SECTION 1- TECHNICAL TERMS AND ABBREVIATIONS

Access Line - An arrangement from a local exchange telephone company or other common carrier, using either dedicated or switched access, which connects a Customer's location to the Company's location or switching center.

Account - Either a Customer's physical location or individual Service represented by a unique account number within the Billing Hierarchy. Multiple Services each with a unique account number may be part of one physical location.

Application for Service - The AccessLine order process that includes technical, billing and other descriptive information provided by the Customer that allows AccessLine to provide requested communications Services for the Customer and Customer's Authorized Users. Upon acceptance by AccessLine, the Application for Service becomes a binding contract between the Customer and AccessLine for the provision and acceptance of Services.

Authorization Code - A numerical code, one or more of which may be assigned to a Customer, to enable the Company to identify the origin of the Customer so it may rate and bill the call. Automatic number identification (ANI) is used as the authorization code wherever possible.

Billing Hierarchy - Allows Customers to combine multiple accounts and Services into a single billing structure. Business Customers can choose whether to have all Services invoiced together, invoiced separately, or in any combination thereof. In addition, the Business Customer may specify where the invoices are to be sent and who is to receive them.

Business Hours - The phrase "business hours" means the time after 5:00 A.M. PST and before 6:00 P.M. PST, Monday through Friday excluding holidays.

Business Office - The phrase "business office" means the primary location where the business operations of AccessLine are performed and where a copy of AccessLine's tariff is made available for public inspection. The address of the business office is 3310 146th Place SE, Bellevue, WA 98007.

Commission - Used throughout this tariff to mean the Kentucky Public Service Commission.

Competitive Local Exchange Carrier ("CLEC") or Alternative Local Exchange Carrier ("ALEC") - means any entity or person providing local exchange services in competition with an ILEC or LEC.

Customer - The person, firm, corporation or other legal entity which orders the services of the Company or purchases a Company Prepaid Calling Card and/or originates prepaid calls

using such cards, and is responsible for the payment of charges and for compliance with the Company's tariff regulations.

Company or AccessLine - Used throughout this tariff to mean AccessLine Communications Corporation d/b/a Voice Telco Services, a Delaware Corporation.

Day - The term "day" means 6:00 A.M. to, but not including, 5:00 P.M. local time at the originating city, Monday through Friday, excluding Company specific holidays.

Dedicated Access - The Customer gains entry to the Company's services by a direct path from the Customer's location to the Company's point of presence.

Delinquent or Delinquency - An account for which payment has not been made in full on or before the last day for timely payment.

Digital Transmission - Information transmitted in the form of digitally encoded signals.

Facility (or Facilities) - Any item or items of communications plant or equipment used to provide or connect to AccessLine Services.

Holiday - The term "holiday" means 6:00 A.M. to, but not including, 11:00 P.M. local time at the originating city on all Company-specific holidays: New Year's Day, Memorial Day, Independence Day, Labor Day, Thanksgiving Day and Christmas Day.

Incomplete Call - Any call where voice transmission between the calling party and the called station is not established (*i.e.*, busy, no answer, etc.).

Interexchange Carrier (IXC) - A common carrier that provides long distance domestic and international communication services to the public.

Location - A physical premise to or from which AccessLine provides Service.

Non-Business Hours - The phrase "non-business hours" means the time period after 6:00 P.M. and before 5:15 A.M., Monday through Friday, all day Saturday, Sunday, and on holidays.

NPA - An area code, otherwise called numbering plan area.

NXX - The designation for the first three digits of a local telephone number where N represents 2-9 and X represents 0-9.

Regular Billing - A standard bill sent in the normal monthly AccessLine billing cycle. This billing consists of one Bill for each account assigned to the Customer with explanatory detail showing the derivation of the charges.

Services - AccessLine's regulated common carrier communications services provided under this Tariff.

Resp. Org - Responsible Organization or entity identified by a Toll-Free service Customer that manages and administers records in the toll free number database and management system.

Switch - The term "switch" denotes an electronic device that is used to provide circuit sharing, routing, and control.

Switched Access - The Customer gains entry to the Company's services by a transmission line that is switched through the local exchange carrier to reach the Company's point of presence.

Telecom Unit - A measurement of telecommunications service equivalent to one minute of usage between any two points within the Commonwealth of Kentucky.

