a 500' radius of the proposed tower or within a 200' radius of the proposed or existing access road.

The Commission invites your comments regarding the proposed construction. You also have the right to intervene in this matter. The Commission must receive your initial communication within 20 days of the date of this letter as shown above.

Your comments and request for intervention should be addressed to: Executive Director's Office, Public Service Commission of Kentucky, P.O. Box 615, Frankfort, KY 40602. Please refer to Case No. 2011-00174 in your correspondence.

If you have any questions for East Kentucky Network, LLC, please direct them to my attention at the following address: East Kentucky Network, LLC, 101 Technology Trail, Ivel, KY 41642 or call me at 606-791-2375, Ext. 1007.

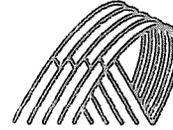

Sincerely,

Lynn Haney

Brinkley Tower Site

Purpose:

A site assessment was conducted for Appalachian Wireless on a tract of land located in Knott County near Brinkley, Kentucky. The site of the proposed tower is now forestland. The purpose of this investigation was to determine the depth to bedrock and of what type of rock the bedrock consists.

Site Investigation:

The trenching method was used to determine the type of bedrock material at the proposed tower site. A Caterpillar excavator was used to expose the bedrock material. It is approximately 4.7 feet to the sandy shale bedrock. (See attached page for descriptions of materials encountered.)

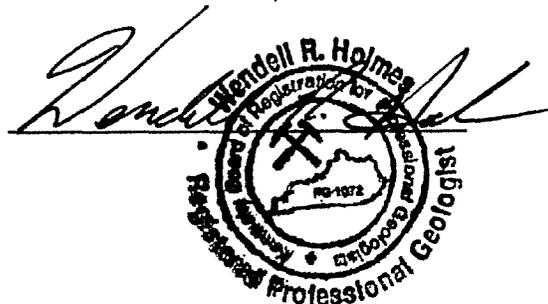

The terrain in Knott County is moderately to very steep. The tower site is located on a knob between Trace Fork of Left Fork of Troublesome and Smith Branch of Carr Creek, approximately one mile southeast of Brinkley in Knott County. The sandy shale formation below the tower site is approximately 10.00 feet thick based on the information obtained from the site investigation and geological maps of the area.

Conclusions:

The proposed tower site is located on a high knob in the area. The sandy shale bedrock on the proposed tower site is part of the Breathitt Formation, and is middle to lower Pennsylvanian in age. Tests were not conducted to determine the load-bearing strength of the bedrock. However, it is apparent that the tower will be constructed on the sandy shale bedrock formation.

The field work for this site was performed by Wendell R. Holmes, using generally accepted methods in the practice of geological science.

TOWER DESIGN NOTES

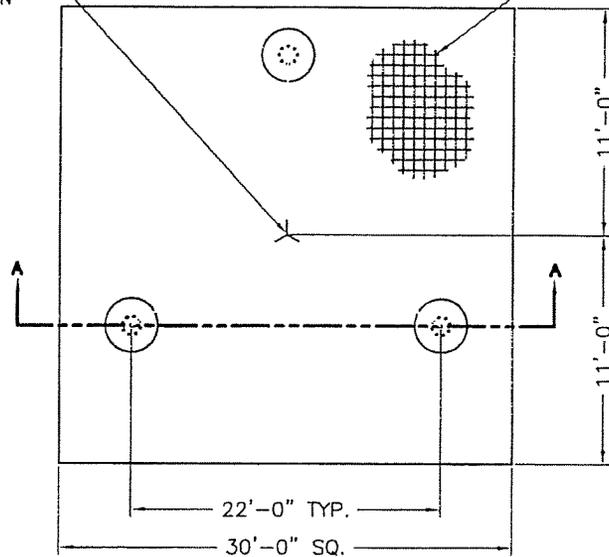

1. Tower designed for a 70 mph basic wind in accordance with the TIA/EIA-222-F Standard.
2. Tower is also designed for a 61 mph basic wind with 0.50 in ice.
3. Deflections are based upon a 50 mph wind.
4. Tower designed for step bolts.
5. All bolted legs and/or weld together tower sections have flange connections.
6. Structural connections use galvanized A325 bolts and/or equivalent with nuts and/or nut locking devices. Installation per TIA/EIA-222 and AISC Specifications.
7. Tower members are "hot dipped" galvanized in accordance with ASTM A123 and ASTM A153 Standards.
8. All structural steel welding will be in compliance with AWS D1.1 latest revision and fabricated with ER-70S-6 electrodes.
9. Structure is designed to arrange feedlines based on using stackable hangers currently available in the communications industry unless specified otherwise by customer. See plan view of sheet E-7 for feedline arrangement used for the design of this structure.

