RE: Black Mountain Utility District; Harlan Co., KY  
Alternative Rate Adjustment Application  
PSC Case No. 2015-0088

Dear Mr. Derouen:

At its regularly scheduled monthly board meeting on August 11, 2015, the Black Mountain Utility District Board of Commissioners voted to accept the Public Service Commission's staff report without requesting an informal conference or formal hearing including the rates and changes in how it accounts for the depreciation of its assets.

Should you need any additional information from BMUD to facilitate the implementation of the rates, please contact our office.

Sincerely,

Raymond Cox  
Chairman
