## **PRE-ORDERING, ORDERING, PROVISIONING AND MAINTENANCE AND REPAIR**

### **1. Guidelines**

- 1.1 The guidelines for pre-ordering, ordering, provisioning and maintenance and repair are set forth in Exhibit A attached hereto.
- 1.2 BellSouth shall provide CUSTOMER pre-ordering, ordering, provisioning and maintenance and repair capabilities through manual and electronic interfaces as described in this Attachment (Interfaces). It is the sole responsibility of CUSTOMER to obtain the technical capability to access and utilize BellSouth's Interfaces as they may be modified from time to time. CUSTOMER's use of BellSouth's Interfaces shall be in accordance with the applicable guides, business rules and specifications set forth in Exhibit A.
- 1.3 Notwithstanding anything to the contrary in any guides, business rules or other specifications, listed or referenced in Exhibit A, CUSTOMER shall have no right to submit requests, vote on issues, or otherwise participate in BellSouth's Change Control Process with respect to the Services hereunder.
- 1.4 CUSTOMER agrees to comply with the provisions of the Operations Support Systems (OSS) Interconnection Volume Guidelines as set forth at BellSouth's Interconnection Web site.

### **2. Pre-Ordering**

- 2.1 The Interfaces provide access to the following pre-ordering functions: service address validation, telephone number selection, service and feature availability, due date information and customer service record (CSR) information.
  - 2.1.1 Loop make-up information is not necessary for the Services offered pursuant to this Agreement and, although the function may be available as a pre-ordering function of the Interfaces, CUSTOMER is not authorized to receive loop make-up information pursuant to this Agreement. CUSTOMER shall not request loop make-up information for Services under this Agreement and shall indemnify BellSouth against any claims, loss, damage or other expenses arising as a result of CUSTOMER requesting loop make-up.
- 2.2 CUSTOMER shall provide to BellSouth access to the same type of CSR information that BellSouth makes available to CUSTOMER, including circuit numbers associated with each telephone number where applicable. CUSTOMER shall provide such information within four (4) hours after request via electronic

access where available. If electronic access is not available, CUSTOMER shall provide to BellSouth paper copies of CSR information, via email, to an address designated by BellSouth, unless otherwise agreed to by BellSouth including circuit numbers associated with each telephone number where applicable. If BellSouth requests the information before noon, the CSR information shall be provided the same day. If BellSouth requests the information after noon, the CSR information shall be provided by noon the following day.

- 2.3 CUSTOMER agrees not to view, copy, or otherwise obtain access to the CSR information of any End User without that End User's permission. CUSTOMER will obtain access to CSR information only in strict compliance with applicable laws, rules, or regulations of the state in which the Service is provided. BellSouth reserves the right to monitor CUSTOMER's access to CSR information. If BellSouth determines that CUSTOMER is accessing CSR information without having obtained the proper End User authorization, BellSouth upon reasonable notice to CUSTOMER may take corrective action, including but not limited to suspending or terminating CUSTOMER's access to BellSouth's Interfaces.

### **3. Ordering**

- 3.1 CUSTOMER shall place orders for Services by submitting a complete and correct (Valid) LSR to BellSouth. BellSouth shall bill CUSTOMER an electronic service order charge as specified in Exhibit A of Attachment 1 for each LSR submitted by means of an electronic interface. BellSouth shall bill CUSTOMER a manual service order charge as specified in Exhibit A of Attachment 1 for each LSR submitted by means other than the electronic interfaces (e.g., mail, fax, courier, etc.). An individual LSR will be identified for billing purposes by its Purchase Order Number (PON).
- 3.2 CUSTOMER may submit an LSR to request that an End User's service be temporarily suspended or denied, or restored. Alternatively, CUSTOMER may submit a list of such End Users if CUSTOMER provides a separate PON for each location on the list. BellSouth will bill an electronic or manual service order charge for each location.
- 3.3 BellSouth will bill the electronic or manual service order charge, as applicable, for an LSR, regardless of whether that LSR is later supplemented, clarified or cancelled.
- 3.4 Notwithstanding the foregoing, BellSouth will not bill an additional electronic or manual service order charge for supplements to any LSR submitted to clarify, correct, change or cancel a previously submitted LSR.
- 3.5 Pending Orders and LSRs. To the extent that CUSTOMER submits an LSR with incomplete, incorrect or conflicting information, BellSouth will return the LSR to

CUSTOMER for clarification. CUSTOMER shall respond to the request for clarification within thirty (30) days by submitting a supplement LSR. If CUSTOMER does not submit a supplement LSR within thirty (30) days, BellSouth will cancel the original LSR and CUSTOMER shall be required to submit a new LSR, with a new PON.