FOUNDATION INSTALLATION/DESIGN NOTES:

1. THIS FOUNDATION IS DESIGNED TO MEET ALL STANDARDS SET FORTH BY ACI 318: AMERICAN CONCRETE INSTITUTE, BUILDING CODE REQUIREMENTS FOR STRUCTURAL CONCRETE, ANSI/TIA/EIA 222-F: STRUCTURAL STANDARDS FOR STEEL ANTENNA TOWERS AND ANTENNA SUPPORTING STRUCTURES.
2. THIS FOUNDATION IS DESIGNED UTILIZING THE GEOTECHNICAL REPORT PERFORMED BY WENDELL R. HOLMES, P.G.; DATED 5-26-11. THE FOUNDATION CONTRACTOR SHALL INSTALL THE FOUNDATIONS IN ACCORDANCE WITH THE RECOMMENDATIONS OF THE GEOTECHNICAL REPORT.
3. ALL WORK PERFORMED FROM THESE DRAWINGS SHOULD BE BY QUALIFIED CONTRACTORS EXPERIENCED IN TOWER FOUNDATION CONSTRUCTION.
4. ALL FOOTING EXCAVATIONS SHALL BE MANUALLY CLEANED PRIOR TO PLACING CONCRETE. COMPACT THE EXPOSED SOIL SURFACE AND ANY GRANULAR FILL UNDER THE FOUNDATION TO 95% OF THE MODIFIED PROCTOR DENSITY.
5. ALL CONCRETE SHALL HAVE A MINIMUM COMPRESSIVE STRENGTH OF 3000 PSI AFTER 28 DAYS. COPIES OF THE CONCRETE CYLINDER TEST REPORTS SHALL BE SENT TO THE RESIDENT ENGINEER / INSPECTOR.
6. MINIMUM CONCRETE COVER FOR REINFORCING BARS SHALL BE 3".
7. FIELD BENDING OR WELDING OF REINFORCEMENT BARS IS NOT PERMITTED.
8. PROVIDE CHAMFERS AT ALL EXPOSED CORNERS OF CONCRETE.
9. BACKFILL NEAR AND AROUND THE FOUNDATIONS SHALL BE A WELL GRADED FILL MATERIAL PLACED IN 8" THICK LAYERS THAT HAS BEEN COMPACTED TO 95% OF THE MODIFIED PROCTOR DENSITY PER ASTM D1557.
10. SOME DETAIL HAS BEEN PURPOSELY OMITTED TO CLARIFY ILLUSTRATION.

PROPRIETARY STATEMENT: THIS DRAWING IS THE PROPERTY OF ALLSTATE TOWER COMPANY AND IS NOT TO BE REPRODUCED OR COPIED IN ANYWAY WITHOUT PRIOR WRITTEN CONSENT OF ALLSTATE TOWER CO.

INDEPENDENT AUDITOR'S REPORT

To the Members
East Kentucky Network, LLC
dba Appalachian Wireless
Ivel, Kentucky

We have audited the accompanying balance sheets of East Kentucky Network, LLC, dba Appalachian Wireless as of December 31, 2010 and 2009 and the related statements of income, members' equity and cash flows for the years then ended. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of East Kentucky Network, LLC, dba Appalachian Wireless as of December 31, 2010 and 2009 and the results of its operations and its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

Jones, Nale & Mattingly P.C.

**EAST KENTUCKY NETWORK, LLC
DBA APPALACHIAN WIRELESS**

NOTES TO FINANCIAL STATEMENTS

Note 1. Summary of Significant Accounting Policies

Nature of operations

East Kentucky Network, LLC, dba Appalachian Wireless, is a Kentucky limited liability company formed by the merger of Appalachian Cellular, LLC, Mountaineer Cellular, LLC and East Kentucky Network, LLC on January 1, 2000. The Company is engaged in cellular telephone communications and paging services to residential and commercial customers located in eastern Kentucky. The Company's five members consist of Cellular Services, LLC; Gearheart Communications Company, Inc.; Mountain Telecommunications, Inc.; Peoples Rural Telephone Cooperative Corporation, Inc.; and Thacker-Grigsby Telephone Co., Inc.

Use of estimates

Management uses estimates and assumptions in preparing financial statements. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and the reported revenues and expenses.

Cash and cash equivalents

For purposes of the statement of cash flows, the Company considers temporary investments having original maturities of three months or less to be cash equivalents. The Company maintains its cash balances, which may exceed the federally insured limit, with several financial institutions. These financial institutions have strong credit ratings and management believes that credit risk related to the accounts is minimal.

Short-term investments

Certificates of deposit having original maturities between three and nine months are classified as short-term investments, are carried at cost, which approximates fair value, and are held to maturity. Fair value is determined by quoted prices for similar certificates of deposit in active markets (Level 2) as defined by the Fair Value Measurements Topic of the FASB Accounting Standards Codification (see Note 9).

Accounts receivable

Accounts receivable are recorded at net realizable value consisting of the carrying amount less an allowance for uncollectible accounts. The Company uses the allowance method to account for uncollectible accounts receivable balances. Management charges off uncollectible receivables to the allowance when it is determined the amounts will not be realized.

