WHOLESALE SWITCH PORT AND COMPLEX WHOLESALE LOCAL PLATFORM COMMERCIAL AGREEMENT

This Commercial Agreement ("Agreement") is made by and between one or more of the AT&T, Inc. owned ILECs hereinafter referred to as BellSouth Telecommunications, Inc. d/b/a AT&T Alabama, AT&T Florida AT&T Georgia, AT&T Kentucky, AT&T Louisiana, AT&T Mississippi, AT&T North Carolina, AT&T South Carolina, and AT&T Tennessee ("AT&T"), (only to the extent that the agent for each such AT&T-owned ILEC executes this Agreement for such AT&T Inc. owned ILEC and only to the extent that such AT&T Inc. owned ILEC provides Telephone Exchange Services as an ILEC in each of the state(s) listed below) and Covista, Inc. ("CARRIER", also referenced as "Covista"), a New Jersey Corporation, (referred to herein collectively as, the "Parties"; each, a "Party"), and shall apply to the States of Alabama, Florida, Georgia, Kentucky, Louisiana, Mississippi, North Carolina and Tennessee. This Agreement sets forth the rates, terms and conditions under which AT&T SOUTHEAST REGION 9-STATE agrees to provide CARRIER and shall be effective on the Effective Date, as defined herein.

WITNESSETH

WHEREAS, AT&T SOUTHEAST REGION 9-STATE is a local exchange telecommunications company authorized to provide Telecommunications Services in the States of Alabama, Florida, Georgia, Kentucky, Louisiana, Mississippi, North Carolina, South Carolina and Tennessee; and

WHEREAS, CARRIER is or seeks to become a Competitive Local Exchange Carrier (CLEC) authorized to provide Telecommunications Services in the States of Alabama, Florida, Georgia, Kentucky, Louisiana, Mississippi, North Carolina, South Carolina and Tennessee; and

WHEREAS, AT&T SOUTHEAST REGION 9-STATE desires to provide and CARRIER desires to purchase certain Services;

NOW, THEREFORE, in consideration of the mutual agreements contained herein, AT&T SOUTHEAST REGION 9-STATE and CARRIER agree as follows:

1.0 Definitions

- 1.1 "Affiliate" is defined as a person that (directly or indirectly) owns or controls, is owned or controlled by, or is under common ownership or control with, another person. For purposes of this paragraph, the term "own" means to own an equity interest (or equivalent thereof) of more than 10 percent.
- 1.2 "**AT&T SOUTHEAST REGION 9-STATE**" means the AT&T-owned ILEC(s) doing business in Alabama, Florida, Georgia, Kentucky, Louisiana, Mississippi, North Carolina, South Carolina, and Tennessee.
- 1.3 "Commission" is defined as the appropriate regulatory agency in each state of **AT&T SOUTHEAST REGION 9-STATE**'s nine-state region (Alabama, Florida, Georgia, Kentucky, Louisiana, Mississippi, North Carolina, South Carolina, and Tennessee).
- 1.4 "Competitive Local Exchange Carrier (CLEC)" means a telephone company certificated by the Commission to provide local exchange service within **AT&T SOUTHEAST REGION 9-STATE**'s franchised area.
- 1.5 "Effective Date": The Parties agree that the effective date of this agreement, provided that the agreement is executed by the CLEC by June 21, 2009, will be July 1, 2009 (the "Effective Date").
- 1.6 "End User" means the ultimate user of the Telecommunications Service.
- 1.7 "FCC" means the Federal Communications Commission.
- 1.8 "General Terms and Conditions" means this document including all of the terms, provisions and conditions set forth herein.

- 1.9 "Telecommunications" means the transmission, between or among points specified by the user, of information of the user's choosing, without change in the form or content of the information as sent and received.
- 1.10 "Telecommunications Service" means the offering of telecommunications for a fee directly to the public, or to such classes of users as to be effectively available directly to the public, regardless of the facilities used.
- 1.11 "Telecommunications Act of 1996 (Act)" means Public Law 104-104 of the United States Congress effective February 8, 1996. The Act amended the Communications Act of 1934 (47 U.S.C. Section 1 et. seq.).

2.0 Scope of this Agreement

- 2.1 This Agreement sets forth the obligations of each Party with respect to AT&T SOUTHEAST REGION 9-STATE's provision of certain services, as described herein, to CARRIER (Service(s)).
- 2.2 Notwithstanding Section 23 below, the Parties acknowledge that this Agreement is intended to be governed by the provisions of 47 U.S.C. §§ 201, 202 and 271. The Parties acknowledge that this Agreement is subject to the exclusive jurisdiction of the FCC. To the extent any other regulatory agency seeks to exert jurisdiction over this Agreement, any entity seeks to have any other regulatory agency exert jurisdiction over this Agreement, or any entity seeks to subject this Agreement to any rates, terms, or conditions not specified herein, AT&T SOUTHEAST REGION 9-STATE shall have the right to terminate this Agreement upon fifteen (15) days notice to CARRIER.

3.0 CLEC Certification

- 3.1 Prior to execution of this Agreement, CARRIER agrees to provide AT&T SOUTHEAST REGION 9-STATE in writing CARRIER's CLEC certification for all states covered by this Agreement except Kentucky. Should CARRIER's certification in any state be rescinded or otherwise terminated, AT&T SOUTHEAST REGION 9-STATE may, at its election, terminate this Agreement immediately and all monies owed on all outstanding invoices shall become due, or AT&T SOUTHEAST REGION 9-STATE may refuse to provide Services hereunder in that state until certification is reinstated in that state. CARRIER shall provide an effective certification to do business, as issued by the Secretary of State, or equivalent authority, in each state covered by this Agreement.
- 3.2 To the extent CARRIER is not certified as a CLEC in any state covered by this Agreement as of the execution hereof, CARRIER may not purchase Services under this Agreement in that state. CARRIER will notify AT&T SOUTHEAST REGION 9-STATE in writing and provide CLEC certification when it becomes certified to operate in any other state covered by this Agreement and, upon receipt thereof, CARRIER may thereafter purchase Services pursuant to this Agreement in that state.

4.0 Term and Termination of the Agreement

- 4.1 The term of this Agreement shall commence on the Effective Date and shall apply to the AT&T SOUTHEAST REGION 9-STATE territory in the States of Alabama, Florida, Georgia, Kentucky, Louisiana, Mississippi, North Carolina, South Carolina and Tennessee. It shall continue in effect thereafter until December 31, 2009.
- 4.2 The Parties agree that no earlier than one hundred eighty (180) days and no later than one hundred twenty (120) days prior to the expiration of this Agreement, they may mutually agree to commence negotiations for a new agreement to be effective beginning on the expiration date of this Agreement. Alternatively, the Parties shall develop a transition plan to ensure a full transition of all Services on December 31, 2009. In the event the Parties are unable to agree upon a transition plan, AT&T SOUTHEAST REGION 9-STATE may, at its discretion, terminate all or any of the Services at any time after December 31, 2009. In such event, the rates, terms and conditions hereof shall continue to apply to such Services after December 31, 2009, to the date such Services are actually terminated.
- 4.3 In addition to as otherwise set forth in this Agreement, AT&T SOUTHEAST REGION 9-STATE reserves the right to suspend or terminate Service in the event of prohibited, unlawful or improper use of AT&T SOUTHEAST REGION 9-STATE facilities or service, or abuse of AT&T SOUTHEAST REGION 9-STATE facilities.
- 4.4 Except as set forth in Attachment 3 regarding failure to pay for Services, if either Party breaches or defaults on any of the terms, conditions, or covenants of this Agreement, the other Party shall give the breaching Party written notice of

such breach or default. If such breach or default is not cured within ten (10) days after such written notice, then in addition to all other rights and remedies at law, in equity or otherwise, the non-breaching Party may terminate this Agreement without any charge, obligation, or liability whatsoever for such breach, except for payment for Services rendered.

- 4.5 Upon AT&T SOUTHEAST REGION 9-STATE's termination of this Agreement as specified in this Section, applicable damages shall be assessed, and CARRIER shall be liable for such charges. Upon termination of this Agreement the terms and conditions of this Agreement shall continue to apply for all Services until the date such Services are actually transitioned from this Agreement, or the date that AT&T SOUTHEAST REGION 9-STATE specifies for the completion of the transition, whichever is earlier, (Transition Period). CARRIER shall not be entitled to place any orders for the purchase of Services or make any changes to the Services other than transitioning the Services from this Agreement during the Transition Period. At AT&T SOUTHEAST REGION 9-STATE's discretion, the rates in Exhibit A shall apply to all Services during the Transition Period unless such rates have otherwise been applied through imposition of the damages pursuant to Section 9.

5.0 Rates

- 5.1 CARRIER shall pay the rates set forth in Exhibit A of Attachment 1 of this Agreement in addition to any other charges specifically set forth in this Agreement. If no rate is set forth for a Service in this Agreement then AT&T SOUTHEAST REGION 9-STATE's tariff rates shall apply. If no tariff rate exists, then AT&T SOUTHEAST REGION 9-STATE shall not be required to provide such Service until a rate has been established between the Parties. In the event that AT&T SOUTHEAST REGION 9-STATE is unable to bill the applicable rate under this Agreement for any Services provided pursuant to this Agreement, AT&T SOUTHEAST REGION 9-STATE reserves the right to back-bill CARRIER for such rate or for the difference between the rate actually billed and the rate that should have been billed pursuant to this Agreement.

6.0 Service Level Commitment

- 6.1 Upon the Effective Date of this Agreement, AT&T SOUTHEAST REGION 9-STATE's performance under this Agreement for Wholesale Switch Port Services and Complex Wholesale Local Platform Services shall be governed by the service level commitments (SLCs) set forth in this Agreement. Except as otherwise stated herein, as of the Effective Date hereof, AT&T SOUTHEAST REGION 9-STATE's performance of this Agreement shall not be subject to any service quality measurement (SQM) plan, payments of remedies in any self-effectuating enforcement mechanism (SEEM) plan or any other penalty plan, performance plan or other similar requirements imposed by a Commission or the FCC. In the event a Commission or the FCC determines that Services provided pursuant to this Agreement are subject to any penalty payment, remedy or service level measure not incorporated in this Agreement, CARRIER, within thirty (30) days of a request from AT&T SOUTHEAST REGION 9-STATE, shall reimburse AT&T SOUTHEAST REGION 9-STATE for any such penalty or other remedy paid by AT&T SOUTHEAST REGION 9-STATE to CARRIER. In the event a Commission or the FCC determines AT&T SOUTHEAST REGION 9-STATE is not entitled to reimbursement of such payment, or AT&T SOUTHEAST REGION 9-STATE is required to pay any penalty, remedies or other such payments to a Commission or the FCC, then upon AT&T SOUTHEAST REGION 9-STATE's request, the Parties shall negotiate an amendment to the prices for Services hereunder. The amended prices shall be applied retroactively to the date the SQM/SEEMs, or other penalty or performance plan, is deemed to have applied to the Services set forth herein. As of the date the amended prices are applicable to this Agreement, AT&T SOUTHEAST REGION 9-STATE shall no longer be responsible for measurement of, or payments associated with, the SLCs described in Attachment 4. Further, CARRIER shall reimburse AT&T SOUTHEAST REGION 9-STATE in an amount equal to the total payments from AT&T SOUTHEAST REGION 9-STATE associated with such SLCs paid as of the date such amended prices are applicable. If the Parties are unable to reach an agreement and execute an amendment within thirty (30) days after AT&T SOUTHEAST REGION 9-STATE's request, AT&T SOUTHEAST REGION 9-STATE may terminate this Agreement in any affected state(s) upon fifteen (15) days written notice to CARRIER. SLCs and consequences for failure to maintain SLCs are as set forth in Attachment 4 of this Agreement.

7.0 Commitment

- 7.1 CARRIER will purchase all port/loop switching combinations and switch ports, or any other services or facilities that have the same or similar function as the Wholesale Switch Port Services and Wholesale Local Platform Services, provided in this Agreement and as applicable, provided by AT&T SOUTHEAST REGION 9-STATE only pursuant to this Agreement. CARRIER will not purchase port/loop combinations or switch ports, or any other services or facilities that have the same or similar function as the Wholesale Switch Port Services and Wholesale Local Platform Services, provided in this Agreement and as applicable, either directly or indirectly, from AT&T SOUTHEAST REGION 9-STATE pursuant to any other agreement, tariff, or otherwise, including from a third party provider if AT&T SOUTHEAST REGION 9-STATE is the underlying network provider. Notwithstanding the foregoing, this Agreement does not prohibit CARRIER from (1) purchasing standalone loops, or resale services under an AT&T SOUTHEAST REGION 9-STATE agreement or tariff; (2) purchasing any services from a third party using the third party's own facilities; or (3) using CARRIER's own facilities.
- 7.2 CARRIER will not transition to unbundled network element loops, in the aggregate, more than five percent (5%) of (i) its Wholesale Local Platform Services purchased under this Agreement, and (ii) unbundled loop/port combinations purchased from AT&T SOUTHEAST REGION 9-STATE pursuant to a Section 251 interconnection agreement (UNE-P) lines or Wholesale Local Platform Services lines acquired from third party carriers.
- 7.2.1 In determining whether, at any given point in time, CARRIER has met the five percent (5%) test set forth in Section 7.1 above, the numerator and denominator shall be calculated as follows:
- 7.2.1.1 The numerator consists of all lines that have been transitioned to unbundled network element loops from (i) Wholesale Local Platform Services purchased under this Agreement and (ii) UNE-P lines or Wholesale Local Platform Services lines acquired from third party carriers as described in Section 7.1 above and that at the time the calculation is made are still being served by CARRIER using unbundled network element loops purchased from AT&T SOUTHEAST REGION 9-STATE.
- 7.2.1.2 The denominator consists of all lines that at any time prior to the time that the calculation has been made have been ordered by CARRIER as (i) Wholesale Local Platform Services purchased under this Agreement and (ii) UNE-P lines or Wholesale Local Platform Services lines acquired from third party carriers as described in Section 7.1 above.

8.0 Audits

- 8.1 AT&T SOUTHEAST REGION 9-STATE, in its reasonable discretion and upon no less than ten (10) days notice, may conduct an audit of CARRIER's facilities and records to the extent necessary to confirm compliance with Section 7 above. CARRIER agrees to cooperate with AT&T SOUTHEAST REGION 9-STATE and to provide any information AT&T SOUTHEAST REGION 9-STATE reasonably requests to determine compliance. In the event that the audit reveals noncompliance with the terms of Section 7 above, CARRIER shall reimburse AT&T SOUTHEAST REGION 9-STATE for the costs of the audit and AT&T SOUTHEAST REGION 9-STATE shall have the right to terminate this Agreement pursuant to Section 4 hereof. In the event of such noncompliance, CARRIER's right to cure pursuant to Section 4 includes the obligation to transfer all non-compliant services to Services under this Agreement, in addition to paying AT&T SOUTHEAST REGION 9-STATE the rates set forth in this Agreement for the services that should have been purchased pursuant to this Agreement from the date of the transfer of such services to this Agreement, or the date such service is terminated, whichever is later.

9.0 Damages

- 9.1 The Parties recognize that in the event of CARRIER's breach of this Agreement, damages are difficult, if not impossible, to ascertain, particularly in light of the uncertainty regarding FCC rules and court orders applicable to the Parties and the telecommunications industry. The Parties have included the following terms as a liquidated damages provision pursuant to O.C.G.A. § 13-6-7. Such damages constitute a reasonable estimate of actual damages and are not intended by either Party to be a penalty. Except as otherwise stated herein, neither Party may terminate this Agreement prior to expiration of the term hereof except as expressly permitted elsewhere in this Agreement. If CARRIER terminates this Agreement for any reason other than AT&T SOUTHEAST REGION 9-STATE's material

breach hereof, prior to the expiration hereof, or if AT&T SOUTHEAST REGION 9-STATE terminates this Agreement for CARRIER's material breach, the total amount of damages due AT&T SOUTHEAST REGION 9-STATE shall be the greater of (1) the number of Wholesale Switch Port Services and Wholesale Local Platform Services in service at the time of breach; or (2) the number of Wholesale Switch Port Services and Wholesale Local Platform Services in service at the time of termination, multiplied by, for each month and partial month remaining in the term of the Agreement subsequent to the termination, the applicable fixed monthly recurring charges for such Services that CARRIER would have been obligated to pay AT&T SOUTHEAST REGION 9-STATE had the Agreement not been terminated.

10.0 Court Ordered Requests for Call Detail Records and Other Subscriber Information

- 10.1 Subpoenas Directed to AT&T SOUTHEAST REGION 9-STATE. Where AT&T SOUTHEAST REGION 9-STATE provides the Services for CARRIER, AT&T SOUTHEAST REGION 9-STATE shall respond to subpoenas and court ordered requests delivered directly to AT&T SOUTHEAST REGION 9-STATE for the purpose of providing call detail records when the targeted telephone numbers belong to CARRIER's End Users. Billing for such requests will be generated by AT&T SOUTHEAST REGION 9-STATE and directed to the law enforcement agency initiating the request. AT&T SOUTHEAST REGION 9-STATE shall maintain such information for CARRIER End Users for the same length of time it maintains such information for its own End Users.
- 10.2 Subpoenas Directed to Customer. Where AT&T SOUTHEAST REGION 9-STATE is providing to CARRIER Services, then CARRIER agrees that in those cases where CARRIER receives subpoenas or court ordered requests regarding targeted telephone numbers belonging to CARRIER's End Users, and where CARRIER does not have the requested information, CARRIER will advise the law enforcement agency initiating the request to redirect the subpoena or court ordered request to AT&T SOUTHEAST REGION 9-STATE for handling in accordance with Section 10.1 above.
- 10.3 In all other instances, where either Party receives a request for information involving the other Party's End User, the Party receiving the request will advise the law enforcement agency initiating the request to redirect such request to the other Party.

11.0 Liability and Indemnification

- 11.1 Customer Liability. In the event that CARRIER consists of two (2) or more separate entities as set forth in this Agreement and/or any Amendments hereto, or any third party requests Services under this Agreement using CARRIER's codes, all such entities shall be jointly and severally liable for the obligations of CARRIER under this Agreement.
- 11.2 Liability for Acts or Omissions of Third Parties. AT&T SOUTHEAST REGION 9-STATE shall not be liable to CARRIER for any act or omission of another entity providing services to CARRIER.
- 11.3 Limitation of Liability. Except for any indemnification obligations of the Parties hereunder, AT&T SOUTHEAST REGION 9-STATE's liability to CARRIER for any loss, cost, claim, injury, liability or expense, including reasonable attorneys' fees relating to or arising out of any cause whatsoever, whether based in contract, negligence or other tort, strict liability or otherwise, relating to the performance of this Agreement, shall not exceed a credit for the actual cost of the Services not performed or improperly performed. Any amounts paid to CARRIER pursuant to Attachment 4 hereof shall be credited against any damages otherwise payable to CARRIER pursuant to this Agreement.
- 11.3.1 Limitations in Tariffs. CARRIER may, in its sole discretion, provide in its tariffs and contracts with its End Users and third parties that relate to any Service provided or contemplated under this Agreement, that, to the maximum extent permitted by applicable law, CARRIER shall not be liable to the End User or third party for (i) any loss relating to or arising out of this Agreement, whether in contract, tort or otherwise, that exceeds the amount CARRIER would have charged that applicable person for the service that gave rise to such loss and (ii) indirect, incidental or consequential damages. To the extent that CARRIER elects not to place in its tariffs or contracts such limitations of liability, and AT&T SOUTHEAST REGION 9-STATE incurs a loss as a result thereof, CARRIER shall indemnify and reimburse AT&T SOUTHEAST REGION 9-STATE for that portion of the loss that would have been limited had CARRIER included in its tariffs and contracts the

limitations of liability that AT&T SOUTHEAST REGION 9-STATE included in its own tariffs at the time of such loss, except to the extent caused by AT&T SOUTHEAST REGION 9-STATE's gross negligence or willful misconduct.

- 11.3.2 AT&T SOUTHEAST REGION 9-STATE shall not be liable for damages to CARRIER's terminal location, equipment or End User premises resulting from the furnishing of a Service, including, but not limited to, the installation and removal of equipment or associated wiring, except to the extent caused by AT&T SOUTHEAST REGION 9-STATE's negligence or willful misconduct.
- 11.3.3 Under no circumstance shall AT&T SOUTHEAST REGION 9-STATE be responsible or liable for indirect, incidental, or consequential damages, including, but not limited to, economic loss or lost business or profits, damages arising from the use or performance of equipment or software, or the loss of use of software or equipment, or accessories attached thereto, delay, error, or loss of data. In connection with this limitation of liability, CARRIER recognizes that AT&T SOUTHEAST REGION 9-STATE may, from time to time, provide advice, make recommendations, or supply other analyses related to the Services described in this Agreement, and, while AT&T SOUTHEAST REGION 9-STATE shall use diligent efforts in this regard, CARRIER acknowledges and agrees that this limitation of liability shall apply to the provision of such advice, recommendations, and analyses.
- 11.3.4 To the extent any specific provision of this Agreement purports to impose liability, or limitation of liability, on AT&T SOUTHEAST REGION 9-STATE different from or in conflict with the liability or limitation of liability set forth in this Section, then with respect to any facts or circumstances covered by such specific provisions, the liability or limitation of liability contained in such specific provision shall apply.

11.4 Indemnification for Certain Claims. Except to the extent caused by AT&T SOUTHEAST REGION 9-STATE's gross negligence or willful misconduct, AT&T SOUTHEAST REGION 9-STATE, its Affiliates, parent company and their employees and agents, shall be indemnified, defended and held harmless by CARRIER against any claim, loss or damage arising from CARRIER's use of the Services provided under this Agreement pertaining to (1) claims for libel, slander or invasion of privacy arising from the content of CARRIER's own communications, or (2) any claim, loss or damage claimed by the End User of CARRIER arising from such End User's use or reliance on AT&T SOUTHEAST REGION 9-STATE's Services, actions, duties, or obligations arising out of this Agreement.