#### **4. Provisioning**

- 4.1 BellSouth shall provision Services during its regular working hours. To the extent CUSTOMER requests provisioning of Service to be performed outside BellSouth's regular working hours, or the work so requested requires BellSouth's technicians or Project Manager to work outside of regular working hours, the overtime charges set forth in BellSouth's State Access (E) Tariff, Section 13.2, shall apply. Notwithstanding the foregoing, if such work is performed outside of regular working hours by a BellSouth technician or Project Manager during his or her scheduled shift and BellSouth does not incur any overtime charges in performing the work on behalf of CUSTOMER, BellSouth will not assess overtime charges. To the extent CUSTOMER requests project management for provisioning of Services under this Agreement, additional charges may apply and shall be negotiated by the Parties.
- 4.2 In the event BellSouth must dispatch to the End User's location more than once due to incorrect or incomplete information provided by CUSTOMER (e.g., incomplete address, incorrect contact name/number, etc.), BellSouth will bill CUSTOMER for each additional dispatch required to provision the Service due to the incorrect/incomplete information provided. BellSouth will assess applicable Maintenance of Service rates from BellSouth's FCC No. 1 Tariff, Section 13.3.1.
- 4.3 Cancellation Charges. If CUSTOMER cancels an LSR subsequent to BellSouth's generation of a service order, any costs incurred by BellSouth in conjunction with provisioning of Services as requested on the cancelled LSR will be recovered in accordance with the cancellation methodology set forth in the Cancellation Charge Percentage Chart found on BellSouth's Interconnection Web site. In addition, BellSouth reserves the right to issue cancellation charges if CUSTOMER fails to respond within 9 business days to a Missed Appointment order notification.
- 4.4 Service Date Advancement Charges (Expedites). Service Date Advancement charges will apply where CUSTOMER, requests that Services be provisioned prior to the due date provided by BellSouth, and where BellSouth agrees to an expedited provisioning time frame. The charges are as outlined in Exhibit A of Attachment 1.
- 4.5 Order Modification Charges. If CUSTOMER modifies an order (Order Modification Charge (OMC) or Order Modification Charge Additional Dispatch (OMCAD)) after being sent a Firm Order Confirmation (FOC) from BellSouth, any costs incurred by BellSouth to accommodate the modification will be paid by

CUSTOMER in accordance with applicable rates set forth in Exhibit A of Attachment 1.

**5. Maintenance and Repair**

- 5.1 BellSouth will make Interfaces available to CUSTOMER for the purpose of reporting and monitoring service troubles. CUSTOMER's use of BellSouth's maintenance and repair Interfaces shall be in accordance with the applicable guides, business rules and specifications for maintenance and repair as set forth in Exhibit A.
- 5.2 Once CUSTOMER has isolated a trouble on a Wholesale Local Platform Service to the BellSouth provided network, and has issued a trouble report to BellSouth, BellSouth will take the actions necessary to repair the network when the trouble is found. BellSouth will repair its network facilities to its Wholesale customers in the same time frames that BellSouth repairs similar services to its own End Users.
- 5.3 If CUSTOMER reports a trouble on a Wholesale Local Platform Service and no trouble is found in BellSouth's network, BellSouth will charge CUSTOMER a Maintenance of Service Charge for any dispatching and testing (both inside and outside the CO) required by BellSouth in order to confirm the Service's working status. BellSouth will assess the applicable Maintenance of Service rates from BellSouth's FCC No.1 Tariff, Section 13.3.1.
- 5.4 In the event BellSouth must dispatch to the End User's location more than once due to incorrect or incomplete information provided by CUSTOMER (e.g., incomplete address, incorrect contact name/number, etc.), BellSouth will bill CUSTOMER for each additional dispatch required to repair the Service due to the incorrect/incomplete information provided. BellSouth will assess the applicable Maintenance of Service rates from BellSouth's FCC No. 1 Tariff, Section 13.3.1.

**6. Miscellaneous**

- 6.1 Single Point of Contact. CUSTOMER will be the single point of contact with BellSouth for ordering activity pursuant to this Agreement, except that BellSouth may accept a request directly from another CLEC, or from BellSouth, acting with authorization of the affected End User, to disconnect the Services provided hereunder in order to permit the End User to change service providers, as described in Section 6.3 below. CUSTOMER shall execute a blanket letter of authorization with respect to CUSTOMER's ordering activity so that prior proof of End User authorization will not be necessary with every LSR (except in the case of a local service freeze). The Parties shall each be entitled to adopt their own internal processes for verification of End User authorization for requests, provided, however, that such processes shall comply with applicable state and federal law and industry and regulatory guidelines.

- 6.2 CUSTOMER shall not prevent or delay an End User from changing to another carrier because of unpaid bills, denied service, or contract terms.
- 6.3 Use of Facilities. Pursuant to a request from an End User of CUSTOMER, or from another LEC, including BellSouth, on behalf of such End User, BellSouth shall have the right to disconnect the Services being used by CUSTOMER to provide Service to that End User and reuse those facilities to enable such other LEC to provide service to that End User. In addition, BellSouth may disconnect and reuse facilities when the Service to the End User has been withheld or denied by CUSTOMER, or by BellSouth in accordance with the terms of this Agreement, and BellSouth has received a request from an End User or another LEC to establish new or additional service at, or to transfer service to, the same address served by that facility. BellSouth will notify CUSTOMER that such a request has been processed after the order disconnecting CUSTOMER's Service to that End User has been completed.
- 6.4 Contact Numbers. The Parties agree to provide one another with toll-free nation-wide (50 states) contact numbers for the purpose of ordering, provisioning and maintenance of Services.
- 6.5 Subscription Functions. In cases where BellSouth performs subscription functions for an IXC (i.e., where BellSouth changes the End User Preferred Interexchange Carrier (PIC) and/or End User LPIC via Customer Account Record Exchange (CARE)), BellSouth will provide the affected IXCs with the OCN of CUSTOMER for the purpose of obtaining End User billing account and other End User information required under subscription requirements.
- 6.6 PIC and LPIC Charges. When CUSTOMER's End User that is served utilizing Wholesale Local Platform Services or Wholesale Switch Port Services, changes its PIC and/or LPIC, and per BellSouth's FCC or state tariff, the IXC elects to charge the End User the PIC and/or LPIC change charge, BellSouth will bill the PIC and/or LPIC change charge to CUSTOMER, which has the billing relationship with that End User, and CUSTOMER may pass such charge to the End User.