NOTES TO FINANCIAL STATEMENTS

Note 1. Summary of Significant Accounting Policies (Continued)

Inventory

Inventory is composed of cellular telephone equipment, paging equipment, and accessories purchased for resale during the ordinary course of business. The inventory is valued at the lower of cost or market, cost being determined by the first-in, first-out (FIFO) method.

Investment

The investment in affiliated company is composed of equity certificates in Rural Telephone Finance Cooperative and is reported at cost.

Intangible assets

The customer lists, non-compete agreements, FCC licenses, bond issuance costs, loan fees and use of name are recorded at cost and are being amortized over the life of the asset by the straight-line method.

Revenue recognition

Revenue consists primarily of charges for access, airtime, roaming, long distance, data and other value-added services provided to the Company's retail customers; charges to other cellular carriers whose customers use the Company's network when roaming; and sales of phones and accessories.

Revenue from cellular service is recognized monthly when earned, phone and accessory sales are recognized at the point of sale, activation fees are recognized when activation of service occurs, and cancellation penalties are recognized at the time of disconnection from service. Deferred revenue consists of monthly access and feature charges billed one month in advance and recognized as revenue the following month.

The Company's sales contracts are considered multiple deliverable arrangements that generally involve delivery and activation of a cellular phone, plus phone service. Each is treated as a separate unit of accounting. Contracts are subject to one to two-year terms and require the customer to pay a cancellation fee if the customer cancels the contract. There is a one-time activation fee and a monthly fee for the ongoing service. All fees are nonrefundable. The phone and activation are delivered first, followed by the phone service (which is provided over the contract period). Delivery and activation of the phone are considered one element because activation is necessary for the functionality of the phone. Revenue from phone service is recognized separately over the life of the service arrangement.

Advertising

Advertising costs are expensed as incurred. At December 31, 2010 and 2009, these costs were \$3,900,531 and \$3,815,728, respectively.

NOTES TO FINANCIAL STATEMENTS

Note 1. Summary of Significant Accounting Policies (Continued)

Income taxes

Under existing provisions of the Internal Revenue Code, the income or loss of a limited liability company is recognized by the members for income tax purposes. Accordingly, no provision for federal income taxes has been provided for in the accompanying financial statements.

The Company's accounting policy provides that a tax expense/benefit from an uncertain tax position may be recognized when it is more likely than not that the position will be sustained upon examination, including resolutions of any related appeals or litigation processes, based on the technical merits. Management believes the Company has no uncertain tax positions resulting in an accrual of tax expense or benefit.

The Company recognizes interest accrued related to unrecognized tax benefits in interest expense and penalties in operating expenses. The Company did not recognize any interest or penalties during the years ended December 31, 2010 and 2009.

The Company's federal and state income tax returns are subject to possible examination by the taxing authorities until the expiration of the related statutes of limitations on those tax returns. In general, the federal income tax returns have a three year statute of limitations, and the state income tax returns have a four year statute of limitations.

Comprehensive income

Comprehensive income consists of net income and other comprehensive income. Other comprehensive income includes the change in fair value of interest rate swaps which is also recognized as a separate component of equity.

Subsequent events

Management has evaluated subsequent events through February 26, 2011, the date the financial statements were available to be issued.

Reclassification

Certain amounts presented in the prior period have been restated to conform with the current year presentation.

NOTES TO FINANCIAL STATEMENTS

Note 2. Intangible Assets

Intangible assets consist of the following at December 31, 2010:

	Gross Amount	Accumulated Amortization	Weighted Average Life (in years)
Customer lists	\$ 5,363,530	\$ (3,583,198)	15
Non-compete agreements	220,348	(180,336)	15
FCC licenses	2,452,368	(889,418)	14
Use of name	10,000	(7,002)	15
Other	941,825	(415,749)	7
	\$ 8,988,071	\$ (5,075,703)	

Intangible assets consist of the following at December 31, 2009:

	Gross Amount	Accumulated Amortization	Weighted Average Life (in years)
Customer lists	\$ 5,363,530	\$ (3,225,881)	15
Non-compete agreements	220,348	(165,657)	15
FCC licenses	2,452,368	(717,074)	14
Use of name	10,000	(6,335)	15
Other	941,825	(274,658)	7
	\$ 8,988,071	\$ (4,389,605)	

Aggregate amortization expense related to these intangible assets for the years ended December 31, 2010 and 2009 totaled \$686,098 and \$682,251 respectively. The following represents the total estimated amortization of intangible assets for each of the succeeding five years:

Year ending December 31:

2011	\$ 680,000
2012	680,000
2013	660,000
2014	620,000
2015	550,000

NOTES TO FINANCIAL STATEMENTS

Note 3. Long-Term Debt

Long-term debt consists of the following at December 31:

	2010	2009
Note payable, Fifth Third Bank (a)	\$ 7,633,333	\$ 9,033,333
Line of credit, Fifth Third Bank (b)	--	--
Note payable, Fifth Third Bank (c)	5,925,873	7,211,588
	\$ 13,559,206	\$ 16,244,921

(a) On February 28, 2006, the Company issued \$14,200,000 in adjustable rate notes to restructure its debt. The notes were issued pursuant to a trust indenture between the Company and U.S. Bank National Association. Principal and interest on the notes were paid from funds drawn by the Trustee under an irrevocable letter of credit issued by Fifth Third Bank. The Notes were collateralized by the assets of the Company and were scheduled to mature on February 1, 2016. The Notes bear interest at a floating interest rate as determined by U.S. Bank National Association (4.60% at 12/31/08). However, the Company entered into an interest rate swap contract (original notional amount of \$14,200,000) that effectively converted its floating-rate debt into a fixed-rate of 8.02%.

On February 2, 2009, the Company refinanced the remaining \$10,200,000 of the note with a new note payable that matures November 1, 2013 and is collateralized by the assets of the Company. Interest on the note is floating at monthly LIBOR plus 1.75% as determined by Fifth Third Securities, Inc. (2.01% at 12/31/10). The Company also renegotiated the terms of the interest rate swap contract and entered into an interest rate swap contract (original notional amount of \$10,200,000) that effectively converts its floating-rate debt into a fixed rate of 7.46% (see Note 8). The note is payable in monthly installments of \$116,667 plus interest through February 1, 2012 and \$125,000 plus interest thereafter through November 1, 2013 with a balloon payment due at maturity.

(b) The line of credit agreement with Fifth Third Bank provided for borrowings up to \$2,000,000 and was secured by assets of the Company. The agreement carried a variable interest rate at monthly LIBOR plus 3.00% as determined by Fifth Third Securities, Inc. The agreement expired on September 1, 2010 and was not renewed by the Company.

(c) On September 1, 2008, the Company borrowed \$9,000,000 to restructure existing debt, purchase new equipment and upgrade existing equipment. The note is collateralized by the assets of the Company. Interest on the note is floating at monthly LIBOR plus 3.00% as determined by Fifth Third Securities, Inc (3.26% at 12/31/10). The Company also entered into an interest rate swap contract (original notional amount of \$9,000,000) that effectively converts its floating-rate debt into a fixed rate of 7.20% (see Note 8). The note is payable in monthly installments of \$107,143 plus interest with a balloon payment due on September 1, 2013.

Total interest cost for the years ended December 31, 2010 and 2009 was approximately \$1,146,000 and \$1,425,000, respectively, of which approximately \$118,000 was capitalized in 2010 as part of the construction of a new office building.

NOTES TO FINANCIAL STATEMENTS

Note 3. Long-Term Debt (Continued)

Under terms of the Notes, the Company has also agreed, among other things, to limit distributions, to maintain minimum debt service coverage, and to maintain minimum debt to tangible worth ratios.

Approximate maturities or payments required on principal under note payable agreements for each of the succeeding five years are as follows:

Year ending December 31:	
2011	\$ 2,685,714
2012	2,769,048
2013	8,104,444
2014	--
2015	--
	<u>\$ 13,559,206</u>

Note 4. Retirement Plans

The Company has a 401(k) plan for qualifying employees who have reached twenty-one years of age. Eligible employees are allowed to invest up to 15% of their compensation and the Company has agreed to match 100% of the first 3% of the employees' contribution and 50% of the employees' contribution between 3% and 5%. The Company contributed \$139,405 and \$124,071 in matching funds for its 401(k) plan during the years ended December 31, 2010 and 2009, respectively.

The Company also offers an employer sponsored retirement savings plan for qualified employees who have reached twenty-one years of age. The Company has agreed to contribute 9% of the eligible employee's compensation, plus an additional 5% of the original contribution.

The Company contributed \$638,293 and \$421,669 to its retirement savings plan during the years ended December 31, 2010 and 2009, respectively.

Note 5. Related Party Transactions

The Company shares personnel with three of its members. The Company paid \$251,384 and \$210,990 for shared personnel during the years ended December 31, 2010 and 2009, respectively. The Company also leased offices and warehouse space from three members. The leases are for an unspecified length of time. The annual lease expense related to these leases was \$20,483 for both years ended December 31, 2010 and 2009.

The Company incurred interconnection, telephone, cable and internet access charges from its members aggregating \$1,206,230 and \$1,111,251 for the years ended December 31, 2010 and 2009, respectively.