11.5 Disclaimer. EXCEPT AS SPECIFICALLY PROVIDED TO THE CONTRARY IN THIS AGREEMENT, AT&T SOUTHEAST REGION 9-STATE MAKES NO REPRESENTATIONS OR WARRANTIES TO CARRIER CONCERNING THE SPECIFIC QUALITY OF ANY SERVICES, OR FACILITIES PROVIDED UNDER THIS AGREEMENT. CARRIER DISCLAIMS, WITHOUT LIMITATION, ANY WARRANTY OR GUARANTEE OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, ARISING FROM COURSE OF PERFORMANCE, COURSE OF DEALING, OR FROM USAGES OF TRADE.

12.0 Intellectual Property Rights and Indemnification

12.1 No License. No patent, copyright, trademark or other proprietary right is licensed, granted or otherwise transferred by this Agreement. The Parties are strictly prohibited from any use, including but not limited to, in the selling, marketing, promoting or advertising of Telecommunications Services, of any name, service mark, logo or trademark (collectively, the "Marks") of the other Party. The Marks include those Marks owned directly by a Party or its Affiliate(s) and those Marks that a Party has a legal and valid license to use. The Parties acknowledge that they are separate and distinct and that each provides a separate and distinct service and agree that neither Party may, expressly or impliedly, state, advertise or market that it is or offers the same service as the other Party or engage in any other activity that may result in a likelihood of confusion between its own service and the service of the other Party.

12.2 Ownership of Intellectual Property. Any intellectual property that originates from or is developed by a Party shall remain the exclusive property of that Party. Except for a limited, non-assignable, non-exclusive, non-transferable license to use patents or copyrights to the extent necessary for the Parties to use any facilities or equipment (including software) or to receive any Service solely as provided under this Agreement, no license in patent, copyright, trademark or trade secret, or other proprietary or intellectual property right, now or hereafter owned,

controlled or licensable by a Party, is granted to the other Party. Neither shall it be implied nor arise by estoppel. Any trademark, copyright or other proprietary notices appearing in association with the use of any facilities or equipment (including software) shall remain on the documentation, material, product, service, equipment or software. It is the responsibility of each Party to ensure at no additional cost to the other Party that it has obtained any necessary licenses in relation to intellectual property of third parties used in its network that may be required to enable the other Party to use any facilities or equipment (including software), to receive any service, or to perform its respective obligations under this Agreement.

12.3 Intellectual Property Remedies

12.3.1 Indemnification. The Party providing a Service pursuant to this Agreement will defend the Party receiving such Service or data provided as a result of such Service against claims of infringement arising solely from the use by the receiving Party of such Service in the manner contemplated under this Agreement and will indemnify the receiving Party for any damages awarded based solely on such claims in accordance with Section 11 preceding.

12.3.2 Claim of Infringement. In the event that use of any facilities or equipment (including software), becomes, or in the reasonable judgment of AT&T SOUTHEAST REGION 9-STATE is likely to become, the subject of a third party claim, action, suit, or proceeding based on intellectual property infringement, then AT&T SOUTHEAST REGION 9-STATE shall have the right to terminate, upon reasonable notice, this Agreement with respect to use of, or Services provided through use of, the affected facilities or equipment (including software), but solely to the extent required to avoid the infringement claim.

12.3.3 Exception to Obligations. Neither Party's obligations under this Section shall apply to the extent the infringement is caused by: (i) modification of the facilities or equipment (including software) by the indemnitee; (ii) use by the indemnitee of the facilities or equipment (including software) in combination with equipment or facilities (including software) not provided or authorized by the indemnitor, provided the facilities or equipment (including software) would not be infringing if used alone; (iii) conformance to specifications of the indemnitee which would necessarily result in infringement; or (iv) continued use by the indemnitee of the affected facilities or equipment (including software) after being placed on notice to discontinue use as set forth herein.

12.3.4 Exclusive Remedy. The foregoing shall constitute the Parties' sole and exclusive remedies and obligations with respect to a third party claim of intellectual property infringement arising out of the conduct of business under this Agreement.

13.0 Proprietary and Confidential Information

13.1 Proprietary and Confidential Information. It may be necessary for AT&T SOUTHEAST REGION 9-STATE and CARRIER, each as the "Discloser", to provide to the other Party, as "Recipient", certain proprietary and confidential information (including trade secret information) including but not limited to technical, financial, marketing, staffing and business plans and information, strategic information, proposals, request for proposals, specifications, drawings, maps, prices, costs, costing methodologies, procedures, processes, business systems, software programs, techniques, customer account data, call detail records and like information (collectively the "Information"). All such Information conveyed in writing or other tangible form shall be clearly marked with a confidential or proprietary legend. Information conveyed orally by the Discloser to Recipient shall be designated as proprietary and confidential at the time of such oral conveyance, shall be reduced to writing by the Discloser within forty-five (45) days thereafter, and shall be clearly marked with a confidential or proprietary legend.

13.2 Use and Protection of Information. Recipient agrees to protect such Information of the Discloser provided to Recipient from whatever source from distribution, disclosure or dissemination to anyone except employees of Recipient with a need to know such Information solely in conjunction with Recipient's analysis of the Information and for no other purpose except as authorized herein or as otherwise authorized in writing by the Discloser. Recipient will not make any copies of the Information inspected by it.

13.3 Exceptions. Recipient will not have an obligation to protect any portion of the Information which:

13.3.1 (a) is made publicly available by the Discloser or lawfully by a non-Party to this Agreement; (b) is lawfully obtained by Recipient from any source other than Discloser; (c) is previously known to Recipient without an obligation to keep it confidential; or (d) is released from the terms of this Agreement by Discloser upon written notice to Recipient.

13.4 Recipient agrees not to publish or use the Information for any advertising, sales or marketing promotions, press releases, or publicity matters that refer either directly or indirectly to the Information or to the Discloser or any of its affiliated companies.

13.5 The disclosure of Information neither grants nor implies any license to the Recipient under any trademark, patent, copyright, application or other intellectual property right that is now or may hereafter be owned by the Discloser.

13.6 Survival of Confidentiality Obligations. The Parties' rights and obligations under this Section 13 shall survive and continue in effect until two (2) years after the expiration or termination date of this Agreement with regard to all Information exchanged during the term of this Agreement. Thereafter, the Parties' rights and obligations hereunder survive and continue in effect with respect to any Information that is a trade secret under applicable law.

14.0 Dispute Resolution

14.1 Finality of Disputes

14.1.1 Except as otherwise specifically provided for in this Agreement, no claim may be brought for any dispute arising from this Agreement more than twenty-four (24) months from the date the occurrence which gives rise to the dispute is discovered or reasonably should have been discovered with the exercise of due care and attention.

14.1.2 Notwithstanding anything contained in this Agreement to the contrary, a Party shall be entitled to dispute only those charges which appeared on a bill dated within the twelve (12) months immediately preceding the date on which the Billing Party received notice of such Disputed Amounts.

14.2 Alternative to Litigation:

14.2.1 The Parties desire to resolve disputes arising out of this Agreement without litigation. Accordingly, the Parties agree to use the following Dispute Resolution procedures with respect to any controversy or claim arising out of or relating to this Agreement or its breach.

14.3 Commencing Dispute Resolution:

14.3.1 Dispute Resolution shall commence upon one Party's receipt of written Notice of a controversy or claim arising out of or relating to this Agreement or its breach. No Party may pursue any claim unless such written Notice has first been given to the other Party. There are three (3) separate Dispute Resolution methods:

14.3.1.1 Service Center Dispute Resolution;

14.3.1.2 Informal Dispute Resolution; and

14.3.1.3 Formal Dispute Resolution, each of which is described below.

14.4 Service Center Dispute Resolution - the following Dispute Resolution procedures will apply with respect to any billing dispute arising out of or relating to the Agreement. Written Notice sent to AT&T SOUTHEAST REGION 9-STATE for Disputed Amounts must be made on the "Billing Claims Dispute Form".

14.4.1 If the written Notice given pursuant to Section 14.3 above discloses that the dispute relates to billing, then the procedures set forth in Section 12.3 above shall be used.

14.4.2 For a dispute submitted by the CARRIER, the dispute shall first be processed by the appropriate service center for resolution.

14.4.3 In order to resolve a billing dispute, the Disputing Party shall furnish the other Party written Notice of:

14.4.3.1 the date of the bill in question;

- 14.4.3.2 the account number or other identification (CARRIER must provide the CBA/ESBA/ASBS or BAN number) of the bill in question;
- 14.4.3.3 telephone number, circuit ID number or trunk number in question;
- 14.4.3.4 any USOC (or other descriptive information) information relating to the item questioned'
- 14.4.3.5 amount billed;
- 14.4.3.6 amount in question, and
- 14.4.3.7 the reason that the Disputing Party disputes the billed amount.

- 14.4.4 When CARRIER is the Disputing Party, CARRIER must provide evidence to **AT&T SOUTHEAST REGION 9-STATE** that it has either paid the disputed amount or established an interest bearing escrow account that complies with the requirements set forth in Section 2.4 in Attachment 3 of this Agreement and deposited all Unpaid Charges relating to Products and/or Services provided under this Agreement into that escrow account in order for that billing claim to be deemed a "dispute". Failure to provide the information and evidence required by this Section 14.0 not later than twenty-nine (29) calendar days following the Bill Due Date shall constitute CARRIER's irrevocable and full waiver of its right to dispute the subject charges.
- 14.4.5 The Parties shall attempt to resolve Disputed Amounts appearing on current billing statements thirty (30) to sixty (60) calendar days from the Bill Due Date (provided the Disputing Party furnishes all requisite information and evidence under Section 13.4 above by the Bill Due Date). If not resolved within thirty (30) calendar days, upon request, the non-Disputing Party will notify the Disputing Party of the status of the dispute and the expected resolution date.
- 14.4.6 The Parties shall attempt to resolve Disputed Amounts appearing on statements prior to the current billing statement within thirty (30) to ninety (90) calendar days, but resolution may take longer depending on the complexity of the dispute. If not resolved within thirty (30) calendar days from the date Notice of the Disputed Amounts was received (provided that CARRIER furnishes all requisite information and evidence under Section 14.4 above, upon request, the non-Disputing Party will notify the Disputing Party of the status of the dispute and the expected resolution date.
- 14.4.7 If the Disputing Party is not satisfied by the resolution of the billing dispute under Section 14.4 above, the Disputing Party may notify the Billing Party in writing that it wishes to invoke the Informal Resolution of Disputes afforded pursuant to Section 14.5 below of this Agreement.

14.5 Informal Dispute Resolution:

- 14.5.1 Upon receipt by one Party of Notice of a dispute by the other Party pursuant to Section 14.3 above or Section 14.4.7 above, each Party will appoint a knowledgeable, responsible representative to meet and negotiate in good faith to resolve any dispute arising under this Agreement. The location, form, frequency, duration, and conclusion of these discussions will be left to the discretion of the representatives. Upon agreement, the representatives may utilize other alternative Dispute Resolution procedures such as mediation to assist in the negotiations. Discussions and the correspondence among the representatives for purposes of settlement are exempt from discovery and production and will not be admissible in the arbitration described below or in any lawsuit without the concurrence of both Parties. Documents identified in or provided with such communications that were not prepared for purposes of the negotiations are not so exempted, and, if otherwise admissible, may be admitted in evidence in the arbitration or lawsuit.

14.6 Formal Dispute Resolution:

- 14.6.1 If the Parties are unable to resolve the dispute through the informal procedure described in Section 14.5 above, then either Party may invoke the formal Dispute Resolution procedures described in this Section 14.6. Unless agreed among all Parties, formal Dispute Resolution procedures, including arbitration or other procedures as appropriate, may be invoked not earlier than sixty (60) calendar days after receipt of the letter initiating Dispute Resolution under Section 14.3 above.

14.6.2 Claims Subject to Mandatory Arbitration:

14.6.2.1 The following claims, if not settled through informal Dispute Resolution, will be subject to mandatory arbitration pursuant to Section 14.7 below:

14.6.2.2 Each unresolved billing dispute involving one percent (1%) or less of the amounts charged to the Disputing Party under this Agreement in the state in which the dispute arises during the twelve (12) months immediately preceding receipt of the letter initiating Dispute Resolution under Section 14.3 above. If the disputing Party has not been billed for a minimum of twelve (12) months immediately preceding receipt of the letter initiating Dispute Resolution under Section 14.3 above, the Parties will annualize the actual number of months billed.

14.6.3 Claims Subject to Elective Arbitration:

14.6.3.1 Claims will be subject to elective arbitration pursuant to Section 14.7 below, if, and only if, the claim is not settled through informal Dispute Resolution and both Parties agree to arbitration. If both Parties do not agree to arbitration, then either Party may proceed with any remedy available to it pursuant to law, equity or agency mechanism.

14.6.4 Claims Not Subject to Arbitration:

14.6.4.1 If the following claims are not resolved through informal Dispute Resolution, they will not be subject to arbitration and must be resolved through any remedy available to a Party pursuant to law, equity or agency mechanism.

14.6.4.2 Actions seeking a temporary restraining order or an injunction related to the purposes of this Agreement.

14.6.4.3 Actions to compel compliance with the Dispute Resolution process.

14.6.4.4 All claims arising under federal or state statute(s), including antitrust claims.

14.7 Arbitration:

14.7.1 Disputes subject to mandatory or elective arbitration under the provisions of this Agreement will be submitted to a single arbitrator pursuant to the Commercial Arbitration Rules of the American Arbitration Association or pursuant to such other provider of arbitration services or rules as the Parties may agree. The arbitrator shall be knowledgeable of telecommunications issues. Each arbitration will be held in Atlanta, Georgia unless the Parties agree otherwise. The arbitration hearing will be requested to commence within sixty (60) calendar days of the demand for arbitration. The arbitrator will control the scheduling so as to process the matter expeditiously. The Parties may submit written briefs upon a schedule determined by the arbitrator. The Parties will request that the arbitrator rule on the dispute by issuing a written opinion within thirty (30) calendar days after the close of hearings. The Federal Arbitration Act, 9 U.S.C. Secs. 1-16, not state law, shall govern the arbitrability of all disputes. Notwithstanding any rule of the AAA Commercial Arbitration Rules to the contrary, the Parties agree that the arbitrator will have no authority to award punitive damages, exemplary damages, Consequential Damages, multiple damages, or any other damages not measured by the prevailing Party's actual damages, and may not, in any event, make any ruling, finding or award that does not conform to the terms and conditions of this Agreement. The times specified in this Section 13.0 may be extended or shortened upon mutual agreement of the Parties or by the arbitrator upon a showing of good cause. Each Party will bear its own costs of these procedures, including attorneys' fees. The Parties will equally split the fees of the arbitration and the arbitrator. The arbitrator's award shall be final and binding and may be entered in any court having jurisdiction thereof. Judgment upon the award rendered by the arbitrator may be entered in any court having jurisdiction.

15.0 Disclosure

15.1 Notwithstanding anything in this Agreement, upon execution hereof, AT&T SOUTHEAST REGION 9-STATE may use CARRIER's name in connection with a press release relating to the execution of this Agreement. In addition,

AT&T SOUTHEAST REGION 9-STATE shall post this Agreement or file it with the FCC, as appropriate, to the extent such posting or filing may be required in AT&T SOUTHEAST REGION 9-STATE's reasonable discretion.

16.0 Taxes

- 16.1 Definition. For purposes of this Section, the terms "taxes" and "fees" shall include but not be limited to federal, state or local sales, use, excise, gross receipts or other taxes or tax-like fees of whatever nature and however designated (including tariff surcharges and any fees, charges or other payments, contractual or otherwise, for the use of public streets or rights of way, whether designated as franchise fees or otherwise) imposed, or sought to be imposed, on or with respect to the Services furnished hereunder or measured by the charges or payments therefore, excluding any taxes levied on income.
- 16.2 Taxes and Fees Imposed Directly On Either Providing Party or Purchasing Party
- 16.2.1 Taxes and fees imposed on the providing Party, which are not permitted or required to be passed on by the providing Party to its customer, shall be borne and paid by the providing Party.
- 16.2.2 Taxes and fees imposed on the purchasing Party, which are not required to be collected and/or remitted by the providing Party, shall be borne and paid by the purchasing Party.
- 16.3 Taxes and Fees Imposed on Purchasing Party But Collected And Remitted By Providing Party
- 16.3.1 Taxes and fees imposed on the purchasing Party shall be borne by the purchasing Party, even if the obligation to collect and/or remit such taxes or fees is placed on the providing Party.
- 16.3.2 To the extent permitted by applicable law, any such taxes and/or fees shall be shown as separate items on applicable billing documents between the Parties. Notwithstanding the foregoing, the purchasing Party shall remain liable for any such taxes and fees regardless of whether they are actually billed by the providing Party at the time that the respective Service is billed.
- 16.3.3 If the purchasing Party determines that in its opinion any such taxes or fees are not payable, the providing Party shall not bill such taxes or fees to the purchasing Party if the purchasing Party provides written certification, reasonably satisfactory to the providing Party, stating that it is exempt or otherwise not subject to the tax or fee, setting forth the basis therefor, and satisfying any other requirements under applicable law. If any authority seeks to collect any such tax or fee that the purchasing Party has determined and certified not to be payable, or any such tax or fee that was not billed by the providing Party, the purchasing Party may contest the same in good faith, at its own expense. In any such contest, the purchasing Party shall promptly furnish the providing Party with copies of all filings in any proceeding, protest, or legal challenge, all rulings issued in connection therewith, and all correspondence between the purchasing Party and the taxing authority.
- 16.3.4 In the event that all or any portion of an amount sought to be collected must be paid in order to contest the imposition of any such tax or fee, or to avoid the existence of a lien on the assets of the providing Party during the pendency of such contest, the purchasing Party shall be responsible for such payment and shall be entitled to the benefit of any refund or recovery.
- 16.3.5 If it is ultimately determined that any additional amount of such a tax or fee is due to the imposing authority, the purchasing Party shall pay such additional amount, including any interest and penalties thereon.
- 16.3.6 Notwithstanding any provision to the contrary, the purchasing Party shall protect, indemnify and hold harmless (and defend at the purchasing Party's expense) the providing Party from and against any such tax or fee, interest or penalties thereon, or other charges or payable expenses (including reasonable attorney fees) with respect thereto, which are incurred by the providing Party in connection with any claim for or contest of any such tax or fee.
- 16.3.7 Each Party shall notify the other Party in writing of any assessment, proposed assessment or other claim for any additional amount of such a tax or fee by a taxing authority; such notice to be provided, if possible, at least ten (10) days prior to the date by which a response, protest or other appeal must be filed, but in no event later than thirty (30) days after receipt of such assessment, proposed assessment or claim.

16.4 Taxes and Fees Imposed on Providing Party But Passed On To Purchasing Party

- 16.4.1 Taxes and fees imposed on the providing Party, which are permitted or required to be passed on by the providing Party to its customer, shall be borne by the purchasing Party.
- 16.4.2 To the extent permitted by applicable law, any such taxes and/or fees shall be shown as separate items on applicable billing documents between the Parties. Notwithstanding the foregoing, the purchasing Party shall remain liable for any such taxes and fees regardless of whether they are actually billed by the providing Party at the time that the respective Service is billed.
- 16.4.3 If the purchasing Party disagrees with the providing Party's determination as to the application or basis for any such tax or fee, the Parties shall consult with respect to the imposition and billing of such tax or fee. Notwithstanding the foregoing, the providing Party shall retain ultimate responsibility for determining whether and to what extent any such taxes or fees are applicable, and the purchasing Party shall abide by such determination and pay such taxes or fees to the providing Party. The providing Party shall further retain ultimate responsibility for determining whether and how to contest the imposition of such taxes and fees; provided, however, that any such contest undertaken at the request of the purchasing Party shall be at the purchasing Party's expense.
- 16.4.4 In the event that all or any portion of an amount sought to be collected must be paid in order to contest the imposition of any such tax or fee, or to avoid the existence of a lien on the assets of the providing Party during the pendency of such contest, the purchasing Party shall be responsible for such payment and shall be entitled to the benefit of any refund or recovery.
- 16.4.5 If it is ultimately determined that any additional amount of such a tax or fee is due to the imposing authority, the purchasing Party shall pay such additional amount, including any interest and penalties thereon.
- 16.4.6 Notwithstanding any provision to the contrary, the purchasing Party shall protect, indemnify and hold harmless (and defend at the purchasing Party's expense) the providing Party from and against any such tax or fee, interest or penalties thereon, or other reasonable charges or payable expenses (including reasonable attorneys' fees) with respect thereto, which are incurred by the providing Party in connection with any claim for or contest of any such tax or fee.
- 16.4.7 Each Party shall notify the other Party in writing of any assessment, proposed assessment or other claim for any additional amount of such a tax or fee by a taxing authority; such notice to be provided, if possible, at least ten (10) days prior to the date by which a response, protest or other appeal must be filed, but in no event later than thirty (30) days after receipt of such assessment, proposed assessment or claim.
- 16.4.8 Mutual Cooperation. In any contest of a tax or fee by one Party, the other Party shall cooperate fully by providing records, testimony and such additional information or assistance as may reasonably be necessary to pursue the contest. Further, the other Party shall be reimbursed for any reasonable and necessary out-of-pocket copying and travel expenses incurred in assisting in such contest.

17.0 Force Majeure

- 17.1 In the event performance of this Agreement, or any obligation hereunder, is either directly or indirectly prevented, restricted, or interfered with by reason of fire, flood, earthquake or like acts of God, wars, revolution, civil commotion, explosion, acts of public enemy, embargo, acts of the government in its sovereign capacity, labor difficulties, including without limitation, strikes, slowdowns, picketing, or boycotts, unavailability of equipment from vendor, changes requested by CARRIER, or any other circumstances beyond the reasonable control and without the fault or negligence of the Party affected, the Party affected, upon giving prompt notice to the other Party, shall be excused from such performance on a day-to-day basis to the extent of such prevention, restriction, or interference (and the other Party shall likewise be excused from performance of its obligations on a day-to-day basis until the delay, restriction or interference has ceased); provided, however, that the Party so affected shall use diligent efforts to avoid

or remove such causes of non-performance and both Parties shall proceed whenever such causes are removed or cease.

