RE: Formal Application for an increase in certain non-recurring charges

This is an application to increase certain non-recurring charges for the West Daviess County Water District. Attached is the non-recurring charge cost justifications and the proposed new tariff.

West Daviess County Water District is not requesting a water rate increase at this time. However, increased costs attributable to certain non-recurring charges can no longer be absorbed by the District. The customers affected by these increases will be the customers that cause the District to incur these additional expenses.

The District has previously filed income statements and balance sheets with the Public Service Commission. These income statements and balance sheets are currently on file with the Commission.

The District will publish the enclosed public notice of these requested rate revisions in the local newspaper for three consecutive weeks. We will follow up with a filing of the newspaper ads along with an affidavit from the newspaper verifying that the notice was published for three consecutive weeks.

A copy of this application and related filings has been sent to the Office of the Attorney General, Rate Intervention, P.O. Box 2000, Frankfort, KY 40602.

Very truly yours,

  
A. M. Thompson  
Board Chairman