NOTES TO FINANCIAL STATEMENTS

Note 5. Related Party Transactions (Continued)

The Company leases two cellular tower sites from the officers and majority shareholders of a member. The annual lease expense related to these leases was \$2,400 for both years ended December 31, 2010 and 2009. The leases are for an unspecified length of time. The Company also pays part of an annual lease for sharing a tower with a member for an annual fee of \$450. In addition, the Company leases one other site from a company owned by a member. The annual lease expense related to this lease for the years ended December 31, 2010 and 2009 amounted to \$13,350 and \$11,700, respectively. The Company leases cellular tower sites from the parent company of one of its other members. The annual lease expense related to these leases was \$12,463 for both years ended December 31, 2010 and 2009. The leases are for five years with options to renew.

The Company pays commissions to its members for phone sales to customers. The amount of commissions paid to related parties during the years ended December 31, 2010 and 2009 was \$55,035 and \$45,420, respectively.

The Company pays fees to companies owned by its members for advertisement in telephone directories, television and on local billboards. The amount of advertising paid to related parties was \$61,534 and \$54,522 for the years ended December 31, 2010 and 2009, respectively.

Note 6. Operating Leases

The Company has entered into operating leases with its members and other customers to provide fiber optic transmission capacity and ancillary services. The terms of these leases are for 15 years. Total rental income earned from these operating lease commitments included in the statements of income was \$1,214,408 and \$1,194,626 for the years ended December 31, 2010 and 2009, respectively. Rental income earned from the Company's members from these leases was \$1,008,827 and \$799,054 for the years ended December 31, 2010 and 2009, respectively.

Investments in operating leases are as follows at December 31:

	2010	2009
Fiber ring	\$ 7,802,053	\$ 7,675,975
Accumulated depreciation	(3,120,944)	(2,623,141)
	\$ 4,681,109	\$ 5,052,834

The future minimum rental payments expected to be received under these lease agreements for each of the succeeding five years are approximately \$1,200,000 each year.

NOTES TO FINANCIAL STATEMENTS

Note 6. Operating Leases (Continued)

The Company has also entered into lease agreements to obtain fiber optic transmission and digital microwave transmission services; and to rent retail office facilities. The terms of these leases are between 5 and 15 years. Total rental expense incurred from these operating lease commitments included in the statements of income was \$1,055,717 and \$1,070,826 for the years ended December 31, 2010 and 2009, respectively. Rental expense incurred from the Company's members from these leases was \$411,196 and \$488,725 for the years ended December 31, 2010 and 2009, respectively. The future minimum lease payments required under these lease agreements for each of the succeeding five years are approximately \$1,100,000 each year.

Note 7. Eligible Telecommunication Carrier

During 2005, the Company was granted Eligible Telecommunication Carrier (ETC) status by the Kentucky Public Service Commission. As an ETC, the Company receives funding from the federal Universal Service Fund (USF) to support the high cost of providing local telephone service in rural areas. USF payments amounted to \$7,371,103 and \$7,045,378 for 2010 and 2009, respectively.

Note 8. Derivative Financial Instruments, Interest Rate Swaps

The Company entered into two interest rate swap contracts with Fifth Third Bank for the purpose of converting floating-rate interest on its long-term debt to fixed rates. The interest rate swap effectively fixed \$10,200,000 at a rate of 7.46% until February 1, 2016 and fixed \$9,000,000 at a rate of 7.20% until September 1, 2013.

Under the swap contracts, the Company pays interest at 5.71% and 4.20% on the notional amounts and receives interest at LIBOR observed monthly (0.26% at December 31, 2010). The interest rate swaps qualify as, and are designated as, cash flow hedges. The swaps are designed to hedge the risk of changes in interest payments on the notes caused by changes in LIBOR. The notional amounts do not represent actual amounts exchanged by the parties, but instead represent the amounts on which the contracts are based.

The swaps were issued at market terms so that they had no fair value or carrying value at their inception. The carrying amount of the swaps has been adjusted to their fair value at the end of the year, which because of changes in forecasted levels of LIBOR, resulted in reporting a liability for the fair value of the future net payments forecasted under the swaps. The swap contracts permit settlement prior to maturity only through termination by the Company. The settlement amounts are determined based on forecasted changes in interest rates required under fixed and variable legs of the swaps. The Company believes the settlement amounts are the best representation of the fair value of the swaps and has adjusted their carrying amounts to the settlement amounts at the end of the year.

NOTES TO FINANCIAL STATEMENTS

Note 8. Derivative Financial Instruments, Interest Rate Swaps (Continued)

The carrying amounts of the swaps are classified as noncurrent since management does not intend to terminate the swaps during 2011. Since the critical terms of the swaps and the notes are approximately the same, the swaps are assumed to be effective as hedges, and none of the changes in fair values are included in income. Accordingly, all of the adjustment of the swaps' carrying amount is reported as other comprehensive income or loss in the accompanying statements of members' equity. If the swaps are terminated early, the corresponding carrying amount would be reclassified into earnings. The Company does not hold or issue interest rate swaps or other financial instruments for trading purposes.

