Dear Ms. Carter,

Peoples Gas KY LLC wishes to thank you for your interest in obtaining natural gas service at the location you provided. While we would be pleased to offer you service, EQT has denied our application for gas. Peoples Gas KY LLC has no other option for service in your area at this time.

I encourage you to periodically check with us to determine if the situation has changed. We hope to have the ability to provide service to your location in the future. Again, we thank you for your interest in our company.

Sincerely,

Danny R. Bevins