18.0 Modification of Agreement

18.1 Subject to the provisions of Section 24, if CARRIER changes its name or makes changes to its company structure or identity due to a merger, acquisition, transfer or any other reason, it is the responsibility of CARRIER to notify AT&T SOUTHEAST REGION 9-STATE of said change and request that an amendment to this Agreement, if necessary, be executed to reflect said change, and shall notify the appropriate Commission of such modification of company structure in accordance with the state rules governing such modification in company structure, if applicable.

18.2 No modification, amendment, supplement to, or waiver of the Agreement or any of its provisions shall be effective and binding upon the Parties unless it is made in writing and duly signed by the Parties.

19.0 Non-Waiver of Legal Rights

19.1 Execution of this Agreement by either Party does not confirm or imply that the executing Party agrees with any decision(s) issued pursuant to the Telecommunications Act of 1996 and the consequences of those decisions on specific language in this Agreement. Neither Party waives its rights to appeal or otherwise challenge any such decision(s) and each Party reserves all of its rights to pursue any and all legal and/or equitable remedies, including appeals of any such decision(s); provided, however, that any modification of any law, rule or order issued pursuant to the Act shall not impact or modify the Parties' rights and obligations pursuant to this Agreement.

20.0 Indivisibility

20.1 The Parties intend that this Agreement be indivisible and nonseverable, and each of the Parties acknowledges that it has assented to all of the covenants and promises in this Agreement as a single whole and that all of such covenants and promises, taken as a whole, constitute the essence of the contract. The Parties further acknowledge that this Agreement is intended to constitute a single transaction, that the obligations of the Parties under this Agreement are interdependent, and that payment obligations under this Agreement are intended to be recouped against other payment obligations under this Agreement.

21.0 Severability

21.1 If any provision of this Agreement, or part thereof, shall be held invalid or unenforceable in any respect, the remainder of the Agreement or provision shall not be affected thereby, provided that the Parties shall negotiate in good faith to reformulate such invalid provision, or part thereof, or related provision, to as closely reflect the original intent of the Parties as possible, consistent with applicable law, and to effectuate such portions thereof as may be valid without defeating the intent of such provision.

22.0 Waivers

22.1 A failure or delay of either Party to enforce any of the provisions hereof, to exercise any option which is herein provided, or to require performance of any of the provisions hereof shall in no way be construed to be a waiver of such provisions or options, and each Party, notwithstanding such failure or delay, shall have the right thereafter to insist upon the performance of any and all of the provisions of this Agreement.

23.0 Governing Law

23.1 This Agreement shall be governed by and construed and enforced in accordance with the laws of the State of Georgia without regard to its conflict of laws principles.

24.0 Assignments and Transfers

24.1 CARRIER shall not assign to any entity any right, obligation or duty, or any other interest hereunder, in whole or in part, without the prior written consent of AT&T SOUTHEAST REGION 9-STATE. No transfer or assignment of this

Agreement or of any right, obligation or duty, or any other interest hereunder to any entity by contract, merger, operation of law or otherwise, shall be effective without the prior written consent of **AT&T SOUTHEAST REGION 9-STATE** and any such assignment or transfer shall be null and void. **AT&T SOUTHEAST REGION 9-STATE** may withhold its consent in its sole discretion. The assignee must provide evidence of a Commission approved certification to provide Telecommunications Service in each state that CARRIER is providing service. After **AT&T SOUTHEAST REGION 9-STATE**'s consent, the Parties shall amend this Agreement to reflect such assignments and shall work cooperatively to implement any changes required due to such assignment. Any such assignment shall be subject to applicable charges negotiated between the Parties. All obligations and duties of any Party under this Agreement shall be binding on all successors in interest and assigns of such Party. No assignment or delegation hereof shall relieve the assignor of its obligations under this Agreement in the event that the assignee fails to perform such obligations. Notwithstanding anything to the contrary in this Section, CARRIER shall not assign this Agreement to any entity unless either (1) CARRIER pays all bills, past due and current, under this Agreement, or (2) CARRIER's assignee expressly assumes liability for payment of such bills.

24.2 In the event that CARRIER desires to transfer any Services hereunder to another carrier, the Parties shall negotiate the applicable rates, terms and conditions for such a transfer and CARRIER shall follow **AT&T SOUTHEAST REGION 9-STATE**'s established process for completing such a transfer. CARRIER shall not attempt to transfer services to any entity to avoid its obligations hereunder.

24.3 Change in Control

24.3.1 In the event that CARRIER enters into an agreement which, when consummated, would cause CARRIER to become subject to a Change of Control at any point during the term of this Agreement, **AT&T SOUTHEAST REGION 9-STATE** may, in its sole discretion, terminate this Agreement by giving CARRIER at least five (5) days prior written notice.

24.3.1.1 The following definitions apply for purposes of this Section 24.3:

24.3.1.2 "Change in Control" means a change in Control of CARRIER (or its Controlling Affiliate or Controlling Affiliates) where such Control is acquired by any third party.

24.3.1.3 "Control" or "Controlling" or "Controlled by" shall, depending upon the context in which it is used, refer respectively to (a) a person that holds fifty percent (50%) or more of the voting power of another person, or (b) a person, fifty percent (50%) or more of whose voting power is held by another person. In addition, Control of a person includes the power, direct or indirect, to elect a majority of its board of directors or similar governing body or to direct or cause the direction of the management and policies of such person, whether by contract or otherwise.

24.3.1.4 "Affiliate" means another person that directly or indirectly Controls, is Controlled by, or is under common Control with, CARRIER.

25.0 Notices

25.1 Subject to Section 25.1.2 below, Notices given by one Party to the other Party under this Agreement shall be in writing (unless specifically provided otherwise herein), and unless otherwise expressly required by this Agreement to be delivered to another representative or point of contact, shall be pursuant to at least one of the following methods:

25.1.1 delivered personally, delivered by express delivery service or mailed via certified mail or first class U.S. Postal Service, with postage prepaid and a return receipt requested.

25.1.2 delivered by facsimile provided CARRIER and/or **AT&T SOUTHEAST REGION 9-STATE** has provided such information in Section 25.3 below.

25.2 Notices will be deemed given as of the earliest of:

25.2.1 the date of actual receipt;

25.2.2 the next Business Day when sent via express delivery service;

25.2.3 five (5) calendar days after mailing in the case of first class or certified U.S. Postal Service; or

25.2.4 on the date set forth on the confirmation produced by the sending facsimile machine when delivered by facsimile prior to 5:00 p.m. in the recipient's time zone, but the next Business Day when delivered by facsimile at 5:00 p.m. or later in the recipient's time zone.

25.3 Notices will be addressed to the Parties as follows:

25.4 *Informational only and not to be considered as an official notice vehicle under this Section.

25.5 Either Party may unilaterally change its designated contact name, address, e-mail and/or facsimile number for the receipt of notices by giving written Notice to the other Party in compliance with this Section 25.0. Any Notice to change the designated contact name, address, e-mail and/or facsimile number for the receipt of Notices shall be deemed effective ten (10) calendar days following receipt by the other Party.

25.6 In addition, CARRIER agrees that it is responsible for providing AT&T SOUTHEAST REGION 9-STATE with CARRIER's OCN and ACNA numbers for the states in which CARRIER is authorized to do business and in which CARRIER is requesting that this Agreement apply. Notwithstanding the other provisions of this Section 25, CARRIER shall provide the OCN and ACNA numbers to AT&T SOUTHEAST REGION 9-STATE through its "CLEC Profile" using the web-based interface that AT&T SOUTHEAST REGION 9-STATE provides for such purposes. In the event that CARRIER wants to change and/or add to the OCN and/or ACNA information in the CLEC Profile, CARRIER shall send written notice to AT&T SOUTHEAST REGION 9-STATE to be received at least thirty (30) days prior to the change and/or addition in accordance with this Section 25.0 Notice provision; CARRIER shall also update its CARRIER Profile through the applicable form and/or web-based interface.

25.7 AT&T SOUTHEAST REGION 9-STATE communicates official information to CARRIERS via its Accessible Letter, or other applicable, notification processes. These processes involve electronic transmission and/or posting to the AT&T CLEC Online website, inclusive of a variety of subjects including changes on business processes and policies, and other product/service related notices not requiring an amendment to this Agreement.

25.8 CARRIER may designate up to a maximum of ten (10) recipients for Accessible Letter notification via e-mail.

26.0 Rule of Construction

26.1 No rule of construction requiring interpretation against the drafting Party hereof shall apply in the interpretation of this Agreement.

27.0 Headings of No Force or Effect

27.1 The headings of Articles and Sections of this Agreement are for convenience of reference only, and shall in no way define, modify or restrict the meaning or interpretation of the terms or provisions of this Agreement.

28.0 Multiple Counterparts

28.1 This Agreement may be executed in multiple counterparts, each of which shall be deemed an original, but all of which shall together constitute but one and the same document.

29.0 Good Faith Performance

29.1 Each Party shall act in good faith in its performance under this Agreement and, in each case in which a Party's consent or agreement is required or requested hereunder, such Party shall not unreasonably withhold or delay such consent or agreement.

30.0 Survival

30.1 The Parties' obligations under this Agreement, which by their nature are intended to continue beyond the termination or expiration of this Agreement, shall survive the termination or expiration of this Agreement.

31.0 Entire Agreement

31.1 This Agreement means the General Terms and Conditions, the Attachments identified in Section 31.2 below, and all incorporated documents, all of which, when taken together, are intended to constitute one indivisible agreement. This Agreement sets forth the entire understanding and supersedes prior agreements between the Parties as they relate to the Services provided under this Agreement and merges all prior discussions between them. Neither Party shall be bound by any definition, condition, provision, representation, warranty, covenant or promise other than as expressly stated in this Agreement or as is contemporaneously or subsequently set forth in writing and executed by a duly authorized officer or representative of the Party to be bound thereby.

31.2 This Agreement includes Attachments and Exhibits, incorporated herein by reference with provisions for the following:

Services

Pre-Ordering, Ordering, Provisioning, Maintenance and Repair

Billing

Service Level Commitments for Wholesale Local Voice Platform Services

31.3 Any reference throughout this Agreement to a tariff, industry guideline, AT&T SOUTHEAST REGION 9-STATE's technical guideline or reference, AT&T SOUTHEAST REGION 9-STATE business rule, guide or other such document containing processes or specifications applicable to the Services provided pursuant to this Agreement, shall be construed to refer to only those provisions thereof that are applicable to these Services, and shall include any successor or replacement versions thereof, all as they are amended from time to time and all of which are incorporated herein by reference. References to state tariffs throughout this Agreement shall be to the tariff for the state in which the Services were provisioned.

Services

1.0 Introduction

- 1.1 Upon request of CARRIER, AT&T SOUTHEAST REGION 9-STATE shall provide Wholesale Switch Port Services and Complex Wholesale Local Platform Services as set forth in this Attachment, at the rates set forth in Exhibit A, and pursuant to the terms and conditions of this Agreement. The terms and conditions set forth in this Attachment apply only when the Services are purchased pursuant to this Agreement. The network components and associated services and functions that comprise Wholesale Switch Port Services and Complex Wholesale Local Platform Services or that may be purchased in conjunction with Wholesale Switch Port Services and Complex Wholesale Local Platform Services under this Agreement are available pursuant to this Agreement only in conjunction with CARRIER's purchase of Wholesale Switch Port Services and Complex Wholesale Local Platform Services and are not available for individual purchase. These Services are provided to CARRIER solely for the purpose of providing Telecommunications Services to CARRIER's End Users and CARRIER agrees not to use such Services for any other purpose.
- 1.2 The network components provided as part of the Services offered hereunder may be subject to modification, retirement, upgrades or other changes. AT&T SOUTHEAST REGION 9-STATE shall provide notice of such changes in accordance with the applicable provisions of the FCC's network disclosure requirements and any other applicable laws or regulations. In the event a network component is retired, such network component is no longer available.

2.0 Wholesale Switch Port Services

- 2.1 Wholesale Switch Port Services provide the features, functions and capabilities of the local circuit switch, including dial tone, the ability to originate and terminate calls, and all vertical features that the local circuit switch is capable of providing and that are available.
- 2.1.1 When ordering Wholesale Switch Port Services, network components that allow for the transport and termination of originated calls and the receipt of calls destined for the switch port are included. These network components, which each have their own pricing elements, include End Office Switching, Tandem Switching and Common Transport. CARRIER may also order for an additional charge switch based vertical features that the switch is capable of providing and that are available. AT&T SOUTHEAST REGION 9-STATE may make available certain ancillary services that may be ordered with the Wholesale Switch Port Services. If available, such ancillary services will be ordered pursuant to AT&T SOUTHEAST REGION 9-STATE's tariff or pursuant to an AT&T SOUTHEAST REGION 9-STATE resale agreement.
- 2.1.2 When ordering Wholesale Switch Port Services as a stand-alone element, CARRIER is responsible for obtaining other required elements or components that may be needed to provide its desired voice grade services. These elements or component may include but are not limited to: loops; collocation arrangements; and collocation cross-connects between the Wholesale Switch Port Services and CARRIER's collocation arrangement.
- 2.1.3 Wholesale Switch Port Services shall be provided at DS0 and DS1 levels. The following Wholesale Switch Ports are available for ordering. For services not currently available, CARRIER may contact their Local Contract Manager and will follow the appropriate AT&T SOUTHEAST REGION 9-STATE processes.
- 2.1.3.1 DS0 Wholesale Switch Ports listed below shall be provisioned with a 2-Wire voice grade port:
- 2.1.3.1.1 DS0 Wholesale Switch Port - Residential Service
 - 2.1.3.1.2 DS0 Wholesale Switch Port - Business Service

- 2.1.3.1.3 DS0 Wholesale Switch Port - Residential Service with Remote Call Forwarding
 - 2.1.3.1.4 DS0 Wholesale Switch Port - Business Service with Remote Call Forwarding
 - 2.1.3.1.5 DS0 Wholesale Switch Port - Coin
- 2.1.3.2 DS1 Wholesale Switch Ports for ISDN/PRI and ISDN/PRI with Detailed E911 Locator Capability shall be provisioned with a 4-Wire ISDN port.
- 2.1.4 End Office Switching. End Office Switching provides the switching function of connecting lines to lines, lines to trunks, trunks to lines, and trunks to trunks. End Office Switching includes the pricing elements of End Office Switching Function and End Office Trunk Ports, as set forth in Exhibit A.
- 2.1.5 Tandem Switching
- 2.1.5.1 Tandem Switching provides the following: (i) trunk connect facilities, which include, but are not limited to, the connection between trunk termination at a cross connect panel and switch trunk card; (ii) the basic switch trunk function of connecting trunks to trunks; and (iii) the functions that are centralized in the Tandem Switches (as distinguished from separate end office switches), including, but not limited to call recording, the routing of calls to operator services and signaling conversion features. Tandem Switching includes the pricing elements of Tandem Switching Function, Tandem Trunk Ports, Melded Tandem Switching Function and Melded Tandem Trunk Ports, as set forth in Exhibit A.
 - 2.1.5.2 When an interoffice call originates from a Wholesale Switch Port and terminates to an **AT&T SOUTHEAST REGION 9-STATE**, independent company or facility based CLEC end office, **AT&T SOUTHEAST REGION 9-STATE** shall apply the Melded Tandem Switching rate(s) as set forth in Exhibit A. For all other calls utilizing Tandem Switching, the Tandem Switching rate as set forth in Exhibit A shall apply.
- 2.1.6 Common Transport. Common (Shared) Transport is defined as transmission facilities shared by more than one carrier, including **AT&T SOUTHEAST REGION 9-STATE**, between end office switches, between end office switches and tandem switches, and between tandem switches, in **AT&T SOUTHEAST REGION 9-STATE**'s network. Common Transport includes the pricing elements of Common Transport per Mile and Common Transport Facilities Termination as set forth in Exhibit A.
- 2.1.7 Switch Based Vertical Features
- 2.1.7.1 Switch based vertical features include vertical features that the circuit switch is capable of providing and that are available and may be ordered in conjunction with the Wholesale Switch Port. Switch based vertical features are ordered separately and shall be charged at a single rate, as set forth in Exhibit A, regardless of the number of vertical features ordered. CARRIER may add or delete vertical features at no additional charge except the applicable ordering charge.
 - 2.1.7.2 To the extent that a circuit switch is technically capable of providing a switch based vertical feature but such switch based vertical feature is not currently available, CARRIER may contact their Local Contract Manager and shall follow the appropriate **AT&T SOUTHEAST REGION 9-STATE** processes.
- 2.1.8 Ancillary Services. CARRIER may request certain non-switch based services that are available with Wholesale Switch Port Services. If available, such services shall be provided pursuant to **AT&T SOUTHEAST REGION 9-STATE**'s tariff or pursuant to a separate **AT&T SOUTHEAST REGION 9-STATE** resale agreement.

2.1.8.1 Directory Listings

- 2.1.8.1.1 AT&T SOUTHEAST REGION 9-STATE shall provide one basic White Pages directory listing per telephone number per End User account at no charge other than applicable service order charges as set forth in AT&T SOUTHEAST REGION 9-STATE's tariffs. If such listing is requested on the initial local service request (LSR) associated with the request for Service, a single manual service order charge or electronic service order charge, as appropriate, as described in Attachment 2 of this Agreement will apply to both the request for Service and the request for the directory listing. Where a subsequent LSR is placed solely to request a directory listing, separate service order charges as set forth in AT&T SOUTHEAST REGION 9-STATE's tariffs shall apply, as well as the manual service order charge or electronic service order charge, as appropriate, as described in Attachment 2. Additional, enhanced and miscellaneous listings may be provided and shall be rated according to AT&T SOUTHEAST REGION 9-STATE's General Subscriber Services Tariff ("GSST"), and tariffed service order charges and manual or electronic service order charges shall apply.

2.2 Remote Call Forwarding

- 2.2.1 As an option, AT&T SOUTHEAST REGION 9-STATE shall make available to CARRIER a DS0 Wholesale Local Switch port with Remote Call Forwarding capability ("RCF"). RCF service combines the functionality of End Office Switching, Tandem Switching and Common Transport to forward calls from the RCF service telephone number (i.e., the number dialed by the calling party) to another telephone number selected by the RCF service subscriber (Forward-to-Number). When ordering RCF service, CARRIER will ensure that the following conditions are satisfied:
- 2.2.1.1 The End User of the Forward-to-Number agrees to receive calls forwarded using the RCF service (if such End User is different from the RCF service End User);
 - 2.2.1.2 The Forward-to-Number is equipped with sufficient capacity to receive the volume of calls that will be generated from the RCF service;
 - 2.2.1.3 The Forward-to-Number is not a public safety number (e.g., 911, fire or police number).
- 2.2.2 In addition to the charge for the RCF service port, AT&T SOUTHEAST REGION 9-STATE shall charge CARRIER the rates set forth in Exhibit A for End Office Switching, Tandem Switching, and Common Transport, including all associated usage incurred for calls from the RCF service telephone number to the Forward-to-Number.

2.3 Detailed E911 with Locator Capability.

- 2.3.1 CARRIER is required to purchase Detailed E911 Locator Capability with any 4-Wire ISDN DS1 Wholesale Local Switch Port that has the ability to make and receive voice calls to or from the Public Switched Telecommunications Network ("PSTN").
- 2.3.2 Detailed E911 with Locator Capability allows End Users located on CARRIER's network ring or loop facilities direct access into an E911 tandem office, delivering the telephone number and location of the End User's number as well as the actual physical location of the calling party's extension to the appropriate E911 Public Safety Answering Point ("PSAP").
- 2.3.3 All CARRIER's End Users who have service provisioned via 4-Wire ISDN DS1 Port with Detailed E911 Locator Capability shall be physically located in the E911 Tandem Switch service area.
- 2.3.4 CARRIER shall pass its End User's telephone number to AT&T SOUTHEAST REGION 9-STATE over the Primary Rate Interface trunk group via Automatic Number Identification (ANI).

- 2.3.5 CARRIER shall maintain the individual telephone number and the correct corresponding address/location data, including maintaining the End User's listed address as the actual physical End User location in the E911 Automatic Location Identification ("ALI") Database.
- 2.3.6 CARRIER will be liable for any errors resulting from the submission of invalid telephone number and address/location data for CARRIER's End Users.