## 7. **Rates**

Unless otherwise specified herein, charges for the use of BellSouth's Interfaces, and other charges applicable to preordering, ordering, provisioning and maintenance and repair, shall be as set forth in Exhibit A of Attachment 1. In the event CUSTOMER modifies the rates or rate structure for use of BellSouth's manual or electronic interfaces in any other agreement with BellSouth, then upon BellSouth's request, CUSTOMER shall amend this Agreement to reflect the same rates or rate structure. In the state of Tennessee, manual service order charges shall apply on a per element, nonrecurring basis as identified in Exhibit A of Attachment 1 in lieu of the per LSR manual service order charge.

### **Guides, Business Rules and Specifications**

**The applicable guides, business rules and specifications are set forth on the BellSouth Interconnection Web site and include, but are not limited to, the following:**

BellSouth Local Ordering Handbook (LOH)  
CLEC Billing Guide  
CLEC Service Order Tracking System (CSOTS) User Guide  
CLEC Trouble Analysis Facilitation Interface (TAFI) User Guide  
CLEC Universal Service Order Code (USOC) Manual  
Electronic Communications Trouble Administration (ECTA) Start-Up Guide  
Electronic Data Interchange (EDI) Specifications Guide  
Local Exchange Navigation System (LENS) User Guide  
Operational Understanding  
OSS Interconnection Volume Guidelines  
Telecommunications Access Gateway (TAG) User Guide

### **Billing**

**TABLE OF CONTENTS**

**1 Payment and Billing Arrangements..... 3**

**2. Billing Disputes ..... 9**

## BILLING

### 1 Payment and Billing Arrangements

- 1.1 The terms and conditions set forth in this Attachment shall apply to all Services ordered and provisioned pursuant to this Agreement.
- 1.2 Billing. BellSouth will bill CUSTOMER in CABS Billing Output Specification (CBOS) standard format. BellSouth's billing format may change in accordance with applicable industry standards.
- 1.2.1 Subject to Section 4 of General Terms and Conditions BellSouth will render bills each month on established bill days for each of CUSTOMER's accounts. If CUSTOMER requests multiple billing media or additional copies of the bills, BellSouth will provide these at the rates set forth in BellSouth's FCC No. 1 Tariff, Section 13.3.6.3.
- 1.2.2 BellSouth will bill CUSTOMER in advance for all Services to be provided during the ensuing billing period except charges associated with Service usage and nonrecurring charges, which will be billed in arrears.
- 1.2.3 BellSouth will not perform billing and collection services for CUSTOMER as a result of the execution of this Agreement.
- 1.3 Establishing Accounts. Unless BellSouth elects otherwise, BellSouth will bill for Services using wholesale billing accounts established by BellSouth pursuant to a separate agreement between the Parties. If BellSouth elects to establish a new account under this Agreement for billing Services, or if CUSTOMER does not have an appropriate wholesale billing account established under a separate agreement with BellSouth, such account shall be established under this Agreement as follows.
- 1.3.1 After submitting a credit profile and deposit, if required, and after receiving certification as a LEC from the appropriate Commission, CUSTOMER will provide the appropriate BellSouth Local Contract Manager responsible for new CLEC activation, the necessary documentation to enable BellSouth to establish accounts for the Services described in this Agreement. Such documentation shall include an application for the establishment of accounts, if applicable, proof of authority to provide Telecommunications Services, the appropriate OCN for each state as assigned by the National Exchange Carriers Association (NECA), CIC, Access Customer Name and Abbreviation (ACNA), BellSouth's blanket form Letter of Authorization (LOA), Misdirected Number form, and a tax exemption certificate, if applicable. Notwithstanding anything to the contrary in this Agreement, CUSTOMER may not order Services under a new account established

in accordance with this Section 1.3.1 until thirty (30) days after all information specified in this Section 1.3.1 is received from CUSTOMER.

