Dear Ms. Cocanougher:

The Commission has received your petition filed February 10, 2006, to protect as confidential certain information pertaining to Total Solution, Inc.'s behavioral scoring model currently used by the companies to calculate customer risk factors. A review of the information has determined that it is entitled to the protection requested on the grounds relied upon in the petition and will be withheld from public inspection.

If the information becomes publicly available or no longer warrants confidential treatment, you are required by 807 KAR 5:001, Section 7(9)(a), to inform the Commission so that the information may be placed in the public record.

Sincerely,

Beth O'Donnell
