PUBLIC SERVICE
COMMISSION

To Whom It May Concern,

In regards to the above listed appointment, I would like to nominate, Lee Stephens of Adair County, for commission to the Adair County Water District vacancy. As I have known and worked with the nominee for more than ten years, I can confidently purport him to be an individual with attributes which would deem him an asset to any business organization. Personally, Lee has owned and operated successful businesses in Adair County for over ten years. During this tenure, he has managed large crews of up to 40-50 employees at one time over the completion of a project. Furthermore, he is adept at the financial aspects of business operation, including budgetary limits, salary allocation, and overall business efficiency. These skills coupled with his personal qualities of honesty and integrity in business would deem him to be a qualified candidate for the above listed position, and one that I feel confident would serve the interests and needs of our county.

Respectfully,

Doug Matney