3.0 Wholesale Local Platform Services

- 3.1 Wholesale Local Platform Services provide an end to end Telecommunications Service by combining Wholesale Switch Ports with the loop network component described in this Agreement, which together provide local exchange service for the origination or termination of calls. The loop network component described in this Agreement shall only be provided as part of the Wholesale Local Platform Service. Wholesale Local Platform Services support the same calling and feature attributes as described in the Wholesale Switch Port Services section of this Attachment.
- 3.2 The following DS0 Wholesale Local Platform Services are available for ordering. For services not currently available CARRIER shall contact their Local Contract Manager and will follow the appropriate AT&T SOUTHEAST REGION 9-STATE processes.
- 3.2.1 DS0 Wholesale Local Platform Services listed below shall be provisioned with a 2-Wire voice grade port and either a non-designed (SL1) or designed (SL2) 2 wire voice grade loop. Exhibit A and Exhibit B shall list the applicable loops associated with each of the DS0 Wholesale Local Platform Services:
- 3.2.1.1 DS0 Wholesale Local Platform Service [Direct Inward Dial ("DID")]
- 3.2.1.2 DS0 Wholesale Local Platform Service – [PBX/DID with E911 Call Locator]
- 3.2.1.3 DS0 Wholesale Local Platform Services listed below shall be provisioned with a 2-Wire ISDN port and a 2-Wire ISDN digital loop:
- 3.2.1.3.1 DS0 Wholesale Local Platform Service – [ISDN/BRI]
- 3.3 DS1 Wholesale Local Platform Services include the following. For services not currently available CARRIER shall contact their Local Contract Manager and will follow the appropriate AT&T SOUTHEAST REGION 9-STATE processes.
- 3.3.1 DS1 Wholesale Local Platform Service – Direct Digital Integration Termination Service (DDITS). DS1 Wholesale Local Platform Service –DDITS is an arrangement that allows the termination of a 4-Wire DS1 digital loop directly into a digital switch port. It will consist of a DS1 facility that will be terminated into a digital carrier trunk port on a switch. These ports can only be used for DS1 terminations on the trunk side of the switch. A DDITS arrangement can consist of twenty-four (24) DS0 level channels that can be configured as a 2-Way, 2-Way DID with user transfer, 1-Way outward, or 1-Way inward with or without DID service. This service allows for assigning multiple trunk groups (made up of individual channel assignments) within a single digital loop, single trunk groups across multiple digital loops, or combinations of both.
- 3.3.2 DS1 Wholesale Local Platform Service – 4-Wire Integrated Services Digital Network/Primary Rate ISDN (4-Wire ISDN/PRI). DS1 Wholesale Local Platform Service - 4-Wire ISDN/PRI is a 4-Wire ISDN DS1 port and 4-Wire DS1 digital loop that is an intraLATA offering supported by the Integrated Services Digital Network (ISDN) architecture. DS1 Wholesale Local Platform Service – 4-Wire ISDN/PRI provides an ISDN-based, DS1 access to the PSTN and includes the flexibility of integration of multiple voice and/or data transmission channels on the same line. The service provides connectivity between ISDN compatible Customer Provided Equipment (CPE) and a serving central office. The basic channel structure is twenty-three (23) sixty-four (64) kilobits per second (Kbps) B-Channels and one (1) sixty-four (64) Kbps D-Channel. The End User may activate up to twenty-three (23) B-Channels on the first ISDN/PRI arrangement and up to twenty-four (24) channels on additional 4-Wire ISDN/PRI arrangements. The product offerings are: voice/data (standard), digital data only and inward data option.

3.3.3 DS1 Wholesale Local Platform Service – 4-Wire DS1 Loop with Channelization with Port. DS1 Wholesale Local Platform Service - 4-Wire DS1 Loop with Channelization with Port is a port/loop arrangement consisting of the following four (4) basic components: (a) one (1) 4-Wire DS1 digital loop; (b) one (1) channelization interface device (D4 Channel Bank or equivalent) in the AT&T SOUTHEAST REGION 9-STATE central office; (c) selected central office ports (up to twenty-four (24) per DS1) in the AT&T SOUTHEAST REGION 9-STATE switch; and (d) DS0 feature activation cards (one (1) per DS0) in the AT&T SOUTHEAST REGION 9-STATE channel bank. Each DS1 loop supports any combination of the following four (4) service offerings up to a maximum of twenty-four (24) DS0 channels. The following service offerings are available: (1) a 2-way, combination trunks/trunk groups (line side termination in AT&T SOUTHEAST REGION 9-STATE switch); (2) a 1-way, outward trunks/trunk groups (line side termination in AT&T SOUTHEAST REGION 9-STATE switch); (3) a 1-way, inward trunks/trunk groups, without DID (line side termination in AT&T SOUTHEAST REGION 9-STATE switch); and (4) a 1-way, inward trunks/trunk groups, with DID (trunk side termination in an AT&T SOUTHEAST REGION 9-STATE switch).

3.4 E911 Call Locator Capability

3.4.1 E911 Call Locator Capability is available as an adjunct service to DS1 Wholesale Local Platform Services – ISDN/PRI, DS1 Wholesale Local Platform Service DDITS, DS1 Wholesale Local Platform Services – 4-Wire DS1 Loop with Channelization with Port, and DS0 Wholesale Local Platform Services with E911 Call Locator (includes DID and On/Off Premises Extensions).

3.4.2 E911 Call Locator Capability allows a PBX switch located on an End User's premises direct access into an E911 tandem office, delivering the telephone number and location of the PBX End User's station number to the appropriate E911 PSAP.

3.4.3 E911 Call Locator Capability offers full E911 service to CARRIER's End User's PBX station users. Full E911 service means the actual physical location of the PBX 911 caller and the station telephone number will be identified to the PSAP when a 911 call is made.

3.4.4 There are two (2) components to this service: (1) access to the ALI database, which is the database service component of this product. The PBX station information is initiated and maintained by CARRIER or CARRIER's PBX End User in the ALI database; and (2) E911 Call Locator Capability Service Local Channels, which are the paths that carry E911 calls to the E911 tandem. If CARRIER's End User is served via PRI, the E911 calls may travel over either the Primary Rate Interface or over separate CAMA trunks to the E911 tandem, as specified by CARRIER when placing the order for the service. If CARRIER's End User is served by DDITS, 4-Wire Channelization with Port or PBX Trunks, then CAMA trunks must be used.

3.4.5 CARRIER can as an option purchase private dedicated trunks at the resale tariff rate installed between the AT&T SOUTHEAST REGION 9-STATE E911 Tandem and CARRIER's Point of Interface (POI), usually an adjunct box located at the PBX. If the PBX supports Primary Rate Interface and the calling stations are DID numbers, then the 911 call can be transmitted using Primary Rate Interface without E911 Call Locator Capability Service Local Channels.

3.4.6 CARRIER is responsible for providing the correct E911 tandem information to AT&T SOUTHEAST REGION 9-STATE during the ordering and provisioning process.

3.4.7 CARRIER is responsible for maintaining individual telephone numbers and corresponding address/location data.

3.4.8 CARRIER is responsible for insuring that the End User listed address is the actual physical End User location as mandated by regulatory and public safety agencies (e.g., E911).

3.4.9 CARRIER is liable for any error conditions resulting from the submission of invalid telephone number and address/location data for the CARRIER's End Users and the PBX stations.

- 3.4.10 CARRIER will insure that its End User's telephone number can be passed over the appropriate E911 Call Locator Capability Local Service Channels, the Primary Rate Interface trunk group, or direct CAMA trunks to the appropriate E911 Tandem switch.
- 3.4.11 CARRIER or CARRIER's designated representative will work with the third party provider of E911 Call Locator Capability to ensure all information in the ALI database is up-to-date.
- 3.5 On/Off Premises extensions and Different Premises Address extension are available for select DS0 Wholesale Local Platform Services. The rates are as set forth in Exhibit A.
- 3.5.1 On/Off Premises extensions are station numbers that are associated with an End User's PBX but which are located at a different physical address than the PBX and On/Off Premises extensions require additional loops to provision the Service. The On/Off Premises extension draws its digital tone from the PBX and must dial an access code to access the PSTN via port/loop combinations (PBX trunks) terminating in the CPE PBX.
- 3.5.2 A Different Premises Address extension consists of one (1) port and two (2) loops with each loop terminating at a different physical address. The Different Premises Address extension draws dial tone directly from the AT&T SOUTHEAST REGION 9-STATE central office. It constitutes the same telephone number working at two (2) separate physical addresses.
- 3.6 DS0 Wholesale Local Platform Services – Centrex provides an end-to-end Telecommunications Service by combining DS0 Wholesale Switch Ports, a Common Block Program within the Switch, and a loop network component described in this Agreement, which together provide local exchange service for the End User for the origination or termination of calls.
- 3.6.1 Within the AT&T SOUTHEAST REGION 9-STATE Switch the 2-Wire Voice Grade Ports (Centrex) are programmed into a Common Block of numbers which will partition the Central Office switch to serve a specific customer and as such share certain inherent Centrex functionalities, capabilities and features. The Common Block program is also known as the "Common Block" or the "Centrex Customer Group". The Centrex Common Block defines system level parameters. Common equipment parameters offer the minimum capabilities of the system:
- 3.6.1.1 Station to Station Calling within the Common Block (intercom calling).
- 3.6.1.2 Direct Inward Dialing to Stations (DID).
- 3.6.1.3 Direct Outward Dialing.
- 3.6.1.4 Touchtone service.
- 3.6.1.5 Common recorded announcement on interception of calls to unassigned numbers.
- 3.6.2 Network Access Registers (NARs). A NAR is an optional part of the Common Block programming associated with access outside of the Centrex system. Each NAR provides a single talking path to the PSTN. A NAR can be inbound, outbound or combination. All ports are subject to Switching and Local Interconnection Usage charges. These charges will apply to each Centrex line. Other than to limit access to the PSTN, NARs are not necessary components of DS0 Wholesale Local Platform Service - Centrex. NARs will be zero rated on the CARRIER Account. Rearrangements, additions, or removal of NARs will incur the appropriate subsequent activity charges set forth in Exhibit A. New installations can be provisioned with or without NARs at the request of CARRIER.
- 3.6.3 Centrex feature functionality that is a function of the switch will be available to the Centrex port at the rates set forth in Exhibit A. Feature functionality that has been developed by AT&T SOUTHEAST REGION 9-STATE outside of the function of the Switch, including but not limited to Centrex Control and Centrex Select Features, is separately priced and included in Exhibit A.

- 3.6.4 The Centrex Common Block can be provisioned with a Switch Port to accept/terminate selected ancillary services within the Centrex, including but not limited to FX, Tie Lines, DS1/high cap services, Wide Area Telephone Service (WATS/800 Service), Music on Hold, and Simplified Message Detail Interface. These services are accessed via a dialing code or preprogrammed access as part of the Centrex functionality. Access to the ancillary services will be priced with Wholesale Local Platform – Centrex. The ancillary services will be priced separately from Wholesale Local Platform - Centrex. Pricing for the ancillary/associated service could be at a negotiated rate, tariff rate, or a combination of both depending on the service.
- 3.6.5 DS0 Wholesale Local Platform Service – Centrex shall be provisioned with a 2 wire analog voice grade loop, which is a non-designed 2-Wire loop start circuit that does not have remote access test points.
- 3.7 Loops. The local loop network component is a transmission facility that AT&T SOUTHEAST REGION 9-STATE provides between a distribution frame (or its equivalent) in AT&T SOUTHEAST REGION 9-STATE's central office and the loop demarcation point at an End User premises. Facilities that do not terminate at a demarcation point at an End User premises, including, by way of example, but not limited to, facilities that terminate to another carrier's switch or premises, a cell site, Mobile Switching Center or base station, do not constitute local loops. The loop includes all features, functions, and capabilities of the transmission facilities, including the network interface device, and attached electronics (except those used for the provision of advanced services, such as Digital Subscriber Line Access Multiplexers (DSLAMs)), optronics and intermediate devices (including repeaters and load coils) used to establish the transmission path to the End User's premises, including inside wire owned or controlled by AT&T SOUTHEAST REGION 9-STATE. CARRIER shall purchase the entire bandwidth of the loop and, except as required herein or as otherwise agreed to by the Parties, AT&T SOUTHEAST REGION 9-STATE shall not subdivide the frequency of the loop.
- 3.7.1 Except as set forth herein, 2-Wire voice grade loops may be provisioned using any type of facility that will support voice grade services. This may include loaded copper, non-loaded copper, digital loop carrier systems, fiber/copper combination (hybrid loop) or a combination of any of these facilities. AT&T SOUTHEAST REGION 9-STATE, at any time, in the normal course of maintaining, repairing, and configuring its network, may also change the facilities that are used to provide the loop utilized in conjunction with the Wholesale Local Platform Service. This change may occur at any time. In these situations, AT&T SOUTHEAST REGION 9-STATE will only ensure that the newly provided facility will support the same voice grade services provided by the Wholesale Local Platform Services. 2-Wire voice grade loops come in two (2) different service levels Service Level One (SL1) and Service Level Two (SL2).
- 3.7.1.1 Service Level One (SL1) 2-Wire voice grade loops are 2-Wire loop start circuits, will be non-designed, and will not have remote access test points.
- 3.7.1.2 Service Level Two (SL2) 2-Wire voice grade loops shall have remote access test points and will be designed with a DLR provided to CARRIER. SL2 circuits can be provisioned with a loop start, ground start or reverse battery signaling.
- 3.7.2 As specified, certain Wholesale Local Platform services utilize digital loop network components. Digital loops are service specific, will be designed and will be provisioned with test points (where appropriate).
- 3.7.2.1 The following digital loops shall apply to Wholesale Local Platform Services:
- 3.7.2.1.1 2-Wire ISDN Digital Loop – This loop will be provisioned according to industry standards for 2-Wire Basic Rate ISDN services and will come standard with a test point.
- 3.7.2.1.2 4-Wire DS1 Digital Loop – This loop is a designed 4-Wire loop that is provisioned according to industry standards for DS1 or Primary Rate ISDN services and will come standard with a test point.

- 3.7.3 The loop does not include any packet switched features, functions or capabilities.
- 3.7.4 AT&T SOUTHEAST REGION 9-STATE shall not provision Wholesale Local Platform Services over any loop that is comprised entirely of fiber from the distribution frame (or equivalent) in the AT&T SOUTHEAST REGION 9-STATE central office to the demarcation point at the End User's premises.
- 3.7.5 The loop shall be provided to CARRIER in accordance with applicable provisions of Telcordia/ANSI standard technical references.
- 3.7.6 AT&T SOUTHEAST REGION 9-STATE will only provision, maintain and repair the loops to the standards that are consistent with the loop component associated with the Wholesale Local Platform Services.

3.8 Loop Tagging

- 3.8.1 When an AT&T SOUTHEAST REGION 9-STATE technician is required to be dispatched to provision the loop, AT&T SOUTHEAST REGION 9-STATE will tag the loop with the telephone number. When a dispatch is not required to provision the loop, AT&T SOUTHEAST REGION 9-STATE will tag the loop on the next required visit to the End User's location. If CARRIER wants to ensure the loop is tagged during the provisioning process for loops that may not require a dispatch, CARRIER may order Loop Tagging. Rates for Loop Tagging are as set forth in Exhibit A.

4.0 Wholesale Switch Port Services and Wholesale Local Platform Services Rates

- 4.1 The rates for Wholesale Switch Port Services and Wholesale Local Platform Services are set forth in Exhibit A and shall include monthly recurring and nonrecurring charges.
 - 4.1.1 For the Wholesale Switch Port, recurring charges apply to the switch port, switch based vertical features, End Office Switching, Tandem Switching and Common Transport pricing elements. Nonrecurring charges apply to the switch port.
 - 4.1.2 For the Wholesale Local Platform Services, recurring charges apply to the switch port, loop, switch based vertical features, End Office Switching, Tandem Switching and Common Transport pricing elements. Nonrecurring charges shall apply to the switch port for a new installation. If, however, the Service is converted from AT&T SOUTHEAST REGION 9-STATE retail, resale, or a loop/port combination provided by AT&T SOUTHEAST REGION 9-STATE to another CLEC, or is an initial new installation of a simple residential service line provisioned at a location where QuickServe is active on the line, the nonrecurring conversion charges shall apply to such conversions. In the scenario of a line provisioned at a QuickServe location, only the first line shall incur the conversion rate. Any additional lines or subsequently ordered lines shall incur new installation first and additional nonrecurring charges.
 - 4.1.3 For the DS0 Wholesale Local Platform Service - Centrex, recurring charges apply to the Switch Port, loop, Common Block Program, Centrex Intercom Function, switch based vertical features, End Office Switching, Tandem Switching and Common Transport pricing elements. Nonrecurring charges shall apply to the switch port for a new installation.
 - 4.1.4 Direct Inward Dialing ("DID"), ISDN/BRI and DS0 Wholesale Local Platform Services with E911 Call Locator (including DID and On/Off Premises Extensions) shall include both recurring and nonrecurring charges.
- 4.2 ISDN/PRI, DS1 Wholesale Local Platform Service – DDITS, DS1 Wholesale Local Platform Services – 4-Wire DS1 Loop with Channelization with Port shall include both recurring and nonrecurring charges.
 - 4.2.1 DS1 Wholesale Local Platform Services also require additional elements, including but not limited to DID number blocks, Superframe Format, D1 channel banks, inter-office channels, for proper provisioning of the particular DS1 Wholesale Local Platform Service. Appropriate recurring and nonrecurring charges for these applicable service specific elements are located in Exhibit A.
- 4.3 The rates for End Office Switching, Tandem Switching and Common Transport are applied based on their use in the transport of an originated or terminated call. Originated calls shall utilize these pricing elements until the terminating

end office is reached for an AT&T SOUTHEAST REGION 9-STATE or resale End User terminated call or until the call reaches the network of a third party on a third party terminated call.

4.3.1 AT&T SOUTHEAST REGION 9-STATE may, at its option, move to a single Usage rate element that shall replace the End Office Switching, Tandem Switching and Common Transport rates elements. This rate element is listed as Local Wholesale Switching Usage, per mou in the rate exhibit, Exhibit A. If AT&T SOUTHEAST REGION 9-STATE, at its option, moves to this single rate element, it may require AT&T SOUTHEAST REGION 9-STATE Billing System modifications. If and when those modifications are complete, AT&T SOUTHEAST REGION 9-STATE shall notify CARRIER that the single LWC Usage rate shall apply going forward.

4.4 Rates for loops purchased in conjunction with Wholesale Local Platform Services are determined by the zone applicable to the specific loop location.

5.0 Call Related Databases

5.1 Call related databases provided under this Agreement shall only be provided with wholesale local circuit switching pursuant to the terms and conditions herein and at the rates set forth in Exhibit A. Database services that are not available pursuant to this Agreement may be available at the rates, terms and conditions set forth in AT&T SOUTHEAST REGION 9-STATE's tariffs.

5.2 AT&T SOUTHEAST REGION 9-STATE's Calling Name (CNAM) Database Services

5.2.1 AT&T SOUTHEAST REGION 9-STATE's CNAM database Services provide the ability to associate a name with the calling party's number for any name and number stored in the AT&T SOUTHEAST REGION 9-STATE CNAM database, allowing the End User (to which a call is being terminated and which subscribes to the necessary services) to view the calling party's name before the call is answered.

5.2.2 CARRIER's End Users' names and numbers related to Wholesale Switch Port Services and Wholesale Local Platform Services shall be stored in the AT&T SOUTHEAST REGION 9-STATE CNAM database, and shall be available, on a per query basis only, to all entities that launch queries to the AT&T SOUTHEAST REGION 9-STATE CNAM database. AT&T SOUTHEAST REGION 9-STATE, at its sole discretion, may opt to interconnect with and query other calling name databases. In the event AT&T SOUTHEAST REGION 9-STATE does not query a third party calling name database that stores the calling party's information, AT&T SOUTHEAST REGION 9-STATE cannot deliver the calling party's information to a called End User. In addition, AT&T SOUTHEAST REGION 9-STATE cannot deliver the calling party's information where the calling party subscribes to any service that would block or otherwise cause the information to be unavailable.

5.2.3 For each CARRIER End User that subscribes to a switch based vertical feature providing calling name information to that End User for calls received, AT&T SOUTHEAST REGION 9-STATE will launch a query on a per call basis to the AT&T SOUTHEAST REGION 9-STATE CNAM database, or, subject to Section 5.2.1 above, to a third party calling name database, to provide calling name information, if available, to CARRIER's End User. CARRIER shall pay the rates set forth in Exhibit A, on a per query basis, for each query to the AT&T SOUTHEAST REGION 9-STATE CNAM database made on behalf of a CARRIER End User that subscribes to the appropriate vertical features that support Caller ID or a variation thereof. In addition, CARRIER shall reimburse AT&T SOUTHEAST REGION 9-STATE for any charges AT&T SOUTHEAST REGION 9-STATE pays to third party calling name database providers for queries launched to such database providers for the benefit of CARRIER's End Users.

5.2.4 AT&T SOUTHEAST REGION 9-STATE shall bill for CNAM queries the rate set forth in Exhibit A. In the event AT&T SOUTHEAST REGION 9-STATE is unable to bill per query, AT&T SOUTHEAST REGION 9-STATE shall bill CARRIER at the applicable rates set forth in Exhibit A based on a surrogate of two hundred and fifty-six (256) database queries per month per CARRIER's End Users with the Caller ID feature.

5.3 AT&T SOUTHEAST REGION 9-STATE's Line Information Database ("LIDB") Storage

- 5.3.1 The LIDB stores current information on working telephone numbers and billing account numbers. LIDB data is used by providers of Telecommunications Services to validate billing of collect calls, calls billed to a third party number and nonproprietary calling card calls, to screen out attempts to bill calls to payphones, for billing and for fraud prevention.
- 5.3.2 Where CARRIER purchases Wholesale Switch Port Services or Wholesale Local Platform Services, AT&T SOUTHEAST REGION 9-STATE shall utilize AT&T SOUTHEAST REGION 9-STATE's service order generated from CARRIER's LSR to populate LIDB with CARRIER's End User information. AT&T SOUTHEAST REGION 9-STATE provides access to information in its LIDB, including CARRIER End User information, to various providers of Telecommunications Services via queries to LIDB pursuant to tariffs. Information stored for CARRIER, pursuant to this Agreement, shall be available to those Telecommunications Service providers.
- 5.3.2.1 When necessary for fraud control measures, AT&T SOUTHEAST REGION 9-STATE may perform additions, updates and deletions of CARRIER data to the LIDB (e.g., calling card deactivation).
- 5.3.2.2 AT&T SOUTHEAST REGION 9-STATE shall provide priority updates to LIDB for CARRIER data upon CARRIER's request (e.g., to support fraud detection), via password protected telephone card, facsimile, or electronic mail.
- 5.3.2.3 AT&T SOUTHEAST REGION 9-STATE shall perform periodic backup and recovery of all of CARRIER's data in LIDB.
- 5.3.3 Responsibilities of the Parties
- 5.3.3.1 AT&T SOUTHEAST REGION 9-STATE will administer the data provided by CARRIER pursuant to this Agreement in the same manner as AT&T SOUTHEAST REGION 9-STATE administers its own data.
- 5.3.3.2 CARRIER is responsible for the completeness and accuracy of the data being provided to AT&T SOUTHEAST REGION 9-STATE.
- 5.3.4 Other LIDB services, such as transport services or LIDB query services, are available pursuant to AT&T SOUTHEAST REGION 9-STATE's tariffs. CARRIER shall pay the rates set forth in Exhibit A, on a per query basis, for each query to the AT&T SOUTHEAST REGION 9-STATE LIDB database made on behalf of a CARRIER End User.
- 5.3.5 Fees for Service and Taxes
- 5.3.5.1 CARRIER will not be charged a fee for LIDB storage Services provided by AT&T SOUTHEAST REGION 9-STATE to CARRIER pursuant to this Agreement.
- 5.3.5.2 Sales, use and all other taxes (excluding taxes on AT&T SOUTHEAST REGION 9-STATE's income) determined by AT&T SOUTHEAST REGION 9-STATE or any taxing authority to be due to any federal, state or local taxing jurisdiction with respect to the provision of the Service set forth herein will be paid by CARRIER.
- 5.3.6 Billing and Collection Customers
- 5.3.6.1 AT&T SOUTHEAST REGION 9-STATE currently has in effect billing and collection (B&C) agreements with various interexchange carriers and billing clearinghouses ("B&C Customers") that query AT&T SOUTHEAST REGION 9-STATE's LIDB to determine whether to accept various billing options from AT&T SOUTHEAST REGION 9-STATE's End Users.

