CASE NO. 2012-00428

MOTION FOR EXTENSION OF TIME

Comes Shelby Energy Cooperative, Inc. ("Shelby Energy"), by counsel, and respectfully moves the Commission for a 10-day extension of time to file Shelby Energy's Responses to the Commission Staff's First Request for Information and the Attorney General's Initial Requests for Information to the Companies. Shelby Energy is a small cooperative with limited office staff. Shelby Energy's President & CEO and its Operations & Engineering Vice-President will be the principle employees preparing these responses. The extension of time is needed to avoid potentially significant disruption of Shelby Energy's operations. Counsel for the Attorney General's office has indicated they do not object to the requested extension.

Respectfully submitted,

Donald T. Prather
