RE: Case No. 2005-00227
Status Request

Dear Mr. Tolliver:

The Commission entered the enclosed Final Order in this case on July 13, 2005. It was ordered that "Letcher Water shall file a copy of the "as-built" drawings and a certified statement that the construction has been satisfactorily completed in accordance with the contract plans and specifications within 60 days of the substantial completion of the construction certificated herein."

To date, this information has not been received. On December 16, 2005, we received a letter from you stating that you expected to complete the project in March 2006, and we would then receive the "as-built" drawings. This letter is to request a status on the information requested in said Order. We would appreciate receiving a response to this letter within 15 days. Please mail this response to Michael F. Burford, Director of Filings Division, Public Service Commission, 211 Sower Blvd., Post Office Box 615, Frankfort, Kentucky 40602.

Sincerely,

Michael F. Burford
Director
Division of Filings