5.3.6.2 AT&T SOUTHEAST REGION 9-STATE will identify CARRIER's End User originated long distance charges and upon receipt of charges applicable to CARRIER's End Users, AT&T SOUTHEAST REGION 9-STATE will reject those charges as not covered by the existing B&C agreement with the B&C Customers.

5.3.6.3 AT&T SOUTHEAST REGION 9-STATE shall have no obligation to become involved in or provide any information relating to any billing disputes between CARRIER and the B&C Customers. It shall be the responsibility of CARRIER and the B&C Customers to negotiate and arrange for any appropriate adjustments.

5.4 Toll Free Dialing Ten Digit Screening Service. Toll Free Dialing Ten Digit Screening Service through AT&T SOUTHEAST REGION 9-STATE's 8XX database in association with Services provided hereunder shall be subject to the terms and conditions set forth in the AT&T SOUTHEAST REGION 9-STATE tariff. The rates are as set forth in Exhibit A.

5.5 Automatic Location Identification/Data Management System ("ALI/DMS") Database-911/E911 Services

5.5.1 Basic 911 Services (911) and Enhanced 911 Services (E911) route 911 calls from within the AT&T SOUTHEAST REGION 9-STATE Network. AT&T SOUTHEAST REGION 9-STATE shall provide 911 and E911 capability for each End User of CARRIER's Wholesale Switch Port Services and Wholesale Local Platform Services in accordance with the provisions below where AT&T SOUTHEAST REGION 9-STATE is the 911 or E911 provider.

5.5.2 911 provides routing of a 911 call to a centralized answering location designated by the PSAP. The End User verbally relays the emergency information to the centralized answering location.

5.5.3 E911, through the ALI/DMS database, routes the call to the appropriate PSAP and displays to the PSAP the address associated with the End User's telephone number.

5.5.4 CARRIER shall be responsible for providing complete and accurate End User information to AT&T SOUTHEAST REGION 9-STATE via LSRs. AT&T SOUTHEAST REGION 9-STATE shall use such information to populate and update the ALI/DMS database at no additional charge to CARRIER.

5.5.5 CARRIER is responsible for paying all 911 or E911 surcharges to the applicable governmental agency, and AT&T SOUTHEAST REGION 9-STATE will not bill CARRIER for such 911 or E911 surcharges.

6.0 Local Number Portability (LNP)

6.1 LNP will be provided in accordance with rules, regulations and guidelines adopted by the Commission, the FCC and industry fora, and CARRIER will work cooperatively with AT&T SOUTHEAST REGION 9-STATE to implement any LNP changes.

6.2 When CARRIER submits an LSR for Services, if the telephone number associated with the Services requested resides in a switch other than AT&T SOUTHEAST REGION 9-STATE's, then AT&T SOUTHEAST REGION 9-STATE will submit an LNP LSR to the appropriate switch owner. CARRIER shall be responsible for reimbursing AT&T SOUTHEAST REGION 9-STATE for any costs or charges imposed on AT&T SOUTHEAST REGION 9-STATE by the switch owner resulting from the submission of the LNP LSR. In addition, CARRIER shall pay to AT&T SOUTHEAST REGION 9-STATE the manual service order charges specified in Exhibit C of Attachment 2 for AT&T SOUTHEAST REGION 9-STATE's creation and submission of the LNP LSR to the appropriate switch owner.

6.3 Working telephone numbers, telephone numbers for which payment has been made to reserve and telephone numbers that are in a denied state (but not disconnected) or suspended status may be subject to porting.

7.0 Access To Numbers

7.1 Where AT&T SOUTHEAST REGION 9-STATE provides Wholesale Switch Port Service or Wholesale Local Platform Services to CARRIER, AT&T SOUTHEAST REGION 9-STATE will provide CARRIER with online access to available

telephone numbers as defined by, and in accordance with, applicable FCC rules and regulations on a first come first served basis. CARRIER may designate up to a forecasted six (6) months supply of available numbers as intermediate (an available number provided to CARRIER) telephone numbers per rate center if the following conditions are met:

- 7.1.1 CARRIER must: (1) indicate that all of the intermediate numbers currently held by CARRIER in each rate center where CARRIER will be requesting intermediate telephone numbers have six (6) or less months to exhaust; (2) supply projected monthly telephone number demand on a rate center basis for the coming twelve (12) months for each rate center where CARRIER will be requesting intermediate telephone numbers; and, (3) demonstrate that the utilization level on current intermediate numbers held by CARRIER in the rate center where CARRIER is requesting telephone numbers has reached at least seventy percent (70%). The above information will be provided by CARRIER by submitting to AT&T SOUTHEAST REGION 9-STATE a fully completed "CO Code Assignments Months To Exhaust Certification Worksheet – TN Level" (MTE Worksheet), Appendix B to the Central Office Code (NXX) Assignments Guidelines, INC 95-0407-008 for each rate center where CARRIER will be requesting intermediate telephone numbers. The utilization level is calculated by dividing all intermediate numbers currently assigned by CARRIER to End Users by the total number of intermediate numbers held by CARRIER in the rate center and multiplying the result by one hundred (100). After June 30, 2004, rate center utilization level must be at seventy-five percent (75%) (Part F of the MTE Worksheet).
- 7.1.2 If fulfilling CARRIER's request for intermediate numbers results in AT&T SOUTHEAST REGION 9-STATE having to submit a request for additional telephone numbers to a national numbering administrator (either the North American Numbering Plan Administration ("NANPA") CO Code Administration or NeuStar Pooling Administration or their successors), AT&T SOUTHEAST REGION 9-STATE will submit the required numbering request to the national numbering administrator to satisfy CARRIER's request for intermediate numbers. AT&T SOUTHEAST REGION 9-STATE will also pursue all appropriate steps (including submitting a safety valve request (petition) to the appropriate Commission if the numbering request is denied by the national administrator) to satisfy CARRIER's request for intermediate numbers. In these cases, AT&T SOUTHEAST REGION 9-STATE is not obligated to fulfill the request by CARRIER for intermediate numbers unless, and until, AT&T SOUTHEAST REGION 9-STATE's request for additional numbering resources is granted.
- 7.1.3 CARRIER agrees to supply supporting information for any numbering request and/or safety valve request that AT&T SOUTHEAST REGION 9-STATE files pursuant to Section 7.1.2 above.

- 7.2 CARRIER acknowledges that there may be instances where there is an industry shortage of available telephone numbers in the Numbering Plan Area (NPA). These instances occur where a jeopardy status has been declared by NANPA and the industry has determined that limiting the assignment of new numbers is the appropriate method to employ until the jeopardy can be alleviated. In such NPA jeopardy situations where assignment of new numbers is restricted as per the jeopardy guidelines developed by the industry, AT&T SOUTHEAST REGION 9-STATE may request that CARRIER cancel all or a portion of its unassigned intermediate numbers. CARRIER's consent to AT&T SOUTHEAST REGION 9-STATE's request shall not be unreasonably withheld.

8.0 Wholesale Operator Call Processing Services

- 8.1 AT&T SOUTHEAST REGION 9-STATE's Wholesale Operator Call Processing (OCP) provides: (1) operator handling for call completion (for example, collect, third number billing, and manual calling card calls); (2) operator or automated assistance for billing after the End User has dialed the called number (for example, calling card calls); and (3) special services including but not limited to Busy Line Verification and Emergency Line Interrupt (ELI), Emergency Agency Call, and Operator-assisted Directory Assistance.
- 8.2 Upon request for OCP, AT&T SOUTHEAST REGION 9-STATE shall:
- 8.2.1 Process 0+ and 0- dialed local calls.

- 8.2.2 Process 0+ and 0- intraLATA toll calls.
 - 8.2.3 Process calls that are billed to CARRIER End User's calling card that can be validated by AT&T SOUTHEAST REGION 9-STATE.
 - 8.2.4 Process person-to-person calls.
 - 8.2.5 Process collect calls.
 - 8.2.6 Provide the capability for callers to bill a third party and shall also process such calls.
 - 8.2.7 Process station-to-station calls.
 - 8.2.8 Process Busy Line Verify and ELL requests. Rates are set forth under Inward Operator Services in Exhibit A.
 - 8.2.9 Process emergency call trace originated by a PSAP.
 - 8.2.10 Process operator assisted directory assistance calls.
 - 8.2.11 Adhere to equal access requirements, providing CARRIER local End Users the same Interexchange Carrier (IXC) access as provided to AT&T SOUTHEAST REGION 9-STATE End Users.
 - 8.2.12 Exercise at least the same level of fraud control in providing operator service to CARRIER that AT&T SOUTHEAST REGION 9-STATE provides for its own operator service.
 - 8.2.13 Perform Billed Number Screening when handling collect, person-to-person, and billed-to-third-party calls.
 - 8.2.14 Direct customer account and other similar inquiries to the customer service center designated by CARRIER.
 - 8.2.15 Provide call detail records to CARRIER via the Optional Daily Usage File (ODUF) described in this Attachment.
- 8.3 The interface requirements shall conform to the interface specifications for the platform used to provide Operator Services as long as the interface conforms to industry standards.
- 8.4 AT&T SOUTHEAST REGION 9-STATE will provide access to OCP Service at the rates set forth in Exhibit A.
- 9.0 Wholesale Directory Assistance Service**
- 9.1 AT&T SOUTHEAST REGION 9-STATE's Wholesale Directory Assistance (DA) Service provides local and non local End User telephone number listings with the option to complete the call at the caller's direction separate and distinct from Wholesale Switch Ports Services or Wholesale Local Platform Services.
- 9.2 AT&T SOUTHEAST REGION 9-STATE will provide access to DA Service at the rates set forth in Exhibit A.
- 9.3 DA Service shall provide up to two (2) listing requests per call. If available and if requested by CARRIER's End User, AT&T SOUTHEAST REGION 9-STATE shall provide caller-optional directory assistance call completion service to one of the provided listings.
- 9.4 DA Service Updates. AT&T SOUTHEAST REGION 9-STATE shall update End User listings changes daily. These changes include:
- 9.4.1 New End User connections;
 - 9.4.2 End User disconnections;
 - 9.4.3 End User address changes.
- 9.5 These updates shall also be provided for non listed and non published numbers for use in emergencies.
- 10.0 ODUF**
- 10.1 Upon written request from CARRIER, AT&T SOUTHEAST REGION 9-STATE will provide the ODUF Services to CARRIER pursuant to the terms and conditions set forth in this section.

- 10.2 CARRIER shall furnish all relevant information required by AT&T SOUTHEAST REGION 9-STATE for the provision of the ODUF.
- 10.3 The ODUF feed provides CARRIER messages, associated with Wholesale Switch Port Services and Wholesale Local Platform Services that CARRIER has purchased from AT&T SOUTHEAST REGION 9-STATE that were carried over the AT&T SOUTHEAST REGION 9-STATE network and processed by AT&T SOUTHEAST REGION 9-STATE for CARRIER.
- 10.4 Charges for the ODUF Service will appear on CARRIER's monthly bills for the previous month's usage in arrears. The charges are as set forth in Exhibit A.
- 10.5 The ODUF feed will contain both rated and unrated messages. All messages will be in the standard Alliance for Telecommunications Industry Solutions (ATIS) EMI record format.
- 10.6 Messages that error in the billing system of CARRIER will be the responsibility of CARRIER. If, however, CARRIER should encounter significant volumes of errored messages that prevent processing by CARRIER within its systems, AT&T SOUTHEAST REGION 9-STATE will work with CARRIER to determine the source of the errors and the appropriate resolution.
- 10.7 ODUF Specifications
- 10.7.1 ODUF Messages to be Transmitted
- 10.7.1.1 The following messages recorded by AT&T SOUTHEAST REGION 9-STATE will be transmitted to CARRIER:
- 10.7.1.1.1 Message recording for per use/per activation type services (examples: Three-Way Calling, Verify, Interrupt, Call Return, etc.)
- 10.7.1.1.2 Measured local calls
- 10.7.1.1.3 DA messages
- 10.7.1.1.4 IntraLATA Toll
- 10.7.1.1.5 WATS and 800 Service
- 10.7.1.1.6 N11
- 10.7.1.1.7 Information Service Provider Messages
- 10.7.1.1.8 Operator Services Messages
- 10.7.1.1.9 Operator Services Message Attempted Calls
- 10.7.1.1.10 Credit/Cancel Records
- 10.7.1.1.11 Usage for Voice Mail Message Service
- 10.7.1.2 Rated Incollets (messages AT&T SOUTHEAST REGION 9-STATE receives from other revenue accounting offices) also appear on ODUF. Rated Incollets will be intermingled with AT&T SOUTHEAST REGION 9-STATE recorded rated and unrated usage. Rated Incollets will not be packed separately.
- 10.7.1.3 AT&T SOUTHEAST REGION 9-STATE will perform duplicate record checks on records processed to ODUF. Any duplicate messages detected will be deleted and not sent to CARRIER.
- 10.7.1.4 In the event that CARRIER detects a duplicate on ODUF they receive from AT&T SOUTHEAST REGION 9-STATE, CARRIER will drop the duplicate message and will not return the duplicate to AT&T SOUTHEAST REGION 9-STATE.

10.7.2 ODUF Physical File Characteristics

10.7.2.1 ODUF will be distributed to CARRIER via Secure File Transfer Protocol (FTP). The ODUF feed will be a variable block format. The data on the ODUF feed will be in a non-compacted EMI format (175 byte format plus modules). It will be created on a daily basis Monday through Friday except holidays. Details such as dataset name and delivery schedule will be addressed during negotiations of the distribution medium. There will be a maximum of one (1) dataset per workday per OCN. If AT&T SOUTHEAST REGION 9-STATE determines the Secure FTP Mailbox is nearing capacity levels, AT&T SOUTHEAST REGION 9-STATE may move the CARRIER to CONNECT:Direct file delivery.

10.7.2.2 If the CARRIER is moved to CONNECT:Direct, data circuits (private line or dial-up) will be required between AT&T SOUTHEAST REGION 9-STATE and CARRIER for the purpose of data transmission. Where a dedicated line is required, CARRIER will be responsible for ordering the circuit, overseeing its installation and coordinating the installation with AT&T SOUTHEAST REGION 9-STATE. CARRIER will also be responsible for any charges associated with this line. Equipment required on AT&T SOUTHEAST REGION 9-STATE end to attach the line to the mainframe computer and to transmit messages successfully on an ongoing basis will be negotiated on an individual case basis. Any costs incurred for such equipment will be CARRIER's responsibility. Where a dial up facility is required, dial circuits will be installed in the AT&T SOUTHEAST REGION 9-STATE data center by AT&T SOUTHEAST REGION 9-STATE and the associated charges assessed to CARRIER. Additionally, all message toll charges associated with the use of the dial circuit by CARRIER will be the responsibility of CARRIER. Associated equipment on the AT&T SOUTHEAST REGION 9-STATE end, including a modem, will be negotiated on an individual case basis between the Parties. All equipment, including modems and software, that is required on CARRIER's end for the purpose of data transmission will be the responsibility of CARRIER.

10.7.2.3 If CARRIER utilizes FTP for data file transmission, purchase of the FTP software will be the responsibility of CARRIER.

10.7.3 ODUF Packing Specifications

10.7.3.1 The data will be packed using ATIS EMI records. A pack will contain a minimum of one (1) message record or a maximum of ninety nine thousand nine hundred and ninety nine (99,999) message records plus a pack header record and a pack trailer record. One transmission can contain a maximum of ninety-nine (99) packs and a minimum of one (1) pack.

10.7.3.2 The OCN, From RAO, and Invoice Number will control the invoice sequencing. The From RAO will be used to identify to CARRIER which AT&T SOUTHEAST REGION 9-STATE RAO is sending the message. AT&T SOUTHEAST REGION 9-STATE and CARRIER will use the invoice sequencing to control data exchange. CARRIER will notify AT&T SOUTHEAST REGION 9-STATE of sequence failures identified by CARRIER and AT&T SOUTHEAST REGION 9-STATE will resend the data as appropriate.

10.7.4 ODUF Pack Rejection. CARRIER will notify AT&T SOUTHEAST REGION 9-STATE within one (1) business day of rejected packs (via the mutually agreed medium). Packs could be rejected because of pack sequencing discrepancies or a critical edit failure on the Pack Header or Pack Trailer records (e.g., out-of-balance condition on grand totals, invalid data populated). Standard ATIS EMI error codes will be used. CARRIER will not be required to return the actual rejected data to AT&T SOUTHEAST REGION 9-STATE. Rejected packs will be corrected and retransmitted to CARRIER by AT&T SOUTHEAST REGION 9-STATE.

10.7.5 ODUF Control Data. CARRIER will send one (1) confirmation record per pack that is received from AT&T SOUTHEAST REGION 9-STATE. This confirmation record will indicate CARRIER's receipt of the pack and acceptance or rejection of the pack. Pack Status Code(s) will be populated using standard ATIS EMI error codes for packs that were rejected by CARRIER for reasons stated in the above section.

10.7.6 ODUF Testing. Upon request from CARRIER, AT&T SOUTHEAST REGION 9-STATE shall send ODUF test files to CARRIER. The Parties agree to review and discuss the ODUF content and/or format. For testing of usage results, AT&T SOUTHEAST REGION 9-STATE shall request that CARRIER set up a production (live) file. The live test may consist of CARRIER's employees making test calls for the types of services CARRIER requests on ODUF. These test calls are logged by CARRIER, and the logs are provided to AT&T SOUTHEAST REGION 9-STATE. These logs will be used to verify the files. Testing will be completed within thirty (30) days from the date on which the initial test file was sent.

11.0 Access Daily Usage File

11.1 Upon written request from CARRIER, AT&T SOUTHEAST REGION 9-STATE will provide the Access Daily Usage File (ADUF) Services to CARRIER pursuant to the terms and conditions set forth in this section.

11.2 CARRIER shall furnish all relevant information required by AT&T SOUTHEAST REGION 9-STATE for the provision of ADUF Services.

11.3 The ADUF provides CARRIER originating and terminating access and third party messages associated with Wholesale Switch Port Services and Wholesale Local Platform Services that CARRIER has purchased from AT&T SOUTHEAST REGION 9-STATE.

11.4 Charges for ADUF Services will appear on CARRIER's monthly bills for the previous month's usage in arrears. The charges are as set forth in Exhibit A.

11.5 Messages that error in the billing system of CARRIER will be the responsibility of CARRIER. If, however, CARRIER should encounter significant volumes of errored messages that prevent processing by CARRIER within its systems, AT&T SOUTHEAST REGION 9-STATE will work with CARRIER to determine the source of the errors and the appropriate resolution.

11.6 ADUF Messages To Be Transmitted

11.6.1 The following messages recorded by AT&T SOUTHEAST REGION 9-STATE will be transmitted to CARRIER:

11.6.1.1 Recorded originating and terminating interstate and intrastate access records associated with Wholesale Switch Port Services and Wholesale Local Platform Services.

11.6.1.2 Recorded terminating access records for undetermined jurisdiction access records associated with Wholesale Switch Port Services and Wholesale Local Platform Services.

11.6.2 AT&T SOUTHEAST REGION 9-STATE will perform duplicate record checks on records processed to ADUF. Any duplicate messages detected will be dropped and not sent to CARRIER.

11.6.3 In the event that CARRIER detects a duplicate on ADUF they receive from AT&T SOUTHEAST REGION 9-STATE, CARRIER will drop the duplicate message and will not return the duplicate to AT&T SOUTHEAST REGION 9-STATE.

11.6.4 ADUF Physical File Characteristics

11.6.4.1 ADUF will be distributed to CARRIER via Secure FTP Mailbox. The ADUF feed will be a fixed block format. The data on the ADUF feed will be in a non-compacted EMI format (210 bytes). It will be created on a daily basis Monday through Friday except holidays. Details such as dataset name and delivery schedule will be addressed during negotiations of the distribution medium. There will be a

maximum of one (1) dataset per workday per OCN. If AT&T SOUTHEAST REGION 9-STATE determines the Secure FTP Mailbox is nearing capacity levels, AT&T SOUTHEAST REGION 9-STATE may move the CARRIER to CONNECT:Direct file delivery.

