vs.	)	CASE NO. 95-471
	)	
BARNESBURG WATER ASSOCIATION, INC.	)	
	)	
DEFENDANT	)	

O R D E R

It has been brought to the Commission Staff's attention that South Eastern Water Association, Inc. ("South Eastern"), as the successor of Barnesburg Water Association, Inc., has taken the necessary action to alleviate the pressure problem which is the subject of the present complaint. However, no evidence supporting this fact has been filed with the Commission to date.

IT IS THEREFORE ORDERED that South Eastern shall file the original and six copies of the following with the Commission, with a copy to the parties of record, within 20 days of the date of this Order:

1. Explain in detail what action was taken by South Eastern to alleviate the pressure problem which is the subject of this complaint.
2. Provide pressure recording charts showing the actual 24-hour continuously measured pressure available to the Complainants at their meter for seven consecutive days. The pressure recorder is to be placed at the Complainants' meter. When the

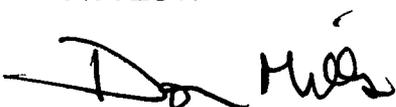

pressure recording charts are provided, identify the time period recorded on each, confirm the exact location of the pressure recorder, and identify the sea level elevation of the recorder.

Done at Frankfort, Kentucky, this 2nd day of May, 1997.