Telecommunications - The transmission, between or among points specified by the user, of information of the user's choosing, without change in the form or content of the information as sent and received.

Underlying Carrier - The telecommunications carrier whose network facilities provide the technical capability and capacity necessary for the transmission and reception of Customer telecommunications traffic.

- 2.3.2 The Company shall not be liable for, and shall be fully indemnified and held harmless by the Customer against any claim, loss, expense, or damage for defamation, libel, slander, invasion, infringement of copyright or patent, unauthorized use of any trademark, trade name or service mark, proprietary or creative right, or any other injury to any person, property or entity arising out of the material, data or information transmitted.
- 2.3.3 No agent or employee of any other carrier or entity shall be deemed to be an agent or employee of the Company.
- 2.3.4 The Company's liability for damages, resulting in whole or in part from or arising in connection with the furnishing of service under this tariff, including but not limited to mistakes, omissions, interruptions, delays, errors, or other defects or misrepresentations shall not exceed an amount equal to the charges provided for under this tariff for the long distance call for the period during which the call was affected. No other liability in any event shall attach to the Company.
- 2.3.5 The Company shall not be liable for and shall be indemnified and saved harmless by any Customer or by any other entity from any and all loss, claims, demands, suits, or other action or any liability whatsoever, whether suffered, made, instituted, or asserted by any Customer or any other entity for any personal injury to, or death of, any person or persons, and for any loss, damage, defacement or destruction of the premises of any Customer or any other entity or any other property whether owned or controlled by the Customer or others.

- 2.3.6 The Company shall not be liable for any indirect, special, incidental, or consequential damages under this tariff including, but not limited to, loss of revenue or profits, for any reason whatsoever, including the breakdown of facilities associated with the service, or for any mistakes, omissions, delays, errors, or defects in transmission occurring during the course of furnishing service.
- 2.3.7 The remedies set forth herein are exclusive and in lieu of all other warranties and remedies, whether express, implied, or statutory, INCLUDING WITHOUT LIMITATION IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE.

2.4. Responsibilities of the Customer

- 2.4.1 The Customer is responsible for placing any necessary orders and complying with tariff regulations. The Customer is also responsible for the payment of charges for services provided under this tariff.
- 2.4.2 The Customer is responsible for charges incurred for special construction and/or special facilities which the Customer requests and which are ordered by the Company on the Customer's behalf.
- 2.4.3 If required for the provision of the Company's services, the Customer must provide any equipment space, supporting structure, conduit and electrical power without charge to the Company.
- 2.4.4 The Customer is responsible for arranging access to its premises at times mutually agreeable to the Company and the Customer when required for Company personnel to install, repair, maintain, program, inspect or remove equipment associated with the provision of the Company's services.
- 2.4.5 The Customer shall cause the temperature and relative humidity in the equipment space provided by Customer for the installation of the Company's equipment to be maintained within the range normally provided for the operation of microcomputers.

- 2.6.1.B For violation of any of the provisions of this tariff,
- 2.6.1.C For violation of any law, rule, regulation, policy of any governing authority having jurisdiction over the Company's services, or
- 2.6.1.D By reason of any order or decision of a court, public service commission or federal regulatory body or other governing authority prohibiting the Company from furnishing its services.
- 2.6.2 Without incurring liability, upon ten (10) days' written notice, the Company may interrupt the provision of services at any time in order to perform tests and inspections to assure compliance with tariff regulations and the proper installation and operation of Customer and the Company's equipment and facilities and may continue such interruption until any items of noncompliance or improper equipment operation so identified are rectified.
- 2.6.3 Service may be discontinued by the Company without notice to the Customer, by blocking traffic to certain countries, cities or NXX exchanges, or by blocking calls using certain Customer authorization codes, when the Company deems it necessary to take such action to prevent unlawful use of its service. The Company will restore service as soon as it can be provided without undue risk, and will, upon request by the Customer affected, assign a new authorization code to replace the one that has been deactivated.
- 2.6.4 The Customer may terminate service upon three (3) days written or oral notice for the Company's standard month to month contract. Customer will be liable for all usage on any of the Company's service offerings until the Customer actually leaves the service. Customers will continue to have Company usage until the Customer notifies its local exchange carrier and changes its long distance carrier. Until the Customer so notifies its local exchange carrier, it shall continue to generate and be responsible for long distance usage.