- 11.6.4.2 If the CARRIER is moved to CONNECT:Direct, data circuits (private line or dial-up) will be required between AT&T SOUTHEAST REGION 9-STATE and CARRIER for the purpose of data transmission. Where a dedicated line is required, CARRIER will be responsible for ordering the circuit, overseeing its installation and coordinating the installation with AT&T SOUTHEAST REGION 9-STATE. CARRIER will also be responsible for any charges associated with this line. Equipment required on the AT&T SOUTHEAST REGION 9-STATE end to attach the line to the mainframe computer and to transmit messages successfully on an ongoing basis will be negotiated on an individual case basis. Any costs incurred for such equipment will be CARRIER's responsibility. Where a dial-up facility is required, dial circuits will be installed in the AT&T SOUTHEAST REGION 9-STATE data center by AT&T SOUTHEAST REGION 9-STATE and the associated charges assessed to CARRIER. Additionally, all message toll charges associated with the use of the dial circuit by CARRIER will be the responsibility of CARRIER. Associated equipment on the AT&T SOUTHEAST REGION 9-STATE end, including a modem, will be negotiated on an individual case basis between the Parties. All equipment, including modems and software, that is required on CARRIER's end for the purpose of data transmission will be the responsibility of CARRIER.
- 11.6.4.3 If CARRIER utilizes FTP for data file transmission, purchase of the FTP software will be the responsibility of CARRIER.
- 11.6.5 ADUF Packing Specifications
- 11.6.5.1 The data will be packed using ATIS EMI records. A pack will contain a minimum of one (1) message record or a maximum of ninety nine thousand nine hundred and ninety nine (99,999) message records plus a pack header record and a pack trailer record. One transmission can contain a maximum of ninety-nine (99) packs and a minimum of one (1) pack.
- 11.6.5.2 The OCN, From RAO, and Invoice Number will control the invoice sequencing. The From RAO will be used to identify to CARRIER which AT&T SOUTHEAST REGION 9-STATE RAO is sending the message. AT&T SOUTHEAST REGION 9-STATE and CARRIER will use the invoice sequencing to control data exchange. CARRIER will notify AT&T SOUTHEAST REGION 9-STATE of sequence failures identified by CARRIER and AT&T SOUTHEAST REGION 9-STATE will resend the data as appropriate.
- 11.6.6 ADUF Pack Rejection. CARRIER will notify AT&T SOUTHEAST REGION 9-STATE within one (1) business day of rejected packs (via the mutually agreed medium). Packs could be rejected because of pack sequencing discrepancies or a critical edit failure on the Pack Header or Pack Trailer records (e.g., out-of-balance condition on grand totals, invalid data populated). Standard ATIS EMI error codes will be used. CARRIER will not be required to return the actual rejected data to AT&T SOUTHEAST REGION 9-STATE. Rejected packs will be corrected and retransmitted to CARRIER by AT&T SOUTHEAST REGION 9-STATE.
- 11.6.7 ADUF Control Data. CARRIER will send one (1) confirmation record per pack that is received from AT&T SOUTHEAST REGION 9-STATE. This confirmation record will indicate CARRIER's receipt of the pack and acceptance or rejection of the pack. Pack Status Code(s) will be populated using standard ATIS EMI error codes for packs that were rejected by CARRIER for reasons stated in the above section.
- 11.6.8 ADUF Testing. Upon request from CARRIER, AT&T SOUTHEAST REGION 9-STATE shall send a test file of generic data to CARRIER via CONNECT:Direct or Text File via e-mail. The Parties agree to review and discuss the test file's content and/or format.

12.0 Centralized Message Distribution System (CMDS) Utilizing Revenue Accounting Office (RAO) Hosting

12.1 Definitions

- 12.1.1 CMDS is a national message exchange system administered by Telcordia used to transmit alternately billed calls (e.g., credit card, third number and collect) from the Earning Company, as defined herein, to the Billing Company, as defined herein, to permit the Earning Company and the Billing Company to receive appropriate compensation.
- 12.1.2 Direct Participants are Telecommunications carriers that exchange data directly with other Direct Participants via the CMDS Data Center and may act as host companies (Host) for those Telecommunications carriers that do not exchange data directly via the CMDS Data Center (Indirect Participants).
- 12.1.3 RAO Hosting is a hosting relationship where an Indirect Participant sends and receives CMDS eligible messages to and from its Host, who then interfaces, on behalf of the Indirect Participant, with other Direct Participants for distribution and collection of these messages. RAO Hosting also includes the Direct Participant's provision of revenue settlements functions (compensation) for alternately billed calls based upon reports generated by Credit Card and Third Number Settlement (CATS) and Non-InterCompany Settlement (NICS) as described herein. CATS and NICS are collectively referred to as Intercompany Settlements.
- 12.1.4 The CATS System is a national system administered by Telcordia, used to settle revenues for calls that are sent from one CMDS Direct Participant to another for billing. CATS applies to calls that originate within one Regional Bell Operating Company's (RBOC) territory, as defined at Divestiture, and bill in another RBOC's territory. CATS calculates the amounts due to Earning Companies (i.e., billed revenue less the billing and collection fee). For alternately billed calls, the originating company, whose facilities are used to place the call, is the Earning Company and the company that puts the charges on the End User's bill is the Billing Company.
- 12.1.5 The Non-InterCompany Settlement (NICS) System is the national system administered by Telcordia that is used in the settlement of revenues for calls that are originated and billed by two (2) different local exchange carriers (LEC) within a single Direct Participant's territory to another for billing. NICS applies to calls involving another LEC where the Earning Company and the Billing Company are located within AT&T SOUTHEAST REGION 9-STATE's territory.

12.2 Upon CARRIER's request, AT&T SOUTHEAST REGION 9-STATE, as a Direct Participant, shall provide RAO Hosting Services to CARRIER, as an Indirect Participant, as set forth herein.

- 12.2.1 Where CARRIER selects AT&T SOUTHEAST REGION 9-STATE as its RAO Host for the delivery of Intercompany Settlements messages, CARRIER must request that AT&T SOUTHEAST REGION 9-STATE establish a unique hosted RAO code for CARRIER. Such request shall be in writing to the AT&T SOUTHEAST REGION 9-STATE RAO Hosting coordinator and must be submitted at least eight (8) weeks prior to provision of Services pursuant to this Section. Services shall commence on a date mutually agreed to by the Parties.
- 12.2.2 AT&T SOUTHEAST REGION 9-STATE will record CARRIER's End User messages and forward such messages to CARRIER via the ODUF in Exchange Message Interface (EMI) format. CARRIER must rate the messages and forward them to AT&T SOUTHEAST REGION 9-STATE, as its RAO Host, for distribution to the Billing Company via CMDS. AT&T SOUTHEAST REGION 9-STATE will deliver such messages for CARRIER through CMDS and will bill CARRIER for CMDS on a per message basis as set forth in Exhibit A. CARRIER must follow all Telcordia message exchange standards to send and receive the above referenced NICS and CATS settlements.
- 12.2.3 AT&T SOUTHEAST REGION 9-STATE will receive messages from CARRIER that are to be processed by AT&T SOUTHEAST REGION 9-STATE, another LEC in the AT&T SOUTHEAST REGION 9-STATE region

or a LEC outside the AT&T SOUTHEAST REGION 9-STATE region. CARRIER must send all messages to AT&T SOUTHEAST REGION 9-STATE no later than eighty nine (89) days after the message date or Telcordia will reject the entire pack.

- 12.2.4 RAO Hosting, CATS and NICS Services provided to CARRIER by AT&T SOUTHEAST REGION 9-STATE will be in accordance with the methods and practices regularly applied by AT&T SOUTHEAST REGION 9-STATE to its own operations during the term of this Agreement, including such revisions as may be made from time to time by AT&T SOUTHEAST REGION 9-STATE.
- 12.2.5 CARRIER shall furnish all relevant information required by AT&T SOUTHEAST REGION 9-STATE for the provision of RAO Hosting, CATS and NICS.
- 12.2.6 AT&T SOUTHEAST REGION 9-STATE will perform invoice sequence checking, standard EMI format editing, and balancing of message data with the EMI trailer record counts on all data received from CARRIER. All messages and related data exchanged between AT&T SOUTHEAST REGION 9-STATE and CARRIER will be formatted for EMI formatted records and packed between appropriate EMI header and trailer records in accordance with accepted industry standards.
- 12.2.7 All data received from CARRIER that is to be processed or billed by another LEC within the AT&T SOUTHEAST REGION 9-STATE region will be distributed to that LEC in accordance with the agreement(s) in effect between AT&T SOUTHEAST REGION 9-STATE and the involved LEC.
- 12.2.8 All data received from CARRIER that is to be placed on the CMDS network for distribution outside the AT&T SOUTHEAST REGION 9-STATE region will be handled in accordance with the agreement(s) in effect between AT&T SOUTHEAST REGION 9-STATE and its connecting contractor, currently Telcordia.
- 12.2.9 AT&T SOUTHEAST REGION 9-STATE will receive messages from the CMDS network that are destined to be processed by CARRIER and will forward them to CARRIER on a daily basis for processing.
- 12.2.10 CMDS data between AT&T SOUTHEAST REGION 9-STATE and CARRIER will be distributed via Secure FTP Mailbox. It will be created on a daily basis Monday through Friday, except holidays. Details such as dataset name and delivery schedule will be addressed during negotiations of the distribution medium. If AT&T SOUTHEAST REGION 9-STATE determines the Secure FTP Mailbox is nearing capacity levels, AT&T SOUTHEAST REGION 9-STATE may move CARRIER to CONNECT:Direct file delivery.
- 12.2.11 If CARRIER is moved to CONNECT:Direct, data circuits (private line or dial up) will be required between AT&T SOUTHEAST REGION 9-STATE and CARRIER for the purpose of data transmission when utilizing CONNECT:Direct. Where a dedicated line is required, CARRIER will be responsible for ordering the circuit, overseeing its installation and coordinating the installation with AT&T SOUTHEAST REGION 9-STATE. CARRIER will also be responsible for any charges associated with this line. Equipment required on the AT&T SOUTHEAST REGION 9-STATE end to attach the line to the mainframe computer and to transmit successfully ongoing will be negotiated on an individual case basis. Any costs incurred for such equipment will be CARRIER's responsibility. Where a dial-up facility is required, dial circuits will be installed in the AT&T SOUTHEAST REGION 9-STATE data center by AT&T SOUTHEAST REGION 9-STATE and the associated charges assessed to CARRIER. Additionally, all message toll charges associated with the use of the dial circuit by CARRIER will be the responsibility of CARRIER. Associated equipment on the AT&T SOUTHEAST REGION 9-STATE end, including a modem, will be negotiated on an individual case basis between the Parties. All equipment, including modems and software, that is required on the CARRIER end for the purpose of data transmission will be the responsibility of CARRIER.
- 12.2.12 If CARRIER utilizes FTP for data file transmission, purchase of the FTP software will be the responsibility of CARRIER.
- 12.2.13 CARRIER will maintain recorded message detail necessary to recreate files provided to AT&T SOUTHEAST REGION 9-STATE for a period of three (3) calendar months beyond the related message dates.

12.2.14 In the event that data to be exchanged between CARRIER and AT&T SOUTHEAST REGION 9-STATE via CMDS should become lost or destroyed, the Party responsible for creating the data will make every effort to restore and retransmit such data. Should an error be detected by the EMI format edits performed by AT&T SOUTHEAST REGION 9-STATE on data received from CARRIER, the entire pack containing the affected data will not be processed by AT&T SOUTHEAST REGION 9-STATE. AT&T SOUTHEAST REGION 9-STATE will notify CARRIER of the error. CARRIER will correct the error(s) and will resend the entire pack to AT&T SOUTHEAST REGION 9-STATE for processing. In the event that an out-of-sequence condition occurs on subsequent packs, CARRIER will resend these packs to AT&T SOUTHEAST REGION 9-STATE after the pack containing the error has been successfully reprocessed by AT&T SOUTHEAST REGION 9-STATE.

12.3 Intercompany Settlements Messages

12.3.1 AT&T SOUTHEAST REGION 9-STATE will receive the monthly NICS and CATS reports from Telcordia on behalf of CARRIER and will distribute copies of these reports to CARRIER on a monthly basis.

12.3.2 Through CATS AT&T SOUTHEAST REGION 9-STATE will collect the revenue earned by CARRIER from the RBOC in whose territory the messages are billed, less a per message billing and collection fee of five cents (\$0.05), or such other amount as may be approved by the Direct Participants and Telcordia, on behalf of CARRIER. AT&T SOUTHEAST REGION 9-STATE will remit the revenue billed by CARRIER to the RBOC in whose territory the messages originated, less a per message billing and collection fee of five cents (\$0.05), or such other amount as may be approved by the Direct Participants and Telcordia, on behalf of CARRIER. These two (2) amounts will be netted together by AT&T SOUTHEAST REGION 9-STATE and the resulting charge or credit issued to CARRIER via a Carrier Access Billing System (CABS) miscellaneous bill on a monthly basis in arrears.

12.3.3 Through NICS AT&T SOUTHEAST REGION 9-STATE will collect the revenue earned by CARRIER within the AT&T SOUTHEAST REGION 9-STATE territory from another LEC also within the AT&T SOUTHEAST REGION 9-STATE territory (NICS) where the messages are billed, less a per message billing and collection fee of five cents (\$0.05), on behalf of CARRIER. AT&T SOUTHEAST REGION 9-STATE will remit the revenue billed by CARRIER within the AT&T SOUTHEAST REGION 9-STATE region to the LEC also within the AT&T SOUTHEAST REGION 9-STATE region, where the messages originated, less a per message billing and collection fee of five cents (\$0.05). These two (2) amounts will be netted together by AT&T SOUTHEAST REGION 9-STATE and the resulting charge or credit issued to CARRIER via a CABS miscellaneous bill on a monthly basis in arrears.

12.3.4 AT&T SOUTHEAST REGION 9-STATE and CARRIER agree that monthly-netted amounts of less than fifty dollars (\$50.00) will not be settled.

13.0 Rates

13.1 For ODUF, ADUF and CMDS rates are as set forth in Exhibit A.

PRE-ORDERING, ORDERING, PROVISIONING AND MAINTENANCE AND REPAIR

1.0 Guidelines

- 1.1 The guidelines for pre-ordering, ordering, provisioning and maintenance and repair are set forth in Exhibit A.
- 1.2 AT&T SOUTHEAST REGION 9-STATE shall provide CARRIER pre-ordering, ordering, provisioning and maintenance and repair capabilities through manual and electronic interfaces as described in this Attachment (Interfaces). It is the sole responsibility of CARRIER to obtain the technical capability to access and utilize AT&T SOUTHEAST REGION 9-STATE's Interfaces as they may be modified from time to time. CARRIER's use of AT&T SOUTHEAST REGION 9-STATE's Interfaces shall be in accordance with the applicable guides, business rules and specifications set forth in Exhibit A.
- 1.3 Notwithstanding anything to the contrary in any guides, business rules or other specifications, listed or referenced in Exhibit A, CARRIER shall have no right to submit requests, vote on issues, or otherwise participate in AT&T SOUTHEAST REGION 9-STATE's Change Control Process with respect to the Services hereunder.
- 1.4 CARRIER agrees to comply with the provisions of the Operations Support Systems (OSS) Interconnection Volume Guidelines as set forth at AT&T's CLEC Online Website.

2.0 Pre-Ordering

- 2.1 The Interfaces provide access to the following pre-ordering functions: service address validation, telephone number selection, service and feature availability, due date information and CARRIER service record (CSR) information.
- 2.1.1 Loop make-up information is not necessary for the Services offered pursuant to this Agreement and, although the function may be available as a pre-ordering function of the Interfaces, CARRIER is not authorized to receive loop make-up information pursuant to this Agreement. CARRIER shall not request loop make-up information for Services under this Agreement and shall indemnify AT&T SOUTHEAST REGION 9-STATE against any claims, loss, damage or other expenses arising as a result of CARRIER requesting loop make-up.
- 2.2 CARRIER shall provide to AT&T SOUTHEAST REGION 9-STATE access to the same type of CSR information that AT&T SOUTHEAST REGION 9-STATE makes available to CARRIER, including circuit numbers associated with each telephone number where applicable. CARRIER shall provide such information within four (4) hours after request via electronic access where available. If electronic access is not available, CARRIER shall provide to AT&T SOUTHEAST REGION 9-STATE paper copies of CSR information, via email, to an address designated by AT&T SOUTHEAST REGION 9-STATE, unless otherwise agreed to by AT&T SOUTHEAST REGION 9-STATE including circuit numbers associated with each telephone number where applicable. If AT&T SOUTHEAST REGION 9-STATE requests the information before noon, the CSR information shall be provided the same day. If AT&T SOUTHEAST REGION 9-STATE requests the information after noon, the CSR information shall be provided by noon the following day.
- 2.3 CARRIER agrees not to view, copy, or otherwise obtain access to the CSR information of any End User without that End User's permission. CARRIER will obtain access to CSR information only in strict compliance with applicable laws, rules, or regulations of the state in which the Service is provided. AT&T SOUTHEAST REGION 9-STATE reserves the right to monitor CARRIER's access to CSR information. If AT&T SOUTHEAST REGION 9-STATE determines that CARRIER is accessing CSR information without having obtained the proper End User authorization, AT&T SOUTHEAST REGION 9-STATE upon reasonable notice to CARRIER may take corrective action, including but not limited to suspending or terminating CARRIER's access to AT&T SOUTHEAST REGION 9-STATE's Interfaces.

3.0 Ordering

- 3.1 CARRIER shall place orders for Services by submitting a complete and correct (valid) local service request (LSR) to AT&T SOUTHEAST REGION 9-STATE. AT&T SOUTHEAST REGION 9-STATE shall bill CARRIER an electronic service order charge as specified in Exhibit C for each LSR submitted by means of an electronic interface. AT&T SOUTHEAST REGION 9-STATE shall bill CARRIER a manual service order charge as specified in Exhibit C for each LSR submitted by means other than the electronic interfaces (e.g., mail, fax, courier, etc.). An individual LSR will be identified for billing purposes by its Purchase Order Number (PON).
- 3.2 CARRIER may submit an LSR to request that an End User's service be temporarily suspended or denied, or restored. Alternatively, CARRIER may submit a list of such End Users if CARRIER provides a separate PON for each location on the list. Each location will be billed as a separate LSR.
- 3.3 AT&T SOUTHEAST REGION 9-STATE will bill the electronic or manual service order charge, as applicable, for an LSR, regardless of whether that LSR is later supplemented, clarified or cancelled.
- 3.4 Notwithstanding the foregoing, AT&T SOUTHEAST REGION 9-STATE will not bill an additional electronic or manual service order charge for supplements to any LSR submitted to clarify, correct, change or cancel a previously submitted LSR.
- 3.5 Pending Orders and LSRs. To the extent that CARRIER submits an LSR with incomplete, incorrect or conflicting information, AT&T SOUTHEAST REGION 9-STATE will return the LSR to CARRIER for clarification. CARRIER shall respond to the request for clarification within thirty (30) days by submitting a supplement LSR. If CARRIER does not submit a supplement LSR within thirty (30) days, AT&T SOUTHEAST REGION 9-STATE will cancel the original LSR and CARRIER shall be required to submit a new LSR, with a new PON.

4.0 Provisioning

- 4.1 AT&T SOUTHEAST REGION 9-STATE shall provision Services during its regular working hours. To the extent CARRIER requests provisioning of Service to be performed outside AT&T SOUTHEAST REGION 9-STATE's regular working hours, or the work so requested requires AT&T SOUTHEAST REGION 9-STATE's technicians or Project Manager to work outside of regular working hours, the overtime charges set forth in AT&T SOUTHEAST REGION 9-STATE's intrastate Access Services Tariff, Section 13.2, shall apply. Notwithstanding the foregoing, if such work is performed outside of regular working hours by an AT&T SOUTHEAST REGION 9-STATE technician or Project Manager during his or her scheduled shift and AT&T SOUTHEAST REGION 9-STATE does not incur any overtime charges in performing the work on behalf of CARRIER, AT&T SOUTHEAST REGION 9-STATE will not assess overtime charges. To the extent CARRIER requests project management for provisioning of Services under this Agreement, additional charges may apply and shall be negotiated by the Parties.
- 4.2 In the event AT&T SOUTHEAST REGION 9-STATE must dispatch to the End User's location more than once due to incorrect or incomplete information provided by CARRIER (e.g., incomplete address, incorrect contact name/number, etc.), AT&T SOUTHEAST REGION 9-STATE will bill CARRIER for each additional dispatch required to provision the Service due to the incorrect/incomplete information provided. AT&T SOUTHEAST REGION 9-STATE will assess applicable Maintenance of Service rates from AT&T SOUTHEAST REGION 9-STATE's FCC No. 1 Tariff, Section 13.3.1.
- 4.3 Cancellation Charges. If CARRIER cancels an LSR subsequent to AT&T SOUTHEAST REGION 9-STATE's generation of a service order, any costs incurred by AT&T SOUTHEAST REGION 9-STATE in conjunction with the provisioning of Services as requested on the cancelled LSR will be recovered in accordance with the cancellation methodology set forth in Exhibit B. In addition, AT&T SOUTHEAST REGION 9-STATE reserves the right to cancel the LSR and apply cancellation charges if CARRIER fails to respond within nine (9) business days to a Missed Appointment order notification that results in service order cancellation.
- 4.4 Service Date Advancement Charges (Expedites). Service Date Advancement charges will apply where CARRIER, requests that Services be provisioned prior to the due date provided by AT&T SOUTHEAST REGION 9-STATE, and where AT&T SOUTHEAST REGION 9-STATE agrees to an expedited provisioning time frame. Charges shall be as set forth in Exhibit C.

4.5 Order Modification Charges. If CARRIER modifies an order (Order Modification Charge (OMC) or Order Modification Charge Additional Dispatch (OMCAD)) after being sent a Firm Order Confirmation (FOC) from AT&T SOUTHEAST REGION 9-STATE, any costs incurred by AT&T SOUTHEAST REGION 9-STATE to accommodate the modification will be paid by CARRIER in accordance with applicable rates set forth in Exhibit C.

5.0 Maintenance and Repair

5.1 AT&T SOUTHEAST REGION 9-STATE will make Interfaces available to CARRIER for the purpose of reporting and monitoring service troubles. CARRIER's use of AT&T SOUTHEAST REGION 9-STATE's maintenance and repair Interfaces shall be in accordance with the applicable guides, business rules and specifications for maintenance and repair as set forth in Exhibit A.

