RE: LG&E Petition for Confidential Protection
Case No. 2005-00497

Dear Mr. Riggs:

The Commission received a petition from Louisville Gas and Electric Company ("LG&E") on February 23, 2006, to protect as confidential certain information relating to LG&E's responses to requests for information regarding LG&E's solicitations for coal during the review period. The Commission granted your request in part and denied the request in part. On March 6, 2006, the Commission received your request for reconsideration of the parts denied. A further review of the information has determined that the information is entitled to the protection requested and shall be withheld from public inspection.

If the information granted confidentiality becomes publicly available or no longer warrants confidential treatment, you are required by 807 KAR 5:001, Section 7(9)(a), to inform the Commission so that the information may be placed in the public record.

Sincerely,

Beth O'Donnell
Executive Director
