RE: McKinney Water District  
Alternative Rate Adjustment Application  
PSC Case No. 2015-00331

Dear Mr. Derouen,

At its regular scheduled monthly board meeting held on February 9, 2016, the McKinney Water District Board of Commissioners voted to accept the Public Service Commission's staff report without requesting an informal conference or formal hearing including the rates and changes in how it accounts for the depreciation of its assets.

Should you need any additional information from the McKinney Water District to facilitate the implementation of the rates, please contact our office at the above number.

Sincerely,

  
LESLIE GOOCH  
CHAIRMAN