5.2 Once CARRIER has isolated a trouble on a Wholesale Local Platform Service to the AT&T SOUTHEAST REGION 9-STATE provided network, and has issued a trouble report to AT&T SOUTHEAST REGION 9-STATE, AT&T SOUTHEAST REGION 9-STATE will take the actions necessary to repair the network when the trouble is found. AT&T SOUTHEAST REGION 9-STATE will repair its network facilities to its Wholesale CARRIERS in the same time frames that AT&T SOUTHEAST REGION 9-STATE repairs similar services to its own End Users.

5.3 If CARRIER reports a trouble on a Wholesale Local Platform Service and no trouble is found in AT&T SOUTHEAST REGION 9-STATE's network, AT&T SOUTHEAST REGION 9-STATE will charge CARRIER a Maintenance of Service Charge for any dispatching and testing (both inside and outside the CO) required by AT&T SOUTHEAST REGION 9-STATE in order to confirm the Service's working status. AT&T SOUTHEAST REGION 9-STATE will assess the applicable Maintenance of Service rates from AT&T SOUTHEAST REGION 9-STATE's FCC No.1 Tariff, Section 13.3.1.

5.4 In the event AT&T SOUTHEAST REGION 9-STATE must dispatch to the End User's location more than once due to incorrect or incomplete information provided by CARRIER (e.g., incomplete address, incorrect contact name/number, etc.), AT&T SOUTHEAST REGION 9-STATE will bill CARRIER for each additional dispatch required to repair the Service due to the incorrect/incomplete information provided. AT&T SOUTHEAST REGION 9-STATE will assess the applicable Maintenance of Service rates from AT&T SOUTHEAST REGION 9-STATE's FCC No. 1 Tariff, Section 13.3.1.

6.0 Miscellaneous

6.1 Single Point of Contact. CARRIER will be the single point of contact with AT&T SOUTHEAST REGION 9-STATE for ordering activity pursuant to this Agreement, except that AT&T SOUTHEAST REGION 9-STATE may accept a request directly from another CLEC, or from AT&T SOUTHEAST REGION 9-STATE, acting with authorization of the affected End User, to disconnect the Services provided hereunder in order to permit the End User to change service providers, as described in Section 6.3 below. CARRIER shall execute a blanket letter of authorization with respect to CARRIER's ordering activity so that prior proof of End User authorization will not be necessary with every LSR (except in the case of a local service freeze). The Parties shall each be entitled to adopt their own internal processes for verification of End User authorization for requests, provided, however, that such processes shall comply with applicable state and federal law and industry and regulatory guidelines.

6.2 CARRIER shall not prevent or delay an End User from changing to another carrier because of unpaid bills, denied service, or contract terms.

6.3 Use of Facilities. Pursuant to a request from an End User of CARRIER, or from another local exchange carrier (LEC), including AT&T SOUTHEAST REGION 9-STATE, on behalf of such End User, AT&T SOUTHEAST REGION 9-STATE shall have the right to disconnect the Services being used by CARRIER to provide Service to that End User and reuse those facilities to enable such other LEC to provide service to that End User. In addition, AT&T SOUTHEAST REGION 9-STATE may disconnect and reuse facilities when the Service to the End User has been withheld or denied by CARRIER, or by AT&T SOUTHEAST REGION 9-STATE in accordance with the terms of this Agreement, and AT&T SOUTHEAST REGION 9-STATE has received a request from an End User or another LEC to establish new or additional service at, or to transfer service to, the same address served by that facility. AT&T

SOUTHEAST REGION 9-STATE will notify CARRIER that such a request has been processed after the order disconnecting CARRIER's Service to that End User has been completed.

- 6.4 **Contact Numbers.** The Parties agree to provide one another with toll-free nation wide (50 states) contact numbers for the purpose of ordering, provisioning and maintenance of Services.
- 6.5 **Subscription Functions.** In cases where **AT&T SOUTHEAST REGION 9-STATE** performs subscription functions for an interexchange carrier (IXC) (i.e., where **AT&T SOUTHEAST REGION 9-STATE** changes the End User Preferred Interexchange Carrier (PIC) and/or End User Local Preferred Interexchange Carrier (LPIC) via CARRIER Account Record Exchange (CARE)), **AT&T SOUTHEAST REGION 9-STATE** will provide the affected IXCs with the Operating Company Number (OCN) of CARRIER for the purpose of obtaining End User billing account and other End User information required under subscription requirements.
- 6.6 **PIC and LPIC Charges.** When CARRIER's End User that is served utilizing Wholesale Local Platform Services or Wholesale Switch Port Services, changes its PIC and/or LPIC, and per **AT&T SOUTHEAST REGION 9-STATE**'s FCC or state tariff, the IXC elects to charge the End User the PIC and/or LPIC change charge, **AT&T SOUTHEAST REGION 9-STATE** will bill the PIC and/or LPIC change charge to CARRIER, which has the billing relationship with that End User, and CARRIER may pass such charge to the End User.

7.0 **Rates**

- 7.1 Unless otherwise specified herein, charges for the use of **AT&T SOUTHEAST REGION 9-STATE**'s Interfaces, and other charges applicable to preordering, ordering, provisioning and maintenance and repair, shall be as set forth in Exhibit C to this Attachment. In the event CARRIER modifies the rates or rate structure for use of **AT&T SOUTHEAST REGION 9-STATE**'s manual or electronic interfaces in any other agreement with **AT&T SOUTHEAST REGION 9-STATE**, then upon **AT&T SOUTHEAST REGION 9-STATE**'s request, CARRIER shall amend this Agreement to reflect the same rates or rate structure. In the state of Tennessee, manual service order charges shall apply on a per element, non-recurring basis as identified in Exhibit A of Attachment 1 in lieu of the per LSR manual service order charge set forth in Exhibit C hereto.

BILLING

1.0 Payment and Billing Arrangements

- 1.1 The terms and conditions set forth in this Attachment shall apply to all Services ordered and provisioned pursuant to this Agreement.
- 1.2 **Billing.** AT&T SOUTHEAST REGION 9-STATE will bill CARRIER in Carrier Access Billing System (“CABS”) Billing Output Specification (CBOS) standard format. AT&T SOUTHEAST REGION 9-STATE's billing format may change in accordance with applicable industry standards.
- 1.2.1 Subject to Section 5 of the General Terms and Conditions of this Agreement AT&T SOUTHEAST REGION 9-STATE will render bills each month on established bill days for each of CARRIER's accounts. If CARRIER requests multiple billing media or additional copies of the bills, AT&T SOUTHEAST REGION 9-STATE will provide these at the rates set forth in AT&T SOUTHEAST REGION 9-STATE's FCC No. 1 Tariff, Section 13.3.6.3.
- 1.2.2 AT&T SOUTHEAST REGION 9-STATE will bill CARRIER in advance for all Services to be provided during the ensuing billing period except charges associated with Service usage and nonrecurring charges, which will be billed in arrears.
- 1.2.3 AT&T SOUTHEAST REGION 9-STATE will not perform billing and collection services for CARRIER as a result of the execution of this Agreement.
- 1.3 **Establishing Accounts.** Unless AT&T SOUTHEAST REGION 9-STATE elects otherwise, AT&T SOUTHEAST REGION 9-STATE will bill for Services using wholesale billing accounts established by AT&T SOUTHEAST REGION 9-STATE pursuant to a separate agreement between the Parties. If AT&T SOUTHEAST REGION 9-STATE elects to establish a new account under this Agreement for billing Services, or if CARRIER does not have an appropriate wholesale billing account established under a separate agreement with AT&T SOUTHEAST REGION 9-STATE, such account shall be established under this Agreement as follows.
- 1.3.1 After submitting a credit profile and deposit, if required, and after receiving certification as a local exchange carrier from the appropriate Commission, CARRIER will provide the appropriate AT&T SOUTHEAST REGION 9-STATE advisory team/local contract manager the necessary documentation to enable AT&T SOUTHEAST REGION 9-STATE to establish accounts for the Services described in this Agreement. Such documentation shall include an application for the establishment of accounts, if applicable, proof of authority to provide Telecommunications Services, the appropriate Operating Company Numbers (OCN) for each state as assigned by the National Exchange Carriers Association (NECA), Carrier Identification Code (CIC), Access CARRIER Name and Abbreviation (“ACNA”), Blanket Letter of Authorization (LOA), Misdirected Number form, and a tax exemption certificate, if applicable. Notwithstanding anything to the contrary in this Agreement, CARRIER may not order Services under a new account established in accordance with this Section 1.3.1 until thirty (30) days after all information specified in this Section 1.3.1 is received from CARRIER.
- 1.3.2 **ACNAs.** CARRIER shall provide AT&T SOUTHEAST REGION 9-STATE with documentation from Telcordia identifying the ACNA assigned to it by Telcordia (as applicable) in the same legal name as reflected in the preamble to this Agreement. Such ACNA will be used by CARRIER to order services pursuant to this Agreement and will not be shared by CARRIER with another entity.
- 1.3.3 **Company Identifiers.** If CARRIER needs to change, add to, eliminate or convert its OCN(s), ACNAs, and other identifying codes (collectively “Company Identifiers”) under which it operates when CARRIER has already been conducting business utilizing those Company Identifiers, CARRIER shall pay all charges as a result of such change, addition, elimination or conversion to the new Company Identifiers. Such charges include, but are not limited to, all time required to make system updates to all of CARRIER's End User

records and any other changes to AT&T SOUTHEAST REGION 9-STATE systems or CARRIER records, and will be handled in a separately negotiated agreement or as otherwise required by AT&T SOUTHEAST REGION 9-STATE.

1.3.4 **Tax Exemption.** It is the responsibility of CARRIER to provide AT&T SOUTHEAST REGION 9-STATE with a properly completed tax exemption certificate at intervals required by the appropriate taxing authorities. A tax exemption certificate must be supplied for each individual CARRIER entity purchasing Services under this Agreement. Upon AT&T SOUTHEAST REGION 9-STATE's receipt of a properly completed tax exemption certificate, subsequent billings to CARRIER will not include those taxes or fees from which CARRIER is exempt. Prior to receipt of a properly completed exemption certificate, AT&T SOUTHEAST REGION 9-STATE shall bill, and CARRIER shall pay all applicable taxes and fees. In the event that CARRIER believes that it is entitled to an exemption from and refund of taxes with respect to the amount billed prior to AT&T SOUTHEAST REGION 9-STATE's receipt of a properly completed exemption certificate, AT&T SOUTHEAST REGION 9-STATE shall assign to CARRIER its rights to claim a refund of such taxes. If applicable law prohibits the assignment of tax refund rights or requires the claim for refund of such taxes to be filed by AT&T SOUTHEAST REGION 9-STATE, AT&T SOUTHEAST REGION 9-STATE shall, after receiving a written request from CARRIER and at CARRIER's sole expense, pursue such refund claim on behalf of CARRIER, provided that CARRIER promptly reimburses AT&T SOUTHEAST REGION 9-STATE for any costs and expenses incurred by AT&T SOUTHEAST REGION 9-STATE in pursuing such refund claim, and provided further that AT&T SOUTHEAST REGION 9-STATE shall have the right to deduct any such outstanding costs and expenses from the amount of any refund obtained prior to remitting such refund to CARRIER. CARRIER shall be solely responsible for the computation, tracking, reporting and payment of all taxes and fees associated with the Services provided by CARRIER to its End Users.

1.4 **Deposit Policy.** Prior to the inauguration of Service or, thereafter, upon AT&T SOUTHEAST REGION 9-STATE's request, CARRIER shall complete the AT&T SOUTHEAST REGION 9-STATE Credit Profile (AT&T SOUTHEAST REGION 9-STATE form) and provide information to AT&T SOUTHEAST REGION 9-STATE regarding CARRIER's credit and financial condition. Based on AT&T SOUTHEAST REGION 9-STATE's analysis of the AT&T SOUTHEAST REGION 9-STATE Credit Profile and other relevant information regarding CARRIER's credit and financial condition, AT&T SOUTHEAST REGION 9-STATE reserves the right to require CARRIER to provide AT&T SOUTHEAST REGION 9-STATE with a suitable form of security deposit for CARRIER's account(s). If, in AT&T SOUTHEAST REGION 9-STATE's sole discretion, circumstances so warrant and/or CARRIER's gross monthly billing has increased, AT&T SOUTHEAST REGION 9-STATE reserves the right to request additional security (or to require a security deposit if none was previously requested) and/or file a Uniform Commercial Code (UCC-1) security interest in CARRIER's "accounts receivables and proceeds".

1.4.1 Security deposit shall take the form of cash, an Irrevocable Letter of Credit (AT&T SOUTHEAST REGION 9-STATE form), Surety Bond (AT&T SOUTHEAST REGION 9-STATE form) or, in AT&T SOUTHEAST REGION 9-STATE's sole discretion, some other form of security proposed by CARRIER. Any such security deposit shall in no way release CARRIER from its obligation to make complete and timely payments of its bill(s). If AT&T SOUTHEAST REGION 9-STATE requires CARRIER to provide a security deposit, CARRIER shall provide such security deposit prior to the inauguration of Service or within fifteen (15) days of AT&T SOUTHEAST REGION 9-STATE's request, as applicable. Deposit request notices will be sent to CARRIER via certified mail or overnight delivery. Such notice period will start the day after the deposit request notice is rendered by certified mail or overnight delivery. Interest on a cash security deposit shall, accrue and be applied or refunded in accordance with the terms in AT&T SOUTHEAST REGION 9-STATE's General Subscriber Services Tariff ("GSST").

1.4.2 Security deposits collected under this Section 1.4 shall not exceed two (2) months estimated billing. Estimated billings are calculated based upon the monthly average of the previous six (6) months current billings, if CARRIER has received service from AT&T SOUTHEAST REGION 9-STATE during such period at a level comparable to that anticipated to occur over the next six (6) months. If either CARRIER or AT&T SOUTHEAST REGION 9-STATE has reason to believe that the level of service to be received during the

next six (6) months will be materially higher or lower than received in the previous six (6) months, CARRIER and AT&T SOUTHEAST REGION 9-STATE shall agree on a level of estimated billings based on all relevant information.

1.4.3 In the event CARRIER fails to provide AT&T SOUTHEAST REGION 9-STATE with a suitable form of security deposit or additional security deposit as required herein, defaults on its account(s), or otherwise fails to make any payment or payments required under this Agreement in the manner and within the time required, service to CARRIER may be Suspended, Discontinued or Terminated in accordance with the terms of Section 1.6 below. Upon Termination of Services, AT&T SOUTHEAST REGION 9-STATE shall apply any security deposit to CARRIER's final bill for its account(s).

1.4.3.1 At least seven (7) days prior to the expiration of any letter of credit provided by CARRIER as security under this Agreement, CARRIER shall renew such letter of credit or provide AT&T SOUTHEAST REGION 9-STATE with evidence that CARRIER has obtained a suitable replacement for the letter of credit. If CARRIER fails to comply with the foregoing, AT&T SOUTHEAST REGION 9-STATE shall thereafter be authorized to draw down the full amount of such letter of credit and utilize the cash proceeds as security for CARRIER account(s). If CARRIER provides a security deposit or additional security deposit in the form of a surety bond as required herein, CARRIER shall renew the surety bond or provide AT&T SOUTHEAST REGION 9-STATE with evidence that CARRIER has obtained a suitable replacement for the surety bond at least seven (7) days prior to the cancellation date of the surety bond. If CARRIER fails to comply with the foregoing, AT&T SOUTHEAST REGION 9-STATE shall thereafter be authorized to take action on the surety bond and utilize the cash proceeds as security for CARRIER's account(s). If the credit rating of any bonding company that has provided CARRIER with a surety bond provided as security hereunder has fallen below B, AT&T SOUTHEAST REGION 9-STATE will provide written notice to CARRIER that CARRIER must provide a replacement bond or other suitable security within fifteen (15) days of AT&T SOUTHEAST REGION 9-STATE's written notice. If CARRIER fails to comply with the foregoing, AT&T SOUTHEAST REGION 9-STATE shall thereafter be authorized to take action on the surety bond and utilize the cash proceeds as security for CARRIER's account(s). Notwithstanding anything contained in this Agreement to the contrary, AT&T SOUTHEAST REGION 9-STATE shall be authorized to draw down the full amount of any letter of credit or take action on any surety bond provided by CARRIER as security hereunder if CARRIER defaults on its account(s) or otherwise fails to make any payment or payments required under this Agreement in the manner and within the time, as required herein.

1.5 Payment Responsibility. Payment of all charges will be the responsibility of CARRIER. CARRIER shall pay invoices utilizing wire transfer services or automatic clearing house services. CARRIER shall make payment to AT&T SOUTHEAST REGION 9-STATE for all services billed including disputed amounts. AT&T SOUTHEAST REGION 9-STATE will not become involved in billing disputes that may arise between CARRIER and CARRIER's End User.

1.5.1 Payment Due. Payment for Services provided by AT&T SOUTHEAST REGION 9-STATE, including disputed charges, is due on or before the next bill date. Information required to apply payments must accompany the payment. The information must notify AT&T SOUTHEAST REGION 9-STATE of Billing Account Numbers (BAN) paid; invoices paid and the amount to be applied to each BAN and invoice (Remittance Information). Payment is considered to have been made when the payment and Remittance Information are received by AT&T SOUTHEAST REGION 9-STATE. If the Remittance Information is not received with payment, AT&T SOUTHEAST REGION 9-STATE will be unable to apply amounts paid to CARRIER's accounts. In such event, AT&T SOUTHEAST REGION 9-STATE shall hold such funds until the Remittance Information is received. If AT&T SOUTHEAST REGION 9-STATE does not receive the Remittance Information by the payment due date for any account(s), late payment charges shall apply.

1.5.1.1 Due Dates. If the payment due date falls on a Sunday or on a holiday that is observed on a Monday, the payment due date shall be the first non-holiday day following such Sunday or holiday. If the payment due date falls on a Saturday or on a holiday which is observed on Tuesday,

Wednesday, Thursday, or Friday, the payment due date shall be the last non-holiday day preceding such Saturday or holiday. If payment is not received by the payment due date, a late payment charge, as set forth in Section 1.5.1.2, below, shall apply.

- 1.5.1.2 Late Payment. If any portion of the payment is not received by AT&T SOUTHEAST REGION 9-STATE on or before the payment due date as set forth preceding, or if any portion of the payment is received by AT&T SOUTHEAST REGION 9-STATE in funds that are not immediately available to AT&T SOUTHEAST REGION 9-STATE, then a late payment and/or interest charge shall be due to AT&T SOUTHEAST REGION 9-STATE. The late payment and/or interest charge shall apply to the portion of the payment not received and shall be assessed as set forth in Section A2 of the General Subscriber Services Tariff, Section B2 of the Private Line Service Tariff or Section E2 of the intrastate Access Services Tariff or pursuant to the applicable state law as determined by AT&T SOUTHEAST REGION 9-STATE. In addition to any applicable late payment and/or interest charges, CARRIER may be charged a fee for all returned checks at the rate set forth in Section A2 of the General Subscriber Services Tariff or pursuant to the applicable state law.

1.6 Discontinuing Service to CARRIER. The procedures for discontinuing Service to CARRIER are as follows:

1.6.1 In order of severity, Suspend/Suspension, Discontinue/Discontinuance and Terminate/Termination are defined as follows for the purposes of this Attachment:

1.6.1.1 Suspend/Suspension is the temporary restriction of the billed Party's access to the ordering systems and/or access to the billed Party's ability to initiate PIC-related changes. In addition, during Suspension, pending orders may not be completed and orders for new Service or changes to existing Services may not be accepted.

1.6.1.2 Discontinue/Discontinuance is the denial of service by the billing Party to the billed Party that will result in the disruption and discontinuation of Service to the billed Party's End Users or CARRIERS. Additionally, at the time of Discontinuance, AT&T SOUTHEAST REGION 9-STATE will remove any Local Service Freezes in place on the billed Party's End Users.

1.6.1.3 Terminate/Termination is the disconnection of Service by the billing Party to the billed Party.

1.6.1.4 AT&T SOUTHEAST REGION 9-STATE reserves the right to Suspend, Discontinue or Terminate service in the event of prohibited, unlawful or improper use of AT&T SOUTHEAST REGION 9-STATE facilities or service, abuse of AT&T SOUTHEAST REGION 9-STATE facilities, or any other violation or noncompliance by CARRIER of the rules and regulations of AT&T SOUTHEAST REGION 9-STATE's tariffs.

1.6.2 Suspension. If payment of amounts due as described herein is not received by the bill date in the month after the original bill date, or fifteen (15) days from the date of a deposit request in the case of security deposits, AT&T SOUTHEAST REGION 9-STATE will provide written notice to CARRIER that Services will be Suspended if payment of such amounts, and all other amounts that become past due before Suspension, is not received by wire transfer, automatic clearing house or cashier's check in the manner set forth in Section 1.5.1 above or in the case of a security deposit request, in the manner set forth in Section 1.4.1 above: (1) within seven (7) days following such notice for CABS billed Services; (2) within fifteen (15) days following such notice for CRIS and IBS billed Services; and (3) within seven (7) days following such notice for security deposit requests.

1.6.2.1 The Suspension notice shall also provide that all past due charges for CRIS and IBS billed Services, and all other amounts that become past due for such services before Discontinuance, must be paid within thirty (30) days from the date of the Suspension notice to avoid Discontinuance of CRIS and IBS billed Services.

1.6.2.2 For CABS billed services, AT&T SOUTHEAST REGION 9-STATE will provide a Discontinuance notice that is separate from the Suspension notice, that all past due charges for CABS billed Services, and all other amounts that become past due for such Services before Discontinuance,

must be paid within thirty (30) days from the date of the Suspension notice to avoid Discontinuance of CABS billed Services. This Discontinuance notice may be provided at the same time that AT&T SOUTHEAST REGION 9-STATE provides the Suspension notice.

