

KY PSC has served *.wmv media files for many years. With the retirement of Windows Media Services the Commission has begun to broadcast on YouTube.

Older hearing records might still point to the old files. Upon request staff will migrate the old videos to the YouTube channel. Request videos uploaded to the channel including the video's related case number at: EECPSCIT@ky.gov. Please allow a minimum of 2 business days for that upload to occur.

Find the Commissions YouTube channel here: <https://www.youtube.com/user/KYPSC>