- 1.3.2 ACNAs. CUSTOMER shall provide BellSouth with documentation from Telcordia identifying the ACNA assigned to it by Telcordia (as applicable) in the same legal name as reflected in the preamble to this Agreement. Such ACNA will be used by CUSTOMER to order services pursuant to this Agreement and will not be shared by CUSTOMER with another entity.
- 1.3.3 Company Identifiers. If CUSTOMER needs to change, add to, eliminate or convert its OCN(s), ACNAs, and other identifying codes (collectively “Company Identifiers”) under which it operates when CUSTOMER has already been conducting business utilizing those Company Identifiers, CUSTOMER shall pay all reasonable charges as a result of such change, addition, elimination or conversion to the new Company Identifiers. Such charges include, but are not limited to, all time required to make system updates to all of CUSTOMER’s End User records and any other changes to BellSouth systems or CUSTOMER records, and will be handled in a separately negotiated agreement or as otherwise reasonably required by BellSouth.
- 1.3.4 Tax Exemption. It is the responsibility of CUSTOMER to provide BellSouth with a properly completed tax exemption certificate at intervals required by the appropriate taxing authorities. A tax exemption certificate must be supplied for each individual CUSTOMER entity purchasing Services under this Agreement. Upon BellSouth’s receipt of a properly completed tax exemption certificate, subsequent billings to CUSTOMER will not include those taxes or fees from which CUSTOMER is exempt. Prior to receipt of a properly completed exemption certificate, BellSouth shall bill, and CUSTOMER shall pay all applicable taxes and fees. In the event that CUSTOMER believes that it is entitled to an exemption from and refund of taxes with respect to the amount billed prior to BellSouth’s receipt of a properly completed exemption certificate, BellSouth shall assign to CUSTOMER its rights to claim a refund of such taxes. If applicable law prohibits the assignment of tax refund rights or requires the claim for refund of such taxes to be filed by BellSouth, BellSouth shall, after receiving a written request from CUSTOMER and at CUSTOMER’s sole expense, pursue such refund claim on behalf of CUSTOMER, provided that CUSTOMER promptly reimburses BellSouth for any costs and expenses incurred by BellSouth in pursuing such refund claim, and provided further that BellSouth shall have the right to deduct any such outstanding costs and expenses from the amount of any refund obtained prior to remitting such refund to CUSTOMER. CUSTOMER shall be solely responsible for the computation, tracking, reporting and payment of all taxes and fees associated with the Services provided by CUSTOMER to its End Users.
- 1.4 Deposit Policy. Upon BellSouth’s request, CUSTOMER shall complete the BellSouth Credit Profile (BellSouth form) and provide information to BellSouth

regarding CUSTOMER's credit and financial condition. Based on BellSouth's analysis of the BellSouth Credit Profile and other relevant information regarding CUSTOMER's credit and financial condition, BellSouth reserves the right to require CUSTOMER to provide BellSouth with a suitable form of security deposit for CUSTOMER's account(s). If, in BellSouth's sole discretion, circumstances so warrant and/or CUSTOMER's gross monthly billing has increased, BellSouth reserves the right to request additional security (or to require a security deposit if none was previously requested) and/or file a Uniform Commercial Code (UCC-1) security interest in CUSTOMER's "accounts receivables and proceeds".

- 1.4.1 Security deposit shall take the form of cash, an Irrevocable Letter of Credit (BellSouth form), Surety Bond (BellSouth form) or, in BellSouth's sole discretion, some other form of security proposed by CUSTOMER. Any such security deposit shall in no way release CUSTOMER from its obligation to make complete and timely payments of its bill(s). If BellSouth requires CUSTOMER to provide a security deposit, CUSTOMER shall provide such security deposit prior to the inauguration of Service or within thirty (30) days of BellSouth's request, as applicable. Deposit request notices will be sent to CUSTOMER via certified mail or overnight delivery. Such notice period will start the day after the deposit request notice is rendered by certified mail or overnight delivery. Interest on a cash security deposit shall, accrue and be applied or refunded in accordance with the terms in BellSouth's GSST.
- 1.4.2 Security deposits collected under this Section 1.4 shall not exceed two (2) months' estimated billing. Estimated billings are calculated based upon the monthly average of the previous six (6) months current billings, if CUSTOMER has received service from BellSouth during such period at a level comparable to that anticipated to occur over the next six (6) months. If either CUSTOMER or BellSouth has reason to believe that the level of service to be received during the next six (6) months will be materially higher or lower than received in the previous six (6) months, CUSTOMER and BellSouth shall agree on a level of estimated billings based on all relevant information.
- 1.4.3 In the event CUSTOMER fails to provide BellSouth with a suitable form of security deposit or additional security deposit as required herein, defaults on its account(s), or otherwise fails to make any payment or payments required under this Agreement in the manner and within the time required, service to CUSTOMER may be Suspended, Discontinued or Terminated in accordance with the terms of Section 1.6 below. Upon Termination of Services, BellSouth shall apply any security deposit to CUSTOMER's final bill for its account(s).
- 1.4.3.1 At least seven (7) days prior to the expiration of any letter of credit provided by CUSTOMER as security under this Agreement, CUSTOMER shall renew such letter of credit or provide BellSouth with evidence that CUSTOMER has obtained a suitable replacement for the letter of credit. If CUSTOMER fails to comply with

the foregoing, BellSouth shall thereafter be authorized to draw down the full amount of such letter of credit and utilize the cash proceeds as security for CUSTOMER account(s). If CUSTOMER provides a security deposit or additional security deposit in the form of a surety bond as required herein, CUSTOMER shall renew the surety bond or provide BellSouth with evidence that CUSTOMER has obtained a suitable replacement for the surety bond at least seven (7) days prior to the cancellation date of the surety bond. If CUSTOMER fails to comply with the foregoing, BellSouth shall thereafter be authorized to take action on the surety bond and utilize the cash proceeds as security for CUSTOMER's account(s). If the credit rating of any bonding company that has provided CUSTOMER with a surety bond provided as security hereunder has fallen below B, BellSouth will provide written notice to CUSTOMER that CUSTOMER must provide a replacement bond or other suitable security within fifteen (15) days of BellSouth's written notice. If CUSTOMER fails to comply with the foregoing, BellSouth shall thereafter be authorized to take action on the surety bond and utilize the cash proceeds as security for CUSTOMER's account(s). Notwithstanding anything contained in this Agreement to the contrary, BellSouth shall be authorized to draw down the full amount of any letter of credit or take action on any surety bond provided by CUSTOMER as security hereunder if CUSTOMER defaults on its account(s) or otherwise fails to make any payment or payments required under this Agreement in the manner and within the time, as required herein.