- 1.6.2.3 Discontinuance. If payment of amounts due as described herein is not received by the bill date in the month after the original bill date, AT&T SOUTHEAST REGION 9-STATE will provide written notice that AT&T SOUTHEAST REGION 9-STATE may Discontinue the provision of existing Services to CARRIER if payment of such amounts and all other amounts that become past due before Discontinuance, including requested security deposits, is not received by wire transfer, automatic clearing house or cashier's check in the manner set forth in Section 1.5.1 above or in the case of a security deposit in accordance with Section 1.4.1 within thirty (30) days following such written notice; provided, however, that AT&T SOUTHEAST REGION 9-STATE may provide written notice that such existing Services may be Discontinued within fifteen (15) days following such notice, subject to the criteria described in Section 1.5.
- 1.6.3 AT&T SOUTHEAST REGION 9-STATE may take the action to Discontinue the provision of existing Service upon fifteen (15) days from the day after AT&T SOUTHEAST REGION 9-STATE provides written notice of such Discontinuance if (a) such notice is sent by certified mail or overnight delivery; (b) CARRIER has not paid all amounts due pursuant to a subject bill(s), or has not provided adequate security pursuant to a deposit request; and (c) either:
- 1.6.3.1 AT&T SOUTHEAST REGION 9-STATE has sent the subject bill(s) to CARRIER within seven (7) business days of the bill date(s), verifiable by records maintained by AT&T SOUTHEAST REGION 9-STATE:
- i. in paper or CDROM form via the United States Postal Service ("USPS"), or
 - ii. in magnetic tape form via overnight delivery, or
 - iii. via electronic transmission; or
- 1.6.3.2 AT&T SOUTHEAST REGION 9-STATE has sent the subject bill(s) to CARRIER, using one of the media described in (1) above, more than thirty (30) days before notice to discontinue service has been rendered.
- 1.6.4 In the case of Discontinuance of Services, all billed charges, as well as applicable disconnect, interest and late payment charges, shall become due.
- 1.6.5 CARRIER is solely responsible for notifying the End User of the Discontinuance of service. If, within seven (7) days after CARRIER's Services have been Discontinued, CARRIER pays, by wire transfer, automatic clearing house or cashier's check, all past due charges, including late payment charges, outstanding security deposit request amounts if applicable and any applicable restoral charges as set forth in Section A4 of the GSST, then AT&T SOUTHEAST REGION 9-STATE will reestablish Service for CARRIER.
- 1.6.6 Termination. If within seven (7) days after CARRIER's Service has been Discontinued and CARRIER has failed to pay all past due charges as described above, then CARRIER's Service will be Terminated.
- 1.7 Notices. Notwithstanding anything to the contrary in this Agreement, all bills and notices regarding billing matters, disconnection of services for nonpayment of charges, and rejection of additional orders from CARRIER, shall be forwarded to the individual and/or address provided by CARRIER in establishment of its billing account(s) with AT&T SOUTHEAST REGION 9-STATE, or to the individual and/or address subsequently provided by CARRIER as the contact for billing. All monthly bills and notices described in this Section shall be forwarded to the same individual and/or address; provided, however, upon written request from CARRIER to AT&T SOUTHEAST REGION 9-STATE's billing organization, the notice of discontinuance of services purchased by CARRIER under this Agreement provided for in Section 1.6.2 of this Attachment shall be sent via certified mail to the individual(s) listed in the Notices provision of the General Terms and Conditions of this Agreement.

2.0 Billing Disputes

- 2.1 CARRIER shall electronically submit all billing disputes to AT&T SOUTHEAST REGION 9-STATE using the form specified by AT&T SOUTHEAST REGION 9-STATE. In the event of a billing dispute, the Parties will endeavor to resolve the dispute within sixty (60) days of the notification date. Within five (5) business days of AT&T SOUTHEAST REGION 9-STATE's denial, or partial denial, of the billing dispute, if CARRIER is not satisfied with AT&T SOUTHEAST REGION 9-STATE's resolution of the billing dispute or if no response to the billing dispute has been received by CARRIER by such sixtieth (60th) day, CARRIER must pursue the escalation process as outlined in the Billing Dispute Escalation Matrix, set forth on the AT&T SOUTHEAST REGION 9-STATE Interconnection Services Web site, or the billing dispute shall be considered denied and closed. If, after escalation, the Parties are unable to reach resolution, then the aggrieved Party, if it elects to pursue the dispute, shall pursue dispute resolution in accordance with the General Terms and Conditions of this Agreement.
- 2.2 For purposes of this Section 2, a billing dispute means a reported dispute submitted pursuant to Section 2.1 of a specific amount of money actually billed by AT&T SOUTHEAST REGION 9-STATE. The billing dispute must be clearly explained by CARRIER and supported by written documentation, which clearly shows the basis for disputing charges. The determination as to whether the billing dispute is clearly explained or clearly shows the basis for disputing charges shall be within AT&T SOUTHEAST REGION 9-STATE's sole reasonable discretion. Disputes that are not clearly explained or those that do not provide complete information may be rejected by AT&T SOUTHEAST REGION 9-STATE. Claims by CARRIER for damages of any kind will not be considered a billing dispute for purposes of this Section. If AT&T SOUTHEAST REGION 9-STATE resolves the billing dispute, in whole or in part, in favor of CARRIER, any credits and interest due to CARRIER as a result thereof shall be applied to CARRIER's account by AT&T SOUTHEAST REGION 9-STATE upon resolution of the billing dispute.
- 2.3 On or before the Bill Due Date, the Non-Paying Party must pay (i) all undisputed amounts to the Billing Party and (ii) all Disputed Amounts into an interest bearing escrow account with a Third Party escrow agent mutually agreed upon by the Parties.
- 2.4 Requirements to Establish Escrow Accounts:
- 2.4.1 To be acceptable, the Third Party escrow agent must meet all of the following criteria:
- 2.4.1.1 The financial institution proposed as the Third Party escrow agent must be located within the continental United States;
- 2.4.1.2 The financial institution proposed as the Third Party escrow agent may not be an Affiliate of either Party; and
- 2.4.1.3 The financial institution proposed as the Third Party escrow agent must be authorized to handle ACH credit transfers.
- 2.4.2 In addition to the foregoing requirements for the Third Party escrow agent, the Disputing Party and the financial institution proposed as the Third Party escrow agent must agree in writing furnished to the Billing Party that the escrow account will meet all of the following criteria:
- 2.4.2.1 The escrow account must be an interest bearing account;
- 2.4.2.2 all charges associated with opening and maintaining the escrow account will be borne by the Disputing Party;
- 2.4.2.3 that none of the funds deposited into the escrow account or the interest earned thereon may be used to pay the financial institution's charges for serving as the Third Party escrow agent;
- 2.4.2.4 all interest earned on deposits to the escrow account will be disbursed to the Parties in the same proportion as the principal; and
- 2.4.2.5 disbursements from the escrow account will be limited to those:

- 2.4.2.5.1 authorized in writing by both the Disputing Party and the Billing Party (that is, signature(s) from representative(s) of the Disputing Party only are not sufficient to properly authorize any disbursement); or
 - 2.4.2.5.2 made in accordance with the final, non-appealable order of the arbitrator appointed pursuant to the provisions of Section 14.7 of the General Terms and Conditions: or
 - 2.4.2.5.3 made in accordance with the final, non-appealable order of the court that had jurisdiction to enter the arbitrator's award pursuant to Section 14.7 of the General Terms and Conditions.
- 2.5 Disputed Amounts in escrow will be subject to Late Payment Charges.
- 2.6 If the Non-Paying Party disputes any charges and any portion of the dispute is resolved in favor of such Non-Paying Party, the Parties will cooperate to ensure that all of the following actions are completed:
- 2.6.1 the Billing Party will credit the invoice of the Non-Paying Party for that portion of the Disputed Amounts resolved in favor of the Non-Paying Party, together with any Late Payment Charges assessed with respect thereto no later than the second Bill Due Date after resolution of the dispute;
 - 2.6.2 within ten (10) Business Days after resolution of the dispute, the portion of the escrowed Disputed Amounts resolved in favor of the Non-Paying Party will be released to the Non-Paying Party, together with any interest accrued thereon;
 - 2.6.3 within ten (10) Business Days after resolution of the dispute, the portion of the escrowed Disputed Amounts resolved in favor of the Billing Party will be released to the Billing Party, together with any interest accrued thereon; and
 - 2.6.4 no later than the third Bill Due Date after the resolution of the dispute, the Non-Paying Party will pay the Billing Party the difference between the amount of accrued interest the Billing Party received from the escrow disbursement and the amount of Late Payment Charges the Billing Party is entitled to receive.
- 2.7 If the Non-Paying Party disputes any charges and the entire dispute is resolved in favor of the Billing Party, the Parties will cooperate to ensure that all of the actions required by Section 2.6 above and Section 2.6.2 above are completed within the times specified therein.
- 2.8 Failure by the Non-Paying Party to pay any charges determined to be owed to the Billing Party shall be grounds for termination of the Products and/or Services provided under this Agreement.

Service Level Commitments (SLCs) for DS0 Wholesale Local Voice Platform Services

1.0 Introduction

- 1.1 The SLCs as stated in this Attachment 4 shall become effective and apply to Services ordered during and after the first full calendar month following the Effective Date of the Agreement and shall be applied only to AT&T SOUTHEAST REGION 9-STATE's performance with respect to DS0 Wholesale Local Voice Platform Services.

2.0 Reporting Methodology

- 2.1 AT&T SOUTHEAST REGION 9-STATE will self-report CARRIER service performance data (and AT&T SOUTHEAST REGION 9-STATE retail performance data for SLC-4, Maintenance Average Duration) using AT&T SOUTHEAST REGION 9-STATE's internal processes to determine performance metrics for DS0 Wholesale Local Voice Platform Services. The reporting period for each metric is a full calendar month. CARRIER data will be collected and reports will be generated on both a regional and a state specific basis for all metrics. In addition, for SLC-4, Maintenance Average Duration, AT&T SOUTHEAST REGION 9-STATE retail data reports will be generated on an AT&T SOUTHEAST REGION 9-STATE regional retail aggregate basis. Reports will display all percentages and averages to two decimal points, using standard rounding rules.
- 2.2 AT&T SOUTHEAST REGION 9-STATE will utilize the reports described above to calculate the performance metrics and associated payments, if any, for the reporting period.

3.0 SLC Methodology

- 3.1 The following SLCs, as defined in this Attachment, will be measured in accordance with the terms and conditions herein. Payments for SLCs, as applicable, shall be paid based upon regional data only within the reporting period. SLCs and applicable remedy payments are as follows:

Service Level Commitments	Per Occurrence Payment
FOC Timeliness (\leq 3 hours): 95%	\$10*
Installation Appointments Met: 98%	\$25*
Repair Appointments Met: 94%	\$25*
Maintenance Average Duration: $<$ <u>AT&T SOUTHEAST REGION 9 STATE</u> retail aggregate	\$25**

* Per missed occurrence below the stated performance objective as described in Section 5

** Per occurrence below the stated performance objective as described in SLC-4 as described in Section 5

4.0 SLC Performance Metric Definitions

- 4.1 SLC-1: Firm Order Confirmation (FOC) Timeliness
- 4.1.1 SLC-1 measures the percentage of Local Service Requests (LSRs) confirmed through the return of a FOC within an interval of three (3) hours or less during the reporting period. The interval for return of a FOC is measured by the elapsed time from receipt of a valid (complete and correct) fully mechanized LSR (date and time stamped in ordering interface gateways) until AT&T SOUTHEAST REGION 9-STATE processes the

LSR, generates appropriate service orders and returns a FOC to CARRIER via ordering interface gateways. When multiple FOCs occur on a single LSR, the first FOC is used to measure the interval.

4.1.2 The following exclusions apply: 1) LSRs that are identified as Projects as defined in **AT&T SOUTHEAST REGION 9-STATE**'s Local Ordering Handbook, as amended from time to time; 2) Test Transactions/Records; 3) LSRs cancelled by CARRIER prior to a FOC being returned; 4) Scheduled OSS Maintenance; 5) Partially Mechanized LSRs (submitted electronically but processed manually); and 6) Non-Mechanized LSRs (submitted and processed manually).

4.2 SLC-2: Installation Appointments Met

4.2.1 SLC-2 measures the percentage of total completed installation service orders for which **AT&T SOUTHEAST REGION 9-STATE** meets the committed due date for service orders completed in the reporting period. **AT&T SOUTHEAST REGION 9-STATE** is considered to have met the committed due date unless the installation date is later than the committed due date and the missed installation appointment is due to an **AT&T SOUTHEAST REGION 9-STATE** reason. The SLC-2 metric only applies to the first committed due date, regardless of whether subsequent committed due dates are established for the same service order. Calculation of SLC-2 includes service orders requiring dispatches and service orders not requiring dispatches.

4.2.2 The following exclusions apply: 1) Cancelled service orders; 2) Order activities of **AT&T SOUTHEAST REGION 9-STATE** or CARRIER associated with internal or administrative use of local services (e.g. Record Orders, Test Orders, etc., which may be order types C, N, R or T); 3) Disconnect orders; and 4) Listing orders.

4.3 SLC-3: Repair Appointments Met

4.3.1 SLC-3 measures the percentage of closed CARRIER trouble reports within the reporting period where the service is resolved as repaired by the committed date and time. Calculation of the metric includes repairs requiring dispatch and repairs not requiring dispatch.

4.3.2 The following exclusions apply: 1) CARRIER trouble reports cancelled at CARRIER's request; 2) **AT&T SOUTHEAST REGION 9-STATE** trouble reports associated with internal or administrative service; 3) CARRIER (End User) Provided Equipment (CPE) or CARRIER equipment troubles; 4) Trouble outside **AT&T SOUTHEAST REGION 9-STATE**'s control; and 5) Informational trouble tickets.

4.4 SLC-4: Maintenance Average Duration

4.4.1 SLC-4 measures the average duration of closed CARRIER trouble reports compared to closed **AT&T SOUTHEAST REGION 9-STATE** End User trouble reports in the reporting period. The duration of a trouble report starts on the date and time of receipt of a trouble report and stops on the date and time the service is resolved as repaired. Calculation of the metric includes trouble reports requiring dispatches and trouble reports not requiring dispatches.

4.4.2 The following exclusions apply: 1) CARRIER trouble tickets cancelled at CARRIER's request; 2) **AT&T SOUTHEAST REGION 9-STATE** trouble reports associated with internal or administrative service; 3) CARRIER (End User) Provided Equipment (CPE) or CARRIER equipment troubles; 4) Troubles outside **AT&T SOUTHEAST REGION 9-STATE**'s control; and 5) Informational trouble tickets.

5.0 Calculation of Occurrences and Payment

The metrics described above shall be calculated and the payments, if any, to CARRIER shall be determined as follows:

5.1 For SLC-1, FOC Timeliness:

5.1.1 AT&T SOUTHEAST REGION 9-STATE will divide (i) the number of CARRIER LSRs submitted for which a FOC is returned within the reporting period within 3 hours by (ii) the total number of CARRIER LSRs submitted for which a FOC is returned in the reporting period.

5.1.2 If the resulting quotient in Section 5.1.1 above is .95 or greater, there are no missed occurrences for which payment is due under this Attachment.

5.1.3 In the event that greater than five percent (5%) of the FOCs returned within the reporting period exceed the 3-hour interval, then each FOC returned in greater than 3 hours in excess of 5% shall constitute a missed occurrence.

5.1.4 AT&T SOUTHEAST REGION 9-STATE shall pay CARRIER \$10 for each such missed occurrence.

5.2 For SLC-2, Installation Appointments Met:

5.2.1 AT&T SOUTHEAST REGION 9-STATE will divide (i) the number of CARRIER installation service orders completed within the reporting period on or before the committed due date by (ii) the total number of CARRIER installation service orders completed within the reporting period.

5.2.2 If the resulting quotient in Section 5.2.1 above is .98 or greater, there are no missed occurrences for which payment is due under this Attachment.

5.2.3 In the event that greater than two percent (2%) of the completed installation service orders within the reporting period are not completed on or before the committed due date due to AT&T SOUTHEAST REGION 9-STATE reasons, then each installation service order not completed on or before the committed due date due to AT&T SOUTHEAST REGION 9-STATE reasons in excess of two percent (2%) shall constitute a missed occurrence.

5.2.4 AT&T SOUTHEAST REGION 9-STATE shall pay CARRIER \$25 for each such missed occurrence.

5.3 For SLC-3, Repair Appointments Met:

5.3.1 AT&T SOUTHEAST REGION 9-STATE will divide (i) the number of closed CARRIER trouble reports within the reporting period that were resolved as repaired by the committed date and time by (ii) the total number of closed CARRIER trouble reports within the reporting period that were resolved as repaired.

5.3.2 If the resulting quotient in Section 5.3.1 above is .94 or greater, there are no missed occurrences for which payment is due under this Attachment.

5.3.3 In the event that greater than six percent (6%) of the closed trouble reports within the reporting period were not resolved as repaired by the committed date and time, then each closed trouble report that was not resolved as repaired by the committed date and time in excess of six percent (6%) shall constitute a missed occurrence.

5.3.4 AT&T SOUTHEAST REGION 9-STATE shall pay CARRIER \$25 for each such missed occurrence.

5.4 For SLC-4, Maintenance Average Duration:

5.4.1 AT&T SOUTHEAST REGION 9-STATE will add the maintenance duration (as defined in Section 4) of each trouble report received from AT&T SOUTHEAST REGION 9-STATE Retail Residence and Business Plain Old Telephone Service (POTS) End Users, and divide that number by the total number of AT&T SOUTHEAST REGION 9-STATE Retail Residence and Business POTS End User trouble reports closed

during the reporting period to determine the Maintenance Average Duration for AT&T SOUTHEAST REGION 9-STATE retail.

- 5.4.2 AT&T SOUTHEAST REGION 9-STATE will add the maintenance duration (as defined in Section 4) of each trouble report received from CARRIER, and divide that number by the total number of CARRIER trouble reports closed during the reporting period to determine the Maintenance Average Duration for CARRIER.
 - 5.4.3 If the Maintenance Average Duration for AT&T SOUTHEAST REGION 9-STATE retail is equal to or greater than the Maintenance Average Duration for CARRIER, there are no occurrences for which payment is due under this Attachment.
 - 5.4.4 If the Maintenance Average Duration for AT&T SOUTHEAST REGION 9-STATE retail is less than the Maintenance Average Duration for CARRIER, AT&T SOUTHEAST REGION 9-STATE shall remove from the metric calculation the number of trouble reports received from CARRIER (starting with the longest duration trouble report and proceeding to the next longest duration trouble report) that, when added together and removed from the metric calculation, results in a revised Maintenance Average Duration for CARRIER that is equal to or less than the Maintenance Average Duration for AT&T SOUTHEAST REGION 9-STATE.
 - 5.4.5 Each CARRIER trouble report removed from the metric calculation shall constitute an occurrence.
 - 5.4.6 AT&T SOUTHEAST REGION 9-STATE shall pay CARRIER \$25 for each such occurrence.
- 5.5 Performance payments shall not be paid in the event of a Force Majeure condition, as described in the General Terms and Conditions of this Agreement.

WHOLESALE LOCAL SWITCHING, PORT USAGE																						
> AT&T-9STATE currently bills End Office Switching, Tandem Switching and Common Transport network elements during the origination or termination of a Wholesale Local Switching or Wholesale Local Platform call and depending on their use and the type of call. AT&T-9STATE plans to move to a single Usage rate, listed as Wholesale Local Switching Usage, per MOU in this rate exhibit. Moving to this single rate requires AT&T Billing System modifications. When those modifications are complete, then AT&T shall notify CARRIER, and the single Usage rate shall apply going forward.

WHOLESALE LOCAL SWITCHING, PORT USAGE																							
> AT&T-9STATE currently bills End Office Switching, Tandem Switching and Common Transport network elements during the origination or termination of a Wholesale Local Switching or Wholesale Local Platform call and depending on their use and the type of call. AT&T-9STATE plans to move to a single Usage rate, listed as Wholesale Local Switching Usage, per MOU in this rate exhibit. Moving to this single rate requires AT&T Billing System modifications. When those modifications are complete, then AT&T shall notify CARRIER, and the single Usage rate shall apply going forward.

Notes:																						
>> End Office and Tandem Switching Usage and Wholesale Common Transport Usage rates in this rate exhibit shall apply to Wholesale Local Switching Ports. AT&T-9STATE Wholesale Local Switching Coin previously had a flat-rate Usage rate element. This rate no longer applies and therefore it has a rate of \$0.00. AT&T-9STATE Wholesale Local Switching Coin Usage will be billed based on the Usage Rates listed in the AT&T-9STATE Wholesale Local Switching Port Usage section of this rate exhibit.

Notes:																
>> End Office and Tandem Switching Usage and Wholesale Common Transport Usage rates in this rate exhibit shall apply to Wholesale Local Switching Ports. AT&T-9STATE Wholesale Local Switching Coin previously had a flat-rate Usage rate element. This rate no longer applies and therefore it has a rate of \$0.00. AT&T-9STATE Wholesale Local Switching Coin Usage will be billed based on the Usage Rates listed in the AT&T-9STATE Wholesale Local Switching Port Usage section of this rate exhibit.

Notes:																						
>> End Office and Tandem Switching Usage and Wholesale Common Transport Usage rates in this rate exhibit shall apply to Wholesale Local Switching Ports. AT&T-9STATE Wholesale Local Switching Coin previously had a flat-rate Usage rate element. This rate no longer applies and therefore it has a rate of \$0.00. AT&T-9STATE Wholesale Local Switching Coin Usage will be billed based on the Usage Rates listed in the AT&T-9STATE Wholesale Local Switching Port Usage section of this rate exhibit.

Notes:																
>> End Office and Tandem Switching Usage and Wholesale Common Transport Usage rates in this rate exhibit shall apply to Wholesale Local Switching Ports. AT&T-9STATE Wholesale Local Switching Coin previously had a flat-rate Usage rate element. This rate no longer applies and therefore it has a rate of \$0.00. AT&T-9STATE Wholesale Local Switching Coin Usage will be billed based on the Usage Rates listed in the AT&T-9STATE Wholesale Local Switching Port Usage section of this rate exhibit.
