O R D E R

The City of Lawrenceburg and South Anderson Water District have jointly moved to continue generally the hearing scheduled for May 13, 1997. According to the joint motion, the parties have been engaged in settlement negotiations in which the issues before the Commission in this proceeding have been expanded upon. This enlargement of the issues has lengthened the negotiation process. The parties further feel that an interruption of these negotiations with a hearing on only two of the settlement issues would only serve to disrupt the settlement process. According to the joint motion, no customers are affected by the ongoing negotiations.

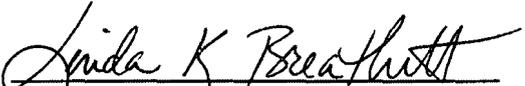

Regardless, the Commission desires to see this matter brought to a conclusion within a reasonable period of time.

IT IS THEREFORE ORDERED that the hearing scheduled for May 13, 1997 is continued for a period of 30 days, after which, if no agreement has been reached by the parties to this proceeding, the hearing will be rescheduled. Additional motions to

continue the hearing will be considered by the Commission only upon a showing of good cause.

Done at Frankfort, Kentucky, this 7th day of May, 1997.