Note 9. Fair Values of Financial Instruments

The Fair Value Measurements Topic of the FASB Accounting Standards Codification defines fair value, establishes a framework for measuring fair value, and expands disclosures about fair value measurements. The Fair Value Measurements Topic establishes a fair value hierarchy about the assumptions used to measure fair value and clarifies assumptions about risk and the effect of a restriction on the sale of an asset. The Fair Value Measurements Topic defines fair value as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. However, in many instances, there are no quoted market prices for the Company's various financial instruments. In cases where quoted market prices are not available, fair values are based on estimates using present value or other valuation techniques. Those techniques are significantly affected by the assumptions used, including the discount rate and estimates of future cash flows. Accordingly, the fair value estimates may not be realized in an immediate settlement of the instrument. The Fair Value Measurements Topic also establishes a fair value hierarchy which requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value.

The Fair Value Measurements Topic describes three levels of inputs that may be used to measure fair value:

- Level 1 - Quoted prices (unadjusted) or identical assets or liabilities in active markets that the entity has the ability to access as of the measurement date.
- Level 2 - Significant other observable inputs other than Level 1 prices, such as quoted prices of similar assets or liabilities, quoted prices in markets that are not active, and other inputs that are observable or can be corroborated by observable market data.
- Level 3 - Significant unobservable inputs that reflect a company's own assumptions about the assumptions that market participants would use in pricing an asset or liability.

NOTES TO FINANCIAL STATEMENTS

Note 9. Fair Values of Financial Instruments (Continued)

Financial instruments of the Company that are subject to fair value measurements are limited to short-term investments, long-term debt and interest rate swaps. Fair values of these financial instruments are measured using Level 2 inputs.

The fair value of short-term investments approximates its carrying amount due to the short-term nature of these instruments.

The fair value of long-term debt approximates its carrying amount because its variable rate terms are similar to market terms.

The fair value of the interest rate swaps are based on the approximation of market value derived from proprietary models. This fair value takes into consideration the prevailing interest rate environment and the specific terms and conditions of the derivative financial instrument. The fair value was estimated by comparing the Company's fixed swap rates with the current market rates on identical swaps for the remaining terms. The interest due on each remaining payment date is calculated at the existing swap rate and the current market rate. Fair market value is the present value of the difference between those payment streams. The value represents the estimated exit price the Company would pay to terminate the agreement.

Directions to Brinkley Site

Beginning at the Knott County Courthouse, in Hindman Ky.

Go East on KY route 550 for .1 miles to the Jct. of 550 and Rt 160

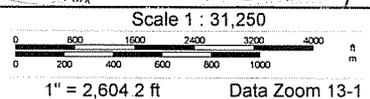

Turn right East on Rt. 160 South and go 5 miles to Apple Yard Rd. on the left.

Turn Left onto Apple Yard Rd. and go .4 miles to Split in road. Take the left side and continue for .2 miles.

Blue and white ribbons mark the proposed road leading to site.

LEASE AND EASEMENT AGREEMENT

THIS LEASE AND EASEMENT AGREEMENT (the "Lease") is made and entered into this the 18th day of June, 2010 by and between **MICKEY J. AMBURGEY** and his wife, **VICKY AMBURGEY**, residents of 408 Apple Yard Road, Litt Carr, Kentucky 41834, hereinafter referred to collectively as "Lessor"; and **EAST KENTUCKY NETWORK, LLC, dba APPALACHIAN WIRELESS**, having a mailing address of 101 Technology Trail, Ivel, Kentucky 41642, hereinafter referred to as "Lessee".

WITNESSETH:

That for and in consideration of the rents and other consideration exchanged by and between Lessor and Lessee, and subject to the terms and conditions hereinafter specified, Lessor does hereby lease, let and demise unto Lessee, its successors and assigns, the following described premises (the "Leased Premises"):

Being the same property described in Exhibit "A" attached hereto and made a part hereof by reference and as further shown on the plat attached hereto as Exhibit "B" dated 6-14-10, prepared by James W. Caudill, Licensed Professional Land Surveyor.

Source of Title: Being a part of the same property conveyed to Mickey J. Amburgey by deed from Buster Amburgey and wife, Rachel Amburgey, dated August 22, 1994 and recorded at Deed Book 252, page 357 (Tract 1) in the Knott County Clerk's Office.

A. EASEMENT RIGHTS: In addition to the lease of the Leased Premises, Lessor hereby grants unto Lessee during the initial term and all extended terms of this Lease, for the consideration hereinafter designated, certain easement rights across the remaining portion of Lessor's property as described at Deed Book 252, page 357 in the Knott County Clerk's Office ("Lessor's Remaining Property"), as follows:

(i) Roadway Easement: A nonexclusive easement across a portion of Lessor's Remaining Property for the construction and maintenance of an access road to provide ingress to and egress

from the Leased Premises. Lessor shall have input as to the location of the roadway.

