Re: Taylor Mill Treatment Plant advanced treatment

Dear Mr. Derouen:

Northern Kentucky Water District intends to file an application for a certificate of convenience and necessity for improvements to its Taylor Mill Treatment Plant the week of April 11th. 807 KAR 5:001, Section 8(2) requires the filing of the original and ten paper copies of all applications and other documents that are part of the case. Northern requests a deviation from the regulation to allowed it to file and serve all documents in this case in electronic medium only for both filing and service purposes.

If you have any questions about this matter, please contact me.

Very truly yours,

John N. Hughes
