Re: Case No. 2016-00203

Dear Ms. Mathews:

Kentucky Rural Water Association scheduled three regional meetings during the month of July, 2016. On behalf of Kentucky Rural Water Association (KRWA), I hereby attest that these programs, herein referenced as Case No. 2016-00203, were held on the scheduled dates, but with the following change in location:

The relocation of Reno's Roadhouse took longer than expected and, unfortunately, they were not open to hold the Northeast Regional at their facility. Rowan Co. Water Office in Morehead, Kentucky, agreed to host the session.

There were no changes in the speakers or the topics that were originally submitted and approved for two (2) credit hours of continuing education credit per session. KRWA was not provided handouts by speakers to distribute to attendees.

As required, KRWA has included a list of commissioners who attended the approved sessions and earned continuing education credit. Also included are the notifications from the Kentucky Board of Certification of Water Treatment and Distribution System Operators indicating their approval of these meetings.

Kentucky Rural Water Association would like to thank the Kentucky Public Service Commission and staff for their leadership and support in approving the training offered during our Regional Meetings.

Sincerely,

Janet Cole
Education Coordinator
