Re: *In the Matter of: An Examination by the Public Service Commission of the Environmental Surcharge Mechanism of Big Rivers Electric Corporation for the Six-Month Billing Period Ending January 31, 2013 and the Pass Through Mechanism of its Three Member Distribution Cooperatives*, PSC Case No. 2013-00139

Dear Mr. Derouen:

Enclosed for filing are an original and seven copies of Big Rivers Electric Corporation's ("Big Rivers") revision to Page 1 of 3 of the attachment provided in response to Item 3 of the Commission Staff's Initial Request for Information dated May 7, 2013. Big Rivers' filed its original response on May 24, 2013. There are no changes to the information provided in the original filing. However, Big Rivers discovered that certain totals on Page 1 of 3 were not printing legibly. This revised Page 1 of 3 corrects that problem.

Please confirm the Commission's receipt of this revision by placing the Commission's date stamp on the additional copy provided and returning it to Big Rivers in the self-addressed, postage-paid envelope provided.

Sincerely yours,

Tyson Kamuf