- 1.5 Payment Responsibility. Payment of all charges will be the responsibility of CUSTOMER. CUSTOMER shall pay invoices utilizing wire transfer services or automatic clearing house services. CUSTOMER shall make payment to BellSouth for all services billed including disputed amounts. BellSouth will not become involved in billing disputes that may arise between CUSTOMER and CUSTOMER's End User.
- 1.5.1 Payment Due. Payment for Services provided by BellSouth is due on or before the next bill date. Information required to apply payments must accompany the payment. The information must notify BellSouth of Billing Account Numbers (BAN) paid; invoices paid and the amount to be applied to each BAN and invoice (Remittance Information). Payment is considered to have been made when the payment and Remittance Information are received by BellSouth. If the Remittance Information is not received with payment, BellSouth will be unable to apply amounts paid to CUSTOMER's accounts. In such event, BellSouth shall hold such funds until the Remittance Information is received. If BellSouth does not receive the Remittance Information by the payment due date for any account(s), late payment charges shall apply.
- 1.5.1.1 Due Dates. If the payment due date falls on a Sunday or on a holiday that is observed on a Monday, the payment due date shall be the first non-holiday day following such Sunday or holiday. If the payment due date falls on a Saturday or

on a holiday which is observed on Tuesday, Wednesday, Thursday, or Friday, the payment due date shall be the last non-holiday day preceding such Saturday or holiday. If payment is not received by the payment due date, a late payment charge, as set forth in Section 1.5.1.2, below, shall apply.

- 1.5.1.2 Late Payment. If any portion of the payment of non-disputed charges is not received by BellSouth on or before the payment due date as set forth preceding, or if any portion of the payment is received by BellSouth in funds that are not immediately available to BellSouth, then a late payment and/or interest charge shall be due to BellSouth. The late payment and/or interest charge shall apply to the portion of the payment not received and shall be assessed as set forth in Section A2 of BellSouth's GSST, Section B2 of the Private Line Service Tariff or Section E2 of the BellSouth intrastate Access Services Tariff or pursuant to the applicable state law as determined by BellSouth. In addition to any applicable late payment and/or interest charges, CUSTOMER may be charged a fee for all returned checks at the rate set forth in Section A2 of BellSouth's GSST or pursuant to the applicable state law.
- 1.6 Discontinuing Service to CUSTOMER. The procedures for discontinuing Service to CUSTOMER are as follows:
- 1.6.1 In order of severity, Suspend/Suspension, Discontinue/Discontinuance and Terminate/Termination are defined as follows for the purposes of this Attachment:
- 1.6.1.1 Suspend/Suspension is the temporary restriction of the billed Party's access to the ordering systems and/or access to the billed Party's ability to initiate PIC-related changes. In addition, during Suspension, pending orders may not be completed and orders for new Service or changes to existing Services may not be accepted.
- 1.6.1.2 Discontinue/Discontinuance is the denial of service by the billing Party to the billed Party that will result in the disruption and discontinuation of Service to the billed Party's End Users or customers. Additionally, at the time of Discontinuance, BellSouth will remove any Local Service Freezes in place on the billed Party's End Users.
- 1.6.1.3 Terminate/Termination is the disconnection of Service by the billing Party to the billed Party.
- 1.6.1.4 BellSouth reserves the right to Suspend, Discontinue or Terminate service in the event of prohibited, unlawful or improper use of BellSouth facilities or service, abuse of BellSouth facilities, or any other violation or noncompliance by CUSTOMER of the rules and regulations of BellSouth's tariffs.
- 1.6.2 Suspension. If payment of amounts due as described herein is not received by the bill date in the month after the original bill date, or fifteen (15) days from the date of a deposit request in the case of security deposits, BellSouth will provide written notice to CUSTOMER that Services will be Suspended if payment of such amounts, and all other amounts that become past due before Suspension, is not

received by wire transfer, automatic clearing house or cashier's check in the manner set forth in Section 1.5.1 above or in the case of a security deposit request, in the manner set forth in Section 1.4.1 above: (1) within seven (7) days following such notice for CABS billed Services; (2) within fifteen (15) days following such notice for CRIS and IBS billed Services; and (3) within seven (7) days following such notice for security deposit requests.

- 1.6.2.1 The Suspension notice shall also provide that all past due charges for CRIS and IBS billed Services, and all other amounts that become past due for such services before Discontinuance, must be paid within thirty (30) days from the date of the Suspension notice to avoid Discontinuance of CRIS and IBS billed Services.
- 1.6.2.2 For CABS billed services, BellSouth will provide a Discontinuance notice that is separate from the Suspension notice, that all past due charges for CABS billed Services, and all other amounts that become past due for such Services before Discontinuance, must be paid within thirty (30) days from the date of the Suspension notice to avoid Discontinuance of CABS billed Services. This Discontinuance notice may be provided at the same time that BellSouth provides the Suspension notice.
- 1.6.2.3 Discontinuance. If payment of amounts due as described herein is not received by the bill date in the month after the original bill date, BellSouth will provide written notice that BellSouth may Discontinue the provision of existing Services to CUSTOMER if payment of such amounts and all other amounts that become past due before Discontinuance, including requested security deposits, is not received by wire transfer, automatic clearing house or cashier's check in the manner set forth in Section 1.5.1 above or in the case of a security deposit in accordance with Section 1.4.1 within thirty (30) days following such written notice; provided, however, that BellSouth may provide written notice that such existing Services may be Discontinued within fifteen (15) days following such notice, subject to the criteria described in Section 1.5 above.
- 1.6.3 BellSouth may take the action to Discontinue the provision of existing Service upon fifteen (15) days from the day after BellSouth provides written notice of such Discontinuance if (a) such notice is sent by certified mail or overnight delivery; (b) CUSTOMER has not paid all amounts due pursuant to a subject bill(s), or has not provided adequate security pursuant to a deposit request; and (c) either:
- (1) BellSouth has sent the subject bill(s) to CUSTOMER within (7) business days of the bill date(s), verifiable by records maintained by BellSouth:
    - i. in paper or CDROM form via the United States Postal Service (USPS),  
or
    - ii. in magnetic tape form via overnight delivery, or
    - iii. via electronic transmission; or

