Re: Kentucky Power Company (Environmental Compliance Plan)
Clarification of Confidential materials (Errata of Fisher and Hornby Testimonies)
PSC Reference – Case No. 2011-00401

Dear Mr. Childers:

The Public Service Commission received on April 12, 2012, your Notice of Errata to Dr. Jeremy Fisher and James R. Hornby's Direct Testimonies wherein you clarify that the materials marked "Confidential" attached contain information that was the subject of a Petition for Confidential Treatment filed by Kentucky Power on January 27, 2012 (posted to PSC web 1-30-12). The Commission granted confidential protection on February 24, 2012 to Kentucky Power's Petition and Amended Petition filed February 7, 2012. Therefore, the materials marked "Confidential" filed as attachments to your Notice of Errata will remain in a non-public part of the Commission's records in this case. The procedure for usage of confidential materials during formal proceedings may be found at Section 7(8) of 807 KAR 5:001.

Thank you for your clarification of the confidential materials. Please send a clarification letter for any future filings using materials deemed confidential by another party in the action to avoid any confusion.

Sincerely,

A handwritten signature in black ink, appearing to read "Jeff Derouen".
