RE: PSC 2015-00305

Dear Director Deroven,

As you may know, the Columbia / Adair Utilities District Board currently has a vacancy. I am writing this letter to recommend James Harper to fill this vacancy and serve on the Columbia/Adair Utilities District Board.

Jimmy graduated from Western Kentucky University with a 4 year degree, he is a veteran of the United States Navy, was the Superintendent of Grounds at Lindsey Wilson College for 4 years and retired from the Columbia Utilities Commission after serving as Superintendent for 22 years.

I have known Jimmy many years and feel very strongly that with his knowledge of the existing Water and Sewer System, as well as his management experience and other qualifications, he would be a great candidate for this position.

Thanks in advance for your consideration.

Sincerely,

Curtis Hardwick
Mayor