(2) BellSouth has sent the subject bill(s) to CUSTOMER, using one of the media described in (1) above, more than thirty (30) days before notice to discontinue service has been rendered.

1.6.4 In the case of Discontinuance of Services, all billed charges, as well as applicable disconnect, interest and late payment charges, shall become due.

1.6.5 CUSTOMER is solely responsible for notifying the End User of the Discontinuance of service. If, within seven (7) days after CUSTOMER's Services have been Discontinued, CUSTOMER pays, by wire transfer, automatic clearing house or cashier's check, all past due charges, including late payment charges, outstanding security deposit request amounts if applicable and any applicable restoral charges as set forth in Section A4 of BellSouth's GSST, then BellSouth will reestablish Service for CUSTOMER.

1.6.6 Termination. If within seven (7) days after CUSTOMER's Service has been Discontinued and CUSTOMER has failed to pay all past due charges as described above, then CUSTOMER's Service will be Terminated.

1.7 Notices. Notwithstanding anything to the contrary in this Agreement, all bills and notices regarding billing matters, disconnection of services for nonpayment of charges, and rejection of additional orders from CUSTOMER, shall be forwarded to the individual and/or address provided by CUSTOMER in establishment of its billing account(s) with BellSouth, or to the individual and/or address subsequently provided by CUSTOMER as the contact for billing. All monthly bills and notices described in this Section shall be forwarded to the same individual and/or address; provided, however, upon written request from CUSTOMER to BellSouth's billing organization, the notice of discontinuance of services purchased by CUSTOMER under this Agreement provided for in Section 1.6.2 of this Attachment shall be sent via certified mail to the individual(s) listed in the Notices provision of General Terms and Conditions.

## 2. **Billing Disputes**

2.1 CUSTOMER shall electronically submit all billing disputes to BellSouth using the form specified by BellSouth. In the event of a billing dispute, the Parties will endeavor to resolve the dispute within sixty (60) days of the notification date. Within five (5) business days of BellSouth's denial, or partial denial, of the billing dispute, if CUSTOMER is not satisfied with BellSouth's resolution of the billing dispute or if no response to the billing dispute has been received by CUSTOMER by such sixtieth (60<sup>th</sup>) day, CUSTOMER must pursue the escalation process as outlined in the Billing Dispute Escalation Matrix, set forth on the BellSouth Interconnection Web site, or the billing dispute shall be considered denied and closed. If, after escalation, the Parties are unable to reach resolution, then the aggrieved Party, if it elects to pursue the dispute, shall pursue dispute resolution in accordance with General Terms and Conditions.

2.2 For purposes of this Section 2, a billing dispute means a reported dispute submitted pursuant to Section 2.1 of a specific amount of money actually billed by BellSouth. The billing dispute must be clearly explained by CUSTOMER and supported by written documentation, which clearly shows the basis for disputing charges. The determination as to whether the billing dispute is clearly explained or clearly shows the basis for disputing charges shall be within BellSouth's sole reasonable discretion. Disputes that are not clearly explained or those that do not provide complete information may be rejected by BellSouth. Claims by CUSTOMER for damages of any kind will not be considered a billing dispute for purposes of this Section. If BellSouth resolves the billing dispute, in whole or in part, in favor of CUSTOMER, any credits and interest due to CUSTOMER as a result thereof shall be applied to CUSTOMER's account by BellSouth upon resolution of the billing dispute.

**BellSouth Telecommunications, Inc.  
d/b/a AT&T Alabama, AT&T Florida, AT&T Georgia,  
AT&T Kentucky, AT&T Louisiana, AT&T Mississippi,  
AT&T North Carolina, AT&T South Carolina  
and AT&T Tennessee  
Dated September 11, 2006**

Pursuant to this Amendment, (the "Amendment"), [REDACTED] ("CUSTOMER"), and BellSouth Telecommunications, Inc., now d/b/a AT&T Alabama, AT&T Florida, AT&T Georgia, AT&T Kentucky, AT&T Louisiana, AT&T Mississippi, AT&T North Carolina, AT&T South Carolina and AT&T Tennessee (hereinafter referred to as "AT&T"), hereinafter referred to collectively as the "Parties," hereby agree to amend that certain Market Based Rate Agreement between the Parties dated September 11, 2006 ("Agreement") to be effective thirty (30) calendar days after the date of the last signature executing the Amendment ("Effective Date").

