MOTION FOR EXTENSION OF TIME

Sandy Valley Water District (Sandy Valley), Southern Water and Sewer District (Southern) and the city of Pikeville (Pikeville), by counsel, request an extension of time to file responses to the Commission's order of October 6, 2006.

The Joint Applicants are having more difficulty than expected to compile the information requested and the schedules of some of the consultants have contributed to a delay in the completion of the information. Because of these factors, it is requested that the date the responses are to filed be extended for one week to and including Friday, October 27, 2006.

For these reasons, the Joint Applicants request that the filing date be extended to October 27, 2006.
