RE: Kentucky Power Company's Second Amended Notice of Intent to File Application for Approval of 2011 Environmental Compliance Plan and Environmental Surcharge Recovery and Related Relief in PSC Case No. 2011-00401

Dear Mr. Derouen:

In a letter dated October 28, 2011, Kentucky Power Company gave notice of its intent to file an application pursuant to KRS 278.183 on or after November 21, 2011. Kentucky Power amends that notice to state it intends to file its application on or after December 5, 2011.

As stated in the original notice, Kentucky Power's application will request approval of its 2011 Environmental Compliance Plan, and it will seek to amend Kentucky Power's existing tariffs to recover the Plan's costs. Additionally, the application will seek a Certificate of Public Convenience and Necessity pursuant to KRS 278.020(1) to construct or acquire the facilities associated with the Plan.

If you have any questions or require further information, please contact me at (502) 223-3477.

Sincerely,

STITES & HARBISON, PLLC