(ii) **Transmission Line Easement:** A nonexclusive easement across a portion of Lessor's Remaining Property, measuring approximately forty (40) feet in width, for the placement of power and telephone transmission lines to service the communications tower and related facilities which are to be erected upon the Leased Premises. Lessor shall have input as to the location of the transmission line easement.

With respect to the foregoing easements, Lessee shall reclaim and reseed any areas on Lessor's Remaining Property disturbed by the construction of the roadway or by the placement of the power and telephone transmission lines and related equipment. Lessor shall have the right to trim or remove trees, limbs or underbrush which may interfere with its access road and/or its power and telephone transmission lines. If either Lessor or Lessee desires that the access road be gated, Lessee shall gate the access road in a manner to best prevent trespassing and shall keep the gate locked with the understanding that Lessor shall be provided with a working key. Lessee shall not allow any persons who are not associated with its business operations to have access to the Leased Premises or to Lessee's access road.

B. LEASE PROVISIONS: This lease is made and entered into upon the following terms and conditions:

1. Term of Lease. The term of this Lease shall be for a period of twenty-five (25) years from and after the date hereof (the "Initial Term"), with Lessee having the exclusive option of extending this Lease for an additional term of twenty-five (25) years (the "Additional Term"). In the event that Lessee desires to extend the Lease for the Additional Term, it shall give Lessor notice of such intention in writing at least six (6) months prior to the expiration of the Initial Term.

2. Cancellation. Lessee, in its sole discretion, shall have the right to terminate this Lease and abandon the Leased Premises at any time upon six (6) months written notice to Lessor of Lessee's intention to do so. In the event of termination by Lessee, Lessor shall have no obligation to refund all or any

portion of the annual rental payment that has already been paid by Lessee. Upon termination of this Lease, Lessee shall have one hundred eighty (180) days thereafter to remove all structures it has erected upon the Leased Premises and to reclaim the Leased Premises. If, after notice of termination has been provided to Lessor by Lessee, a new annual rental payment becomes due before the expiration of the aforesaid one hundred eighty (180) day period, then in that event, Lessee shall only be obligated to pay unto Lessor rental on a monthly basis (being calculated as 1/12 of the annual rental then due) for the months which Lessee will actually occupy the Leased Premises.

3. Rental – Initial Term. As rental for the Leased Premises (which includes the consideration for the easement rights granted herein), Lessee shall pay to Lessor during the Initial Term, annually and in advance, the sum of Six Thousand Dollars (\$6,000.00) beginning on the date of execution of this Lease, provided however, that after the fifth year of the Initial Term, Lessor shall receive the following increases in the annual rental:

(a) For lease years six through ten, Lessee shall pay Lessor annually the sum of Six Thousand Three Hundred Dollars and No Cents (\$6,300.00), which sum represents a 5% increase over the rental paid during years one through five of the Lease;

(b) For lease years eleven through fifteen, Lessee shall pay Lessor annually the sum of Six Thousand Six Hundred Fifteen Dollars and No Cents (\$6,615.00), which sum represents a 5% increase over the rental paid during years six through ten of the Lease;

(c) For lease years sixteen through twenty, Lessee shall pay Lessor annually the sum of Six Thousand Nine Hundred Forty-Five Dollars and Seventy-Five Cents (\$6,945.75), which sum represents a 5% increase over the rental paid during years eleven through fifteen of the Lease; and

(d) For lease years twenty-one through twenty-five, Lessee shall pay Lessor annually the sum of Seven Thousand Two Hundred Ninety-Three Dollars and Four Cents (\$7,293.04), which sum represents a 5% increase over the rental paid during years sixteen through twenty of the Lease.

4. Rental – Additional Term. In the event this Lease is extended for the Additional Term (being an additional twenty-five (25) years), Lessee shall pay Lessor, annually and in advance beginning on the twenty-sixth year

anniversary date of the execution of this Lease, the sum of Nine Thousand One Hundred Sixteen Dollars and Thirty Cents (\$9,116.30), which sum represents a 25% increase in the annual rental paid during years twenty-one through twenty-five of the Initial Term, provided however, that after the fifth year of the Additional Term, Lessor shall receive the following increases in the annual rental:

(a) For lease years six through ten of the Additional Term, Lessee shall pay Lessor annually the sum of Nine Thousand Five Hundred Seventy-Two Dollars and Eleven Cents (\$9,572.11), which sum represents a 5% increase over the rental paid during years one through five of the Additional Term of the Lease;

(b) For lease years eleven through fifteen of the Additional Term, Lessee shall pay Lessor annually the sum of Ten Thousand Fifty Dollars and Seventy-One Cents (\$10,050.71), which sum represents a 5% increase over the rental paid during years six through ten of the Additional Term of the Lease;

(c) For lease years sixteen through twenty of the Additional Term, Lessee shall pay Lessor annually the sum of Ten Thousand Five Hundred Fifty-Three Dollars and Twenty-Four Cents (\$10,553.24), which sum represents a 5% increase over the rental paid during years eleven through fifteen of the Additional Term of the Lease; and

(d) For lease years twenty-one through twenty-five of the Additional Term, Lessee shall pay Lessor annually the sum of Eleven Thousand Eighty Dollars and Ninety Cents (\$11,080.90), which sum represents a 5% increase over the rental paid during years sixteen through twenty of the Additional Term of the Lease.