**WHEREAS**, AT&T and CUSTOMER entered into the Agreement on September 11, 2006, and;

**WHEREAS**, the Parties desire to amend the Agreement in order to extend its term;

**NOW THEREFORE**, in consideration of the mutual provisions contained herein and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties hereby covenant and agree as follows:

1. Section 3.1 of the General Terms and Conditions is hereby deleted in its entirety and replaced with the following:

The term of this Agreement shall commence on the Effective Date and shall apply to the AT&T Southeast Region 9-State in the state(s) of Alabama, Florida, Georgia, Kentucky, Louisiana, Mississippi, North Carolina, South Carolina and Tennessee. It shall continue in effect until December 31, 2008, except as otherwise provided in this Agreement. This Agreement shall continue in effect as specified herein unless: a) Either Party terminates, without cause, at any time upon at least thirty (30) days prior written notice to the other Party provided no Services are being purchased pursuant to this Agreement; or b) Either Party terminates pursuant to the terms hereof upon the other's breach.

2. Section 5.2 of Attachment 1, Services is hereby deleted in its entirety and replaced with the following:

5.2 AT&T's Calling Name (CNAM) Database Services

5.2.1 AT&T's CNAM database Services provide the ability to associate a name with the calling party's number for any name and number stored in the AT&T CNAM database, allowing the End User (to which a call is being terminated and which subscribes to the necessary services) to view the calling party's name before the call is answered.

5.2.2 CUSTOMER's End Users' names and numbers related to Wholesale Switch Port Services and Wholesale Local Platform Services shall be stored in the AT&T CNAM database, and shall be available, to all entities that launch queries to the AT&T CNAM database. AT&T, at its sole discretion, may opt to interconnect with and query other calling name databases. In the event AT&T does not query a third party calling name database that stores the calling party's information, AT&T cannot deliver the calling party's information to a called End User. In addition, AT&T cannot deliver the calling party's information where the calling party subscribes to any service that would block or otherwise cause the information to be unavailable.

5.2.3 For each CUSTOMER End User that subscribes to a switch based vertical feature providing calling name information to that End User for calls received, AT&T will launch a query on a per call basis to the AT&T CNAM database, or, subject to Section 5.2.2 above, to a third party calling name database, to provide calling name information, if available, to CUSTOMER's End User. CUSTOMER shall pay the rates set forth in supplemental Exhibit A2, for each CUSTOMER End User that subscribes to the appropriate vertical features that support Caller ID or a variation thereof.

3. The rates and sections in Exhibit A labeled individually as CNAM, are hereby deleted in their entirety and replaced with the supplemental exhibit attached as Exhibit A2.
4. The following Section 16, Inside Wire Maintenance Service, is added to Attachment 1:

16. **Inside Wire Maintenance Services**

16.1 Upon request of CUSTOMER, AT&T will provide the Inside Wire Maintenance ("ISWM") Services ordered by CUSTOMER as further detailed in this Attachment.

16.2 ISWM Services are defined as follows: AT&T will repair telephone service troubles that may exist in the wiring and jacks inside CUSTOMER's end user's business or residence where the

telecommunications service provided to the CUSTOMER's end user is basic residential and/or business lines purchased from CUSTOMER and provided to CUSTOMER pursuant to this Agreement. Basic residential and/or business lines are defined as Plain Old Telephone Service ("POTS") lines which are provisioned with simple wiring and which do not terminate at a communications system.

- 16.3 As part of the ISWM Services, AT&T will isolate the source of the trouble reported by CUSTOMER. If the trouble is located in AT&T's network (i.e. on the network side of the demarcation point for that line), AT&T will repair the trouble as specified elsewhere in this Agreement. If the trouble is located between the network demarcation point and the interface to the jack(s) inside the end user's premises, AT&T, subject to the terms and conditions set forth herein, will repair the basic inside telephone wire and modular jacks.
- 16.4 ISWM Services do not include repairs to telephone sets, fax machines, answering machines, modems, and similar equipment, also known as Customer Premises Equipment ("CPE").
- 16.5 If the trouble is caused by a defect or condition present in the CPE or in the cord from the jack to the CPE, AT&T will advise CUSTOMER and/or CUSTOMER's end user that the CPE should be disconnected and either repaired or replaced, and the trouble ticket will be closed to CUSTOMER.
- 16.6 ISWM Services do not include (i) troubles caused by willful damage to inside wire or jacks; (ii) damage caused by acts of God; (iii) obvious conditions existing at the time of CUSTOMER's subscription to the ISWM Services (e.g. wiring does not exist to the jack at the time of the subscription to the ISWM Services); (iv) inside wire or jacks that do not meet industry standards for telecommunications services; (v) any repair to and/or maintenance of CUSTOMER's end user's inside wiring or jacks to the extent that after reasonable effort AT&T determines that such repair/maintenance cannot be performed in a safe manner due to the presence of asbestos or any other environmentally hazardous substance or due to the existence of an unsafe condition (vi) damage to wiring or jacks due to painting or remodeling; (vii) the rearranging of inside wiring from one DS0 Wholesale Local Voice Platform Services to another DS0 Wholesale Local Voice Platform Services (e.g. previous occupant of premises had two (2) lines and CUSTOMER's end user has only one (1) line); (viii) on-premise, different building extensions; and (ix) inside wiring or jacks installed in Recreational Vehicles, boats and/or travel trailers.
- 16.7 Replacement of standard miniature modular jacks (i.e. RJ11C/D, RJ11W, RJ14C and RJ14W) is included in ISWM Services. If

any other jack type requires replacement, CUSTOMER will be liable for the material cost of said jack type. The labor associated with the replacement of other jack types is included in the ISWM Services.

