RE: Water Service Corp of KY.
Proposed RATE increase

I am **NOT** in favor of granting a **RATE increase** for the Water Service Corp. of KENTUCKY. According to the advertisement in the local newspaper (see attached) the base rate increase is \$5.99 per month or a 29.31% increase.

Please **do not allow** this rate increase for this utility company. All the utility companies in this area (electric, natural gas, water) have a **MONOPOLY** as there are no other provider for these services.

If these rates are allowed all other **TAXES** which are attached to the bill will also increase.

Thank you for your time and attention in this matter.

Respectfully,

Glynn Brown
