RE: Formal Application for a Purchased Water Adjustment

Dear Ms. O'Donnell:

Enclosed is an original and 10 copies of an application for a purchased water rate adjustment for Levee Road Water Association. The adjustment is necessary to recover an increase in the cost of water attributable to our supplier's new wholesale rates.

The district will publish the enclosed public notice of the requested rate revisions in the local newspaper. In accordance with PSC rules and regulations, the notice will be published before the new bills are issued and will be published one time. A copy of the newspaper notice and an affidavit verifying publication will be forwarded to you upon publication.

The District has previously filed income statements and balance sheets with the Public Service Commission. These income statements and balance sheets are currently on file with the Commission.

Sincerely,

enclosure

- 1.a. Name of all wholesale suppliers and the base (current) rate and changed rate of each. In the event the water purchased is billed by the supplier on a rate that is not a flat rate schedule, the entire rate shedule must be shown. Attach additional sheets if necessary.

<u>Supplier(s)</u>	<u>Base Rate</u>	<u>Changed Rate</u>
<u>Mt. Sterling Water Co.</u>	<u>\$1.73 / 1,000</u>	<u>\$1.88 /1,000</u>
<u> </u>	<u> </u>	<u> </u>
<u> </u>	<u> </u>	<u> </u>

- 1.b. A copy of the supplier's notice of the changed rate showing the effective date of the increase is attached as Exhibit A.
2. Twelve-month period upon which the purchased water adjustment is based. (This twelve-month period must end within 90 days of this filing).

From Jan. 2004 through December 2005
 (month and year) (month and year)

3. Statement of water purchases. Where water is purchased from more than one supplier, purchases from each supplier must be shown separately. If water is purchased through a declining block rate schedule, purchases for each month must be shown. Attach an additional sheet if necessary.

Supplier(s)	Gallons Purchased during 12 month period
<u>Mt. Sterling Water Co.</u>	<u>50,586,421</u>
<u> </u>	<u> </u>
<u> </u>	<u> </u>
TOTAL PURCHASES	<u>50,586,421</u>

4. Total sales for the 12 month period 42,745,580.

5. Increased water cost \$7,588.

The increased water cost is the cost difference between purchases at base (current rate) and purchases at new rate.

6. Purchased water adjustment factor .18 / 1,000.

The purchased water adjustment factor is obtained by dividing the increased cost of water by the total gallons sold.

Note: The purchased water adjustment factor is added to each thousand gallons sold. If the minimum usage is 2,000 gallons then the purchased water adjustment factor would be added to the minimum bill twice. Revised tariff sheets must be attached showing the rate to be charged by the utility and the effective date of the increased rates.

7. Proposed effective date March 1, 2006.
