

Dec. 20, 2013

To Public Service Commission

Please don't let Big Rivers Electric Corp. increase our electric rates.

We can't help it that they lost a big customer. They need to

work on getting another big customer

I'm 75 and on fixed income,

they don't need to penalize us for this.

This isn't right for them to

treat us this way please help us.

Thanks,

LAVENIA PARRISH