- 16.8 Basic residential and business lines serving buildings or developments where the owner/developer of said building or development has chosen to have a single demarcation point installed for all services, and where the owner/developer requires a pre-determined vendor(s) to perform these services, are not eligible for ISWM Services.
- 16.9 If an end user of CUSTOMER has more than one (1) DS0 Wholesale Local Voice Platform line to a premises, each DS0 Wholesale Local Voice Platform line to said premises must be subscribed to ISWM Services.
- 16.10 If one (1) or more than one (1) non-basic line is terminated at a premises, all lines at that premise are considered non-basic and are thus ineligible for the ISWM Services.
- 16.11 If an end user of CUSTOMER utilizes a key telephone system, a Private Branch Exchange (PBX) or other non basic telephone system, ISWM Services are not available to CUSTOMER for said end user.
- 16.12 Except on holidays, AT&T will provide ISWM Services to CUSTOMER Monday through Saturday 8am to 6pm local time of CUSTOMER's end user.
- 16.13 For new DS0 Wholesale Local Voice Platform Services ordered after the Effective Date of this Agreement for which CUSTOMER chooses to order ISWM Service, CUSTOMER will order ISWM Services through the Local Service Request ("LSR") process.
- 16.14 After subscription to ISWM Services for end users, there will be a thirty (30) day waiting period before ISWM is available to that end user. When ISWM Services are available, CUSTOMER shall submit requests for ISWM Services to be provided to CUSTOMER's end users by submitting a repair request through the maintenance and repair electronic interface available to CUSTOMER. CUSTOMER may alter or cancel a repair request at any time without charge. In an attempt to reduce unnecessary dispatches, CUSTOMER shall use commercially reasonable efforts to cancel a repair request prior to AT&T's dispatch of a technician. ISWM Services will not be performed on a premises visit to install DS0 Wholesale Local Voice Platform Services.
- 16.15 AT&T may, at its discretion and upon thirty (30) days written notice to CUSTOMER, discontinue or cancel ISWM Services to

an individual end user of CUSTOMER provided that AT&T can demonstrate that the individual end user is abusing the provisions of the ISWM Services, such as, by way of example, where AT&T dispatches to the same location on a repeated basis and trouble is caused by, but not limited to, substandard wire, pets, children or defective CPE.

16.16 In the event AT&T misses an appointment or is delayed in arriving for an appointment to provide ISWM Services to CUSTOMER's end user, AT&T will so notify CUSTOMER through the electronic interface utilized by CUSTOMER to request ISWM Services.

16.17 Inside Wire Charges

16.17.1 AT&T will charge CUSTOMER per DS0 Wholesale Local Voice Platform line for each CUSTOMER end user subscribing to ISWM at the rates set forth in supplemental Exhibits A2 hereto.

16.17.2 Billing for ISWM Services shall be on a monthly basis. So long as CUSTOMER's documentation regarding its reseller exemption is current, AT&T shall not assess taxes on the charges associated with ISWM Services.

16.18 No Exclusivity

16.18.1 This Agreement does not require AT&T to be the exclusive provider of ISWM Services to CUSTOMER and nothing in this Attachment shall be construed to limit in any way CUSTOMER's ability to enter into any similar agreement with any other provider of ISWM Services for services that are the same as or similar to those performed for CUSTOMER under the terms of this Attachment.

5. All of the other provisions of the Agreement shall remain in full force and effect.

IN WITNESS WHEREOF, the Parties have executed this Amendment the day and year written below.

**Dated September 11, 2006**

Pursuant to this Amendment, (the "Amendment"),   (CUSTOMER), and BellSouth Telecommunications, Inc. d/b/a AT&T Alabama, AT&T Florida, AT&T Georgia, AT&T Kentucky, AT&T Louisiana, AT&T Mississippi, AT&T North Carolina, AT&T South Carolina and AT&T Tennessee (AT&T), hereinafter referred to collectively as the "Parties," hereby agree to amend that certain Market Based Rate Agreement between the Parties dated September 11, 2006 (Agreement) to be effective September 17, 2007 (Effective Date).

WHEREAS, AT&T and CUSTOMER entered into the Agreement on September 11, 2006, and;

NOW THEREFORE, in consideration of the mutual provisions contained herein and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties hereby covenant and agree as follows:

1. The Parties agree to delete and replace Section 20.1 of the General Terms and Conditions as follows:

- 20.1 With the exception of billing notices, governed by Attachment 3, every notice, consent or approval of a legal nature, required or permitted by this Agreement shall be in writing and shall be delivered either by hand, by overnight courier or by US mail postage prepaid, or email if an email address is listed below, addressed to:

**AT&T**

AT&T Local Contract Manager  
600 North 19<sup>th</sup> Street, 10<sup>th</sup> floor  
Birmingham, AL 35203

and

Wholesale Market Attorney  
Suite 4300  
675 West Peachtree Street  
Atlanta, GA 30375

or at such other address as the intended recipient previously shall have designated by written notice to the other Party.

2. All of the other provisions of the Agreement, dated September 11, 2006, shall remain in full force and effect.

IN WITNESS WHEREOF, the Parties have executed this Amendment the day and year written below.