5. Use of Premises. Lessee shall have the exclusive right and privilege of the use of the Leased Premises for the purpose of constructing buildings, towers and other related facilities, including but not limited to, telephone lines, coaxial lines, power lines and the installation of any and all other equipment deemed necessary by Lessee to receive and transmit any and all electronic signals in the rural service area now or hereafter to be served by the facility. The parties hereto recognize that technology in the communications field is advancing at a rapid rate and that this site may be used for any other purpose now in the developmental stage or which may later be developed in the communications industry to carry out the objectives of Lessee, that being to transmit and receive signals and communications by wire, fiber optics, radio

and satellite. Lessee shall not use the Leased Premises for purposes other than as a site for communications by the use of methods now or hereafter known.

6. Indemnity. Lessee agrees to indemnify and save harmless Lessor from any liability by virtue of Lessee's activities upon the Leased Premises or in the exercise of any rights and privileges granted herein, specifically including but not limited to, any claim, loss, fine, penalty and costs (including reasonable attorney's fees) arising out of any violation of any environmental laws or regulations. This provision shall survive the termination of the Lease. Lessee shall maintain and keep in full force and effect public liability and property damage insurance in an amount of at least One Million Dollars (\$1,000,000.00). Lessor shall not be held liable for personal injury or property damage on the Leased Premises whether or not associated with Lessee.

7. Miscellaneous Provisions. Lessee shall keep and maintain the Leased Premises in a neat and orderly manner and clear and free of litter and debris.

8. Notices. All notices, demands or other writings in this Lease required or permitted to be given hereunder shall be made in writing and deposited in the United States Mail, certified and postage prepaid, to Lessor and Lessee at the addresses stated in the preamble to this Lease. Such addresses may be changed by written notice as provided herein.

9. Successors and Assigns. This Lease shall be binding upon the parties hereto, their heirs, successors, executors, and assigns.

IN TESTIMONY WHEREOF, witness the signatures of the parties hereto this the day and year first above written.

**DEED DESCRIPTION
FOR SUB DIVISION OF
Property of
Mickey & Vicky Amburgey**

Betty Troublesome Creek
Near Brinkley in Knott County
June 14, 2010

A portion of the property lying within the tract of land located on the ridge between the head of Betty Troublesome Creek and Smiths Branch of Carr fork in Knott County Kentucky, near the community of Brinkley. Being a part of the property conveyed by deed from Buster Amburgey and Rachel Amburgey to Mickey Amburgey and Vicky Amburgey of Litt Carr Ky on 7/22/03 and recorded in Deed Book 114 Page 156 of the Knott County Court and re-recorded May 7, 2010 in Deed Book 252 page 357.

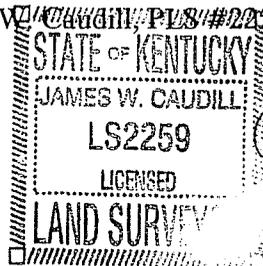

Lot A1

Unless stated otherwise, any monument referred to herein as "set iron pin with cap" is a set 1/2" diameter rebar, at least eighteen (18") in length, with a plastic cap stamped "LS-2259". All bearings stated herein are referred to the NAD83 KY South State Plane north. This survey preformed by James W. Caudill, LS2259, on June 14, 2010.

Beginning on a set iron pin as agreed by adjacent property owners on top of the knob, being a common point on the lines of Gary L. & Deborah S. Amburgey (book 216 page 724) and Mickey & Vicky Amburgey (deed book 214 page 648); thence leaving the common property line and severing the property of Mickey & Vicky Amburgey, running over the hill, South 82 deg 57 min 34 sec East, 66.05 feet to a set iron pin with cap marked LS2259 on hillside, then around the hill South 07 deg 26 min 58 sec East, 147.38 feet to a set iron pin with cap marked LS2259 on the hillside; thence over the end of the point South 88 deg 12 min 59 sec West, 77.43 feet to a set long nail in ground, North 87 deg 56 min 19 sec West, 63.70 feet to a set iron pin with cap marked LS2259 on hillside, then around the hill North 04 deg 40 min 58 sec West, 175.20 feet to a set iron pin with cap marked LS2259 on Hillside on the dividing line between Gary L. & Deborah S. Amburgey and Mickey & Vicky Amburgey; thence running up the hill with the dividing line South 74 deg 00min 00 sec East, 73.54 feet to the point of beginning.

Containing a calculated area of 21786 sq ft or 0.50 acres.

This according to a survey by James W. Caudill, PLS #2259, on June 14, 2010.

James W. Caudill
